Dear Aunt Anita and Aunt Amy,

It is my understanding in the Brunsting trust, if any beneficiary is disinherited their share goes to their descendants in equal amounts.

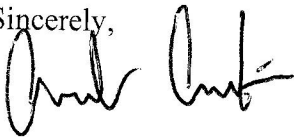

With that being said, please send a full, true and complete accounting of Grandpa and Grandma's trusts within 90 days of receipt of this letter.

Since it has been more than two years since an accounting was sent, the accounting should begin January 1, 2022. It should include an income statement, balance sheet and a list of disbursements with the reason for each.

I would also like to know the status of the \$100,000 distribution owed to my son AJ and I. It appears we were also left off of the \$26,000 distribution to be discussed in court on June 27, 2024.

Corruption of blood violates public policy, the Texas Constitution, and federal law, and you will answer to me if you think otherwise, you have 90 days.

Sincerely,

Andrew Curtis
