The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign **section 1D** for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. Instructions for Recipient

Recipient's Identification Number: For your protection, this form may show only the last four digits of your taxpayer identification number. However, the issuer has reported your complete identification number to the IRS and, where applicable, to state and/or local governments.

Account Number: May show an account or other unique number the payer assigned to distinguish your account.

Box 1a: Shows total ordinary dividends that are taxable. Include this amount on line 9a of Form 1040 or 1040A. Also, report it on Schedule B (Form 1040 or 1040A), if required.

The amount shown may be a distribution from an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040/1040A, but treat it as a plan distribution, not as investment income, for any other purpose.

Box 1b: Shows the portion of the amount in box 1a that may be eligible for the 15% or 0% capital gains rates. See the Form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 9b, Form 1040 or 1040A.

Box 7: This box should be left blank if a regulated investment company reported the foreign tax shown in box 6.

You must file Form 1099-DIV with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. COST BASIS DISCLOSURE

IRS regulations require that Computershare and other brokers/agents provide additional information to you and to the IRS when you sell certain securities. If you sold or transferred shares/units and did not specify a cost basis calculation method we have defaulted to the first in, first out (FIFO) method unless the plan's terms provide for the use of the average cost basis method. All covered and noncovered information set forth in this document is for informational purposes. The information is based on data in our records as of the date of this mailing. Cost basis data may be subject to change based on events such as wash sales, splits and spinoffs. If cost basis data was not available, the information was left blank. Computershare cannot confirm the accuracy or completeness of noncovered transactions. You should review your records for accurate information regarding the subject transactions and consult your tax adviser with any questions concerning your tax reporting obligations.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction.
