**Article III**

**Appointment of Personal Representative**

I appoint NELVA E. BRUNSTING as my Personal Representative. In the event NELVA E. BRUNSTING fails or ceases to serve for any reason, I appoint the following individuals as my Personal Representative to serve in the following order:

- First, CARL HENRY BRUNSTING
- Second, AMY RUTH TSCHIRHART
- Third, CANDACE LOUISE CURTIS

The term "Personal Representative" will mean and refer to the office of Independent Executor and Trustee collectively. Reference to Personal Representative in the singular will include the plural, the masculine will include the feminine, and the term is to be construed in context. A Personal Representative will not be required to furnish a fiduciary bond or other security. I direct that no action be required in the county or probate court in relation

*Lucinda H. Hays*

04032012:1010:G0029

to the settlement of my estate other than the probate and recording of my Will and the return of an inventory, appraisal and list of claims as required by law.

04032012:1010:G0029

**Article IV**

**Payment of Debts, Taxes, Settlement Costs and Exercise of Elections**

The following directions concern the payment of debts, taxes, estate settlement costs, and the exercise of any election permitted by Texas law or by the Internal Revenue Code. The Personal Representative of my estate and the Trustee of the BRUNSTING FAMILY LIVING TRUST may act jointly and may treat the property of my estate subject to probate and the property of the BRUNSTING FAMILY LIVING TRUST as one fund for the purpose of paying debts, taxes, estate settlement costs, and making of elections.

08162012:1017:G0009

**Section A. Payment of Indebtedness and Settlement Costs**

The Personal Representative will have the discretionary authority to pay from my estate subject to probate the costs reasonably and lawfully required to settle my estate.

**Section B. Special Bequests**

If property given as a special bequest or gift is subject to a mortgage or other security interest, the designated recipient of the property will take the asset subject to the obligation and the recipient's assumption of the indebtedness upon distribution of the asset to the recipient. The obligation to be assumed shall be the principal balance of the indebtedness on date of death, and the Personal Representative shall be entitled to reimbursement or offset for principal and interest payments paid by my estate to date of distribution.

**Section C. Estate, Generation Skipping, or Other Death Tax**

Unless otherwise provided in this will or by the terms of the BRUNSTING FAMILY LIVING TRUST, estate, inheritance, succession, or other similar tax shall be charged to and apportioned among those whose gifts or distributive share generate a death tax liability by reason of my death or by reason of a taxable termination or a taxable distribution under the generation skipping provisions of the Internal Revenue Code. To the extent I may lawfully provide, the Personal Representative may pay and deduct from a beneficiary's distributive share (whether the distribution is to be paid outright or is to be continued in trust) the increment in taxes payable by reason of a required distribution or termination of interest

*Lucas H. Hays*

01001001121000000

(i.e., estate, gift, inheritance, or generation skipping taxes) to the extent that the total of such taxes payable by reason of a distribution or termination is greater than the tax which would have been imposed if the property or interest subject to the distribution or termination of interest has not been taken into account in determining the amount of such tax. To the extent a tax liability results from the distribution of property to a beneficiary other than under this will or under the BRUNSTING FAMILY LIVING TRUST, the Personal Representative will have the authority to reduce any distribution to the beneficiary from my estate by the amount of the tax liability apportioned to the beneficiary, or if the distribution is insufficient, the Personal Representative will have the authority to proceed against the beneficiary for his, her, or its share of the tax liability. In making an allocation, my Personal Representative may consider all property included in my gross estate for federal estate tax purposes, including all amounts paid or payable to another as the result of my death, including life insurance proceeds, proceeds from a qualified retirement plan or account, proceeds from a joint and survivorship account with a financial institution or brokerage company, proceeds from a buy-sell or redemption contract, and/or any other plan or policy which provides for a payment of death benefits. This provision further contemplates and includes any tax which results from the inclusion of a prior transfer in my federal gross estate even though possession of the property previously transferred is vested in someone other than my Personal Representative. This provision does not include a reduction in the unified credit by reason of taxable gifts made by me. If the Personal Representative determines that collection of an apportioned tax liability against another is not economically feasible or probable, the tax liability will be paid by my estate and will reduce the amount distributable to the residuary beneficiaries. The Personal Representative's judgment with regard to the feasibility of collection is to be conclusive.

04032012:101D:G0030

08162012:blz:G0010

**Section D. Election, Qualified Terminable Interest Property**

The Personal Representative may, without liability for doing so or the failure to do so, elect to treat all or a part of my estate which passes in trust for NELVA E. BRUNSTING under the BRUNSTING FAMILY LIVING TRUST, in which NELVA E. BRUNSTING has an income right for life, as Qualified Terminable Interest Property pursuant to the requirements of Section 2056(b)(7) of the Internal Revenue Code. To the extent that an election is made, and unless NELVA E. BRUNSTING shall issue a direction to the contrary, the Trustee of the BRUNSTING FAMILY LIVING TRUST will pay from the irrevocable share the entire increment in the taxes payable by reason of the death of NELVA E. BRUNSTING to the extent that the total of such taxes is greater than would have been imposed if the property treated as qualified terminable interest property has not been taken into account in determining such taxes. It is my intent and purpose to provide my Personal Representative with the greatest latitude in making this election so that the least amount of federal estate tax will be payable upon my death and upon the death of NELVA E. BRUNSTING, and this

*Laura M. Hays*

04032012: 101D: G0031

provision is to be applied and construed to accomplish this objective. The Personal Representative is to make distributions of income and principal to the Trustee of the BRUNSTING FAMILY LIVING TRUST until my total estate subject to probate and administration is distributed to the Trustee of the BRUNSTING FAMILY LIVING TRUST.

**Section E. Special Election for Qualified Terminable Interest Property**

For the purpose of identifying the "transferor" in allocating a GST exemption, my estate may elect to treat all of the property which passes in trust to a surviving spouse for which a marital deduction is allowed, by reason of Section 2056(b)(7) of the Internal Revenue Code, as if the election to be treated as Qualified Terminable Interest Property had not been made. Reference to the "Special Election For Qualified Terminable Interest Property" will mean and identify the election provided by Section 2652(a)(2) of the Internal Revenue Code. The term "GST Exemption" or "GST Exemption Amount" is the dollar amount of property which may pass as generation skipping transfers under Subtitle B, Chapter 13, of the Internal Revenue Code of 1986 (entitled "Tax on Generation Skipping Transfers") which is exempt from the generation-skipping tax.

**Section F. Elective Deductions**

The Personal Representative will have the discretionary authority to claim any obligation, expense, cost or loss as a deduction against either estate tax or income tax, or to make any election provided by Texas law, the Internal Revenue Code, or other applicable law, and the Personal Representative's decision will be conclusive and binding upon all interested parties and shall be effective without obligation to make an equitable adjustment or apportionment between or among the beneficiaries of my estate or the estate of a deceased beneficiary.

**Article V**

**Service of the Personal Representative**

A Personal Representative may exercise, without court supervision (or the least supervision permitted by law), all powers and authority given to executors and trustees by the laws of the State of Texas and by this will.

**Section A. Possession, Assets, Records**

My Personal Representative will have the authority to take possession of the property of my estate and the right to obtain and possess as custodian any and all documents and records relating to the ownership of property.

**Section B. Retain Property in Form Received, Sale**

My Personal Representative will have authority to retain, without liability, any and all property in the form in which it is received by the Personal Representative without regard to its productivity or the proportion that any one asset or class of assets may bear to the whole. My Personal Representative will not have liability nor responsibility for loss of income from or depreciation in the value of property which was retained in the form which the Personal Representative received them. My Personal Representative will have the authority to acquire, hold, and sell undivided interests in property, both real and personal, including undivided interests in business or investment property.

08162012:1012:G0042

**Section C. Investment Authority**

My Personal Representative will have discretionary investment authority, and will not be liable for loss of income or depreciation on the value of an investment if, at the time the investment was made and under the facts and circumstances then existing, the investment was reasonable.

**Section D. Power of Sale, Other Disposition**

My Personal Representative will have the authority at any time and from time to time to sell, exchange, lease and/or otherwise dispose of legal and equitable title to any property upon such terms and conditions, and for such consideration, as my representative will consider reasonable. The execution of any document of conveyance, or lease by the Personal Representative will be sufficient to transfer complete title to the interest conveyed without the joinder, ratification, or consent of any person beneficially interested in the property, the estate, or trust. No purchaser, tenant, transferee or obligor will have any obligation whatsoever to see to the application of payments made to my Personal Representative. My Personal Representative will also have the authority to borrow or lend money, secured or unsecured, upon such terms and conditions and for such reasons as may be perceived as reasonable at the time the loan was made or obtained.

04032012:1010:G0033

**Section E. Partial, Final Distributions**

My Personal Representative, in making or preparing to make a partial or final distribution from the estate or a trust, will prepare an accounting and may require, as a condition to payment, a written and acknowledged statement from each distributee that the accounting has been thoroughly examined and accepted as correct; a discharge of the Personal Representative; a release from any loss, liability, claim or question concerning the exercise of due care, skill, and prudence of the Personal Representative in the management, investment, retention, and distribution of property during the representative's term of service, except for any undisclosed error or omission having basis in fraud or bad faith; and an indemnity of the Personal Representative, to include the payment of attorneys' fees, from any asserted claim of any taxing agency, governmental authority, or other claimant. Any beneficiary having a question or potential claim may require an audit of the estate or trust as an expense of administration. Failure to require the audit prior to written acceptance of the Personal Representative's report, or the acceptance of payment, will operate as a final release and discharge of the Personal Representative except as to any error or omission having basis in fraud or bad faith.

08162012:1010:G0013

**Section F. Partition, Undivided Interests**

My Personal Representative, in making or preparing to make a partial or final distribution from the estate or a trust, will have the authority (1) to partition any asset or class of assets and deliver divided and segregated interests to beneficiaries; (2) to sell any asset or class of assets (whether or not susceptible to partition in kind), and deliver to the beneficiaries a divided interest in the proceeds of sale and/or a divided or undivided interest in any note and security arrangement taken as part of the purchase price; and/or (3) to deliver undivided interests in an asset or class of assets of the beneficiaries subject to any indebtedness which may be secured by the property.

**Section G. Accounting**

My Personal Representative will render at least annually a statement of account showing receipts, disbursements, and distributions of both principal and income during the period of accounting and a statement of the invested and uninvested principal and the undistributed income at the time of such statement.

**Section H. Protection of Beneficiaries**

No beneficiary will have the power to anticipate, encumber or transfer any interest in my estate. No part of my estate or any trust will be liable for or charged with any debts,

contracts, liabilities or torts of a beneficiary or be subject to seizure or other process by any creditor of a beneficiary.

04032012:1010:G0034

**Section I. Consultants, Professional Assistance**

My Personal Representative will have the authority to employ such consultants and professional help as needed to assist with the prudent administration of the estate and any trust. Any representative, other than a corporate fiduciary, may delegate, by an agency agreement or otherwise, to any state or national banking corporation with trust powers any one or more of the following administrative functions: custody and safekeeping of assets; record keeping and accounting, including accounting reports to beneficiaries; and/or investment authority. The expense of the agency, or other arrangement, will be paid as an expense of administration.

08162012:1010:G0014

**Section J. Compensation**

Any person who serves as Personal Representative may elect to receive a reasonable compensation, reasonable compensation to be measured by the time required in the administration of the estate or a trust and the responsibility assumed in the discharge of the duties of office. The fee schedules of area trust departments prescribing fees for the same or similar services may be used to establish reasonable compensation. A corporate or banking trustee will be entitled to receive as its compensation such fees as are then prescribed by its published schedule of charges for estates or trusts of similar size and nature and additional compensation for extraordinary services performed by the corporate representative. My Personal Representative will be entitled to full reimbursement for expenses, costs, or other obligations incurred as the result of service, including attorney's, accountant's and other professional fees.

**Section K. Documenting Succession**

A person serving as Personal Representative may fail or cease to serve by reason of death, resignation or legal disability. Succession may be documented by an affidavit of fact prepared by the successor, filed of record in the probate or deed records of the county in which this will is admitted to probate. The public and all persons interested in or dealing with my Personal Representative may rely upon the evidence of succession provided by a certified copy of the recorded affidavit, and I bind my estate and those who are its beneficial owners to indemnify and hold harmless any person, firm, or agency from any loss sustained in relying upon the recorded affidavit.

04032012:1010:G0035

Article VI

04032012:1010:G0035

No-Contest Requirements

I vest in my Personal Representative the authority to construe this will and to resolve all matters pertaining to disputed issues or controverted claims. I do not want to burden my estate with the cost of a litigated proceeding to resolve questions of law or fact unless that proceeding is originated by my Personal Representative or with the Personal Representative's written permission. Any other person, agency or organization who originates (or who shall cause to be instituted) a judicial proceeding to construe or contest this will or to resolve any claim or controversy in the nature of reimbursement, constructive or resulting trust or other theory which, if assumed as true, would enlarge (or originate) the claimant's interest in my estate, will forfeit any amount to which that person, agency or organization is or may be entitled, and the interest of any such litigant or contestant will pass as if he or she or it had predeceased me.

These directions will apply even though the person, agency or organization shall be found by a court of law to have originated the judicial proceeding in good faith and with probable cause, and even though the proceeding may seek nothing more than to construe the application of this no-contest provision. However, the no-contest provision is to be limited in application as to any claim filed by NELVA E. BRUNSTING, to the exclusion thereof if necessary, to the extent it may deny my estate the benefit of the federal estate tax marital deduction.

THIS WILL is signed by me in the presence of two (2) witnesses, and signed by the witnesses in my presence on January 12, 2005.

LIST OF CLAIMS

1. Based upon the information currently available to the personal representative of the estate, it is not possible to determine with certainty what assets were in the estate at the Decedent's death. That determination will have to be made the subject of further judicial proceedings. After that judicial determination is made, to the extent it becomes necessary, this Inventory, Appraisalment and List of Claims will be amended to reflect the descriptions and values of assets later determined to have been estate assets at the time of Decedent's death.

2. The estate has asserted a claim against Candace L. Kunz-Freed and Vacek & Freed, PLLC f/k/a The Vacek Law Firm, PLLC relating to actions taken and omissions made in the course of their representation of decedent and his wife which may result in additional estate assets. That case is pending under Cause No. 2013-05455, styled *Carl Henry Brunsting, Independent Executor of the Estates of Elmer H. Brunsting and Nelva E. Brunsting v. Candace L. Kunz-Freed and Vacek & Freed, PLLC f/k/a The Vacek Law Firm, PLLC*, in the 164<sup>th</sup> Judicial District Court of Harris County, Texas.

3. The Brunsting Family Living Trust was signed by Decedent and his wife on October 10, 1996 and was restated on January 12, 2005 (the "Family Trust"). The Family Trust purported by its terms to provide for the creation of successor and/or subsequent trusts. The Family Trust also described other documents which, if created in compliance with the terms of the Family Trust, could impact the assets and status of the Family Trust. Attempts were made by various parties to change the terms and control of the Family Trust through later instruments which have been or will be challenged. The estate also asserts claims against Anita Brunsting and Amy Brunsting, the current purported trustees of the successor trusts or trusts arising from the Family Trust or documents

*Candace M. Hays*

2022 JUN 20 10 02 AM

allegedly created pursuant to the terms of the Family Trust. Those claims will be the subject of separate proceedings and may result in additional estate assets.

4. The estate also asserts a claim against Anita Brunsting, Amy Brunsting, and Carole Brunsting in their individual capacities for amounts paid and assets believed to also include, among other things, stocks and bonds which were removed from the Family Trust and/or the estate. This was accomplished either through the use of a power of attorney for Decedent's wife, through their position as trustees, through their position as joint signatories on accounts and safe deposit boxes, or because they otherwise had access to the assets. Those claims will also be the subject of a separate proceeding and may result in additional estate assets.

There are no known claims due or owing to the Estate other than those shown on the foregoing Inventory and Appraisement.

The foregoing Inventory, Appraisement and List of Claims should be approved and ordered entered of record.

### Article III

#### Appointment of Personal Representative

I appoint ELMER H. BRUNSTING as my Personal Representative. In the event ELMER H. BRUNSTING fails or ceases to serve for any reason, I appoint the following individuals as my Personal Representative to serve in the following order:

First, CARL HENRY BRUNSTING

Second, AMY RUTH TSCHIRHART

Third, CANDACE LOUISE CURTIS

The term "Personal Representative" will mean and refer to the office of Independent Executor and Trustee collectively. Reference to Personal Representative in the singular will include the plural, the masculine will include the feminine, and the term is to be construed in context. A Personal Representative will not be required to furnish a fiduciary bond or other security. I direct that no action be required in the county or probate court in relation

to the settlement of my estate other than the probate and recording of my Will and the return of an inventory, appraisal and list of claims as required by law.

#### Article IV

04032012: 1010 :G0042

#### Payment of Debts, Taxes, Settlement Costs and Exercise of Elections

The following directions concern the payment of debts, taxes, estate settlement costs, and the exercise of any election permitted by Texas law or by the Internal Revenue Code. The Personal Representative of my estate and the Trustee of the BRUNSTING FAMILY LIVING TRUST may act jointly and may treat the property of my estate subject to probate and the property of the BRUNSTING FAMILY LIVING TRUST as one fund for the purpose of paying debts, taxes, estate settlement costs, and making of elections.

##### Section A. Payment of Indebtedness and Settlement Costs

The Personal Representative will have the discretionary authority to pay from my estate subject to probate the costs reasonably and lawfully required to settle my estate.

##### Section B. Special Bequests

If property given as a special bequest or gift is subject to a mortgage or other security interest, the designated recipient of the property will take the asset subject to the obligation and the recipient's assumption of the indebtedness upon distribution of the asset to the recipient. The obligation to be assumed shall be the principal balance of the indebtedness on date of death, and the Personal Representative shall be entitled to reimbursement or offset for principal and interest payments paid by my estate to date of distribution.

##### Section C. Estate, Generation Skipping, or Other Death Tax

Unless otherwise provided in this will or by the terms of the BRUNSTING FAMILY LIVING TRUST, estate, inheritance, succession, or other similar tax shall be charged to and apportioned among those whose gifts or distributive share generate a death tax liability by reason of my death or by reason of a taxable termination or a taxable distribution under the generation skipping provisions of the Internal Revenue Code. To the extent I may lawfully provide, the Personal Representative may pay and deduct from a beneficiary's distributive share (whether the distribution is to be paid outright or is to be continued in trust) the increment in taxes payable by reason of a required distribution or termination of interest

(i.e., estate, gift, inheritance, or generation skipping taxes) to the extent that the total of such taxes payable by reason of a distribution or termination is greater than the tax which would have been imposed if the property or interest subject to the distribution or termination of interest has not been taken into account in determining the amount of such tax. To the extent a tax liability results from the distribution of property to a beneficiary other than under this will or under the BRUNSTING FAMILY LIVING TRUST, the Personal Representative will have the authority to reduce any distribution to the beneficiary from my estate by the amount of the tax liability apportioned to the beneficiary, or if the distribution is insufficient, the Personal Representative will have the authority to proceed against the beneficiary for his, her, or its share of the tax liability. In making an allocation, my Personal Representative may consider all property included in my gross estate for federal estate tax purposes, including all amounts paid or payable to another as the result of my death, including life insurance proceeds, proceeds from a qualified retirement plan or account, proceeds from a joint and survivorship account with a financial institution or brokerage company, proceeds from a buy-sell or redemption contract, and/or any other plan or policy which provides for a payment of death benefits. This provision further contemplates and includes any tax which results from the inclusion of a prior transfer in my federal gross estate even though possession of the property previously transferred is vested in someone other than my Personal Representative. This provision does not include a reduction in the unified credit by reason of taxable gifts made by me. If the Personal Representative determines that collection of an apportioned tax liability against another is not economically feasible or probable, the tax liability will be paid by my estate and will reduce the amount distributable to the residuary beneficiaries. The Personal Representative's judgment with regard to the feasibility of collection is to be conclusive.

#### **Section D. Election, Qualified Terminable Interest Property**

The Personal Representative may, without liability for doing so or the failure to do so, elect to treat all or a part of my estate which passes in trust for ELMER H. BRUNSTING under the BRUNSTING FAMILY LIVING TRUST, in which ELMER H. BRUNSTING has an income right for life, as Qualified Terminable Interest Property pursuant to the requirements of Section 2056(b)(7) of the Internal Revenue Code. To the extent that an election is made, and unless ELMER H. BRUNSTING shall issue a direction to the contrary, the Trustee of the BRUNSTING FAMILY LIVING TRUST will pay from the irrevocable share the entire increment in the taxes payable by reason of the death of ELMER H. BRUNSTING to the extent that the total of such taxes is greater than would have been imposed if the property treated as qualified terminable interest property has not been taken into account in determining such taxes. It is my intent and purpose to provide my Personal Representative with the greatest latitude in making this election so that the least amount of federal estate tax will be payable upon my death and upon the death of ELMER H. BRUNSTING, and this

04032012:JDID:G0043

**Section E. Partial, Final Distributions**

My Personal Representative, in making or preparing to make a partial or final distribution from the estate or a trust, will prepare an accounting and may require, as a condition to payment, a written and acknowledged statement from each distributee that the accounting has been thoroughly examined and accepted as correct; a discharge of the Personal Representative; a release from any loss, liability, claim or question concerning the exercise of due care, skill, and prudence of the Personal Representative in the management, investment, retention, and distribution of property during the representative's term of service, except for any undisclosed error or omission having basis in fraud or bad faith; and an indemnity of the Personal Representative, to include the payment of attorneys' fees, from any asserted claim of any taxing agency, governmental authority, or other claimant. Any beneficiary having a question or potential claim may require an audit of the estate or trust as an expense of administration. Failure to require the audit prior to written acceptance of the Personal Representative's report, or the acceptance of payment, will operate as a final release and discharge of the Personal Representative except as to any error or omission having basis in fraud or bad faith.

**Section F. Partition, Undivided Interests**

My Personal Representative, in making or preparing to make a partial or final distribution from the estate or a trust, will have the authority (1) to partition any asset or class of assets and deliver divided and segregated interests to beneficiaries; (2) to sell any asset or class of assets (whether or not susceptible to partition in kind), and deliver to the beneficiaries a divided interest in the proceeds of sale and/or a divided or undivided interest in any note and security arrangement taken as part of the purchase price; and/or (3) to deliver undivided interests in an asset or class of assets of the beneficiaries subject to any indebtedness which may be secured by the property.

**Section G. Accounting**

My Personal Representative will render at least annually a statement of account showing receipts, disbursements, and distributions of both principal and income during the period of accounting and a statement of the invested and uninvested principal and the undistributed income at the time of such statement.

**Section H. Protection of Beneficiaries**

No beneficiary will have the power to anticipate, encumber or transfer any interest in my estate. No part of my estate or any trust will be liable for or charged with any debts.

00152012: 1013:G0048

Article VI

04032012: 1010 :G0048

No-Contest Requirements

I vest in my Personal Representative the authority to construe this will and to resolve all matters pertaining to disputed issues or controverted claims. I do not want to burden my estate with the cost of a litigated proceeding to resolve questions of law or fact unless that proceeding is originated by my Personal Representative or with the Personal Representative's written permission. Any other person, agency or organization who originates (or who shall cause to be instituted) a judicial proceeding to construe or contest this will or to resolve any claim or controversy in the nature of reimbursement, constructive or resulting trust or other theory which, if assumed as true, would enlarge (or originate) the claimant's interest in my estate, will forfeit any amount to which that person, agency or organization is or may be entitled, and the interest of any such litigant or contestant will pass as if he or she or it had predeceased me.

These directions will apply even though the person, agency or organization shall be found by a court of law to have originated the judicial proceeding in good faith and with probable cause, and even though the proceeding may seek nothing more than to construe the application of this no-contest provision. However, the no-contest provision is to be limited in application as to any claim filed by ELMER H. BRUNSTING, to the exclusion thereof if necessary, to the extent it may deny my estate the benefit of the federal estate tax marital deduction.

THIS WILL is signed by me in the presence of two (2) witnesses, and signed by the witnesses in my presence on January 12, 2005.

Nelva E. Brunsting  
NELVA E. BRUNSTING

The foregoing Will was, on the day and year written above, published and declared by NELVA E. BRUNSTING in our presence to be her Will. We, in her presence and at her request, and in the presence of each other, have attested the same and have signed our names as attesting witnesses.

We declare that at the time of our attestation of this Will, NELVA E. BRUNSTING was, according to our best knowledge and belief, of sound mind and memory and under no undue duress or constraint.
