Edward Jones Named Among Best Companies to Work For

Edward Jones was recently ranked No. 6 on FORTUNE magazine's "100 Best Companies to Work For" 2015 list. This is the firm's 16th appearance on the prestigious list. These rankings include 12 top 10 finishes, consecutive No. 1 rankings in 2002 and 2003, and consecutive No. 2 rankings in 2009 and 2010.

In the FORTUNE survey of Edward Jones associates, for which the ranking is predominantly based, 94% said they have pride in the work they do, and 96% agreed that Edward Jones is a great place to work.

For the full list and related stories, see the March 9 issue of FORTUNE or visit www.fortune.com/best-companies.

Although the results of this prestigious survey are largely based on the feedback of associates, this honor would not be possible without your support. Thank you!

FORTUNE and Time Inc. are not affiliated with and do not endorse products or services of Edward Jones. FORTUNE partners annually with Great Place to Work to conduct the most extensive employee survey in corporate America to identify the 100 Best Companies to Work For. Two-thirds of a company's survey score is based on the results of the Trust Index Employee Survey, which is sent to a random sample of employees from each company. This survey asks questions related to their attitudes about management's credibility, overall job satisfaction and camaraderie. The other third of the scoring is based on the company's responses to the institute's Culture Audit, which includes detailed questions about pay and benefit programs and a series of open-ended questions about hiring practices, internal communications, training, recognition programs and diversity efforts.
