* Your approved credit is not a commitment to loan funds. It is based on the value of your Investment account which could change daily. The amount you may be eligible to borrow may differ from your approved credit. Borrowing against securities has its risks and is not appropriate for everyone. If the value of your collateral declines, you may be required to deposit cash or additional securities, or the securities in your account may be sold to meet the margin call. The interest rate will vary depending on the amount borrowed and will begin to accrue from the date of the loan and be charged to the account. A minimum account value is required if you have loan features on your account. Call your financial advisor today.

Edward Jones Receives Two Honors

We at Edward Jones are pleased to have received two recent honors, and we want to share them with you.

First, Edward Jones was honored by the DALBAR research agency for providing clients with industry-leading statements in the 13th annual "Trends and Best Practices in Investor Statements" report for brokerages. This ranking is a valuable honor for us because we devote a great deal of effort toward keeping our clients informed about their investments in a way that is clear and easy to understand. We are delighted with this recognition and are committed to continually seeking the best ways to provide understandable and useful statements.

Second, Edward Jones ranked No. 11 on FORTUNE magazine's "100 Best Companies to Work For" list for 2011. This is our 12th appearance on the annual list. We also ranked No. 2 for large-sized companies and received the highest ranking of any financial services firm on the list. We find this ranking especially gratifying because it is based on surveys of our own associates.

While we are honored by these recognitions, we view them as side benefits of the work we do to achieve our highest honor: a satisfied client. Thank you for your continued confidence in Edward Jones. We look forward to continuing to serve you.
