How to Request a Transaction (refer to the prospectus/prochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. 1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.compuershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.compuershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.
