

Giving Thanks

The true meaning of the Thanksgiving holiday lies in giving thanks for all that we have. We value the relationship we have built with you and would like to thank you for the confidence you have placed in us. We'd also like to thank all those who have fought, and continue to fight, to protect our freedom and preserve our great nation. On Veterans Day, please remember to thank those who have served us so proudly. We remain dedicated to serving your financial needs and look forward to working together for years to come.

Seven Smart Moves to Consider before Year-end

The new year will soon be here. Before "closing the books" on 2011, here are seven ideas you may want to consider:

- 1. Contribute to an Edward Jones IRA for 2011.** Contribution limits for 2011 are \$5,000, and \$6,000 if you're 50 or older. Also consider signing up for automatic monthly contributions for 2012.*
- 2. Consider increasing contributions to your employer-sponsored retirement plan.** An employer-sponsored retirement plan can be a great way to save for retirement. Even a small increase in your annual contributions today can make a substantial difference in the future.
- 3. Consider selling investments before year-end to offset capital gains.** If you own securities that are down in value, you may be able to sell them to offset capital gains or to reduce your income tax for this year.**
- 4. Contribute to a 529 college savings plan before the end of the year.** You may gift up to \$13,000 (\$26,000 per married couple) per recipient per year without gift tax consequences. Consider whether a 529 account or another college savings option would be appropriate. It's never too soon to start saving for college, and this year's deadline is quickly approaching.
- 5. Consolidate your various retirement accounts to Edward Jones.** Doing so will result in one easy-to-manage account that's in sync with your goals. Multiple statements from various companies will be replaced by one easy-to-read statement, and consolidating your retirement accounts can result in fewer tax documents.
- 6. Review your insurance coverage.** Life changes, and as it does, it's important that your insurance coverage reflects those changes. Whether your family has grown over the years or you are preparing to retire, we can help make sure you have the right amount and type for your situation.
- 7. Call your Edward Jones financial advisor to discuss which moves make sense for you before 2011 ends.**

*Systematic investing does not guarantee a profit or protect against loss.
