IMPORTANT INFORMATION You Should Know About Your Medicare Part B Benefits

For more information about services covered by Medicare, please see your Medicare Handbook.

MEDICARE PART B MEDICAL INSURANCE:

Medicare Part B helps pay for doctors' services, diagnostic tests, ambulance services, durable medical equipment and other health care services. Medicare Part A Hospital Insurance helps pay for inpatient hospital care, inpatient care in a skilled nursing facility following a hospital stay, home health care and hospice care. You will be sent a separate notice if you received Part A services or any outpatient facility services.

MEDICARE ASSIGNMENT: Medicare Part B claims may be assigned or unassigned. Providers who accept assignment agree to accept the Medicare approved amount as total payment for covered services. Medicare pays its share of the approved amount directly to the provider. You may be billed for unmet portions of the annual deductible and the coinsurance. You may contact us at the telephone number in the Customer Service Information box on the front of this notice for a list of participating providers who always accept assignment. You may save money by choosing a participating provider.

Doctors who submit unassigned claims have not agreed to accept Medicare's approved amount as payment in full. Generally, Medicare pays you 80 percent of the approved amount after subtracting any part of the annual deductible

may charge you up to 115 percent of the Medicare approved amount. This is known as the Limiting Charge. Some states have additional payment limits. The NOTES section on the front of this notice will tell you if a doctor has exceeded the Limiting Charge and the correct amount to pay your doctor under the law.

YOUR RESPONSIBILITY: The amount in the You May Be Billed column is your share of cost for the services shown on this notice. You are responsible for:

- annual deductible: taken from the first Medicare Part B approved charges each calen Jar year,
- coinsurance: 20 percent of the Medicare approved amount after the deductible has been met for the year,
- the amount billed, up to the limiting charge, for unassigned claims and
- charges for services/supplies that are not covered by Medicare. You may not have to pay for certain denied services. If so, a NOTE on the front will tell you.

If you have supplemental insurance, it may help you pay these amounts. If you use this notice to claim supplemental benefits from another insurance company, make a copy for your records.

WHEN OTHER INSURANCE PAYS FIRST: All

Medicare payments are made on the condition that you will pay Medicare back if benefits could be paid by insurance that is primary to Medicare. Types of insurance that should pay before Medicare include employer group health plans, no-fault insurance, automobile medical insurance, liability insurance and workers compensation. Notify us right away if you have filed or could file a claim with insurance that is primary to Medicare.

YOUR RIGHT TO APPEAL: If you disagree with what Medicare approved for these services, you may appeal the decision. You must file your appeal within 120 days of the date you receive this notice. Unless you show us otherwise, we assume you received this notice five days after the date of this notice. Follow the appeal instructions on the front of the last page of the notice. If you want help with your appeal, a friend or someone else can help you. Also, groups, such as legal aid services, may provide free assistance. To contact us for the names and telephone numbers of groups in your area, please see our Customer Service Information box on the front of this notice.

HELP STOP MEDICARE FRAUD: Fraud is a false representation by a person or business to get Medicare payments. Some examples of fraud include:

- offers of goods or money in exchange for your Medicare Number,
- telephone or door to door offers of free medical services or items and
- claims for Medicare services or items you did not receive. If you think a person or business is involved in fraud, you should call Medicare at the Customer Service telephone number on the front of this notice.

INSURANCE COUNSELING AND ASSISTANCE:

Insurance Counseling and Assistance programs are located in every State. These programs have volunteer counselors who can give you free assistance with Medicare questions, including enrollment, entitlement, Medigap and premium issues. If you would like to know how to get in touch with your local Insurance Counseling and Assistance Program Counselor, please call us at the number shown in the Customer Service Information box on the front of this notice.

IMPORTANT INFORMATION You Should Know About Your Medicare Part B Benefits

For more information about services covered by Medicare, please see your Medicare Handbook.

MEDICARE PART B MEDICAL INSURANCE:

Medicare Part B helps pay for doctors' services, diagnostic tests, ambulance services, durable medical equipment and other health care services. Medicare Part A Hospital Insurance helps pay for inpatient hospital care, inpatient care in a skilled nursing facility following a hospital stay, home health care and hospice care. You will be sent a separate notice if you received Part A services or any outpatient facility services.

MEDICARE ASSIGNMENT: Medicare Part B claims may be assigned or unassigned. Providers who accept assignment agree to accept the Medicare approved amount as total payment for covered services. Medicare pays its share of the approved amount directly to the provider. You may be billed for unmet portions of the annual deductible und the coinsurance. You may contact us at the telephone number in the Customer Service Information box on the front of this notice for a list of participating providers who always accept assignment. You may save money by choosing a participating provider.

Doctors who submit unassigned claims have not agreed to accept Medicare's approved amount as payment in full. Generally, Medicare pays you 80 percent of the approved amount after subtracting any part of the annual deductible you have not met. A doctor who does not accept assignment

approved amount. This is known as the Limiting Charge. Some states have additional payment limits. The NOTES section on the front of this notice will tell you if a doctor has exceeded the Limiting Charge and the correct amount to pay your doctor under the law.

YOUR RESPONSIBILITY: The amount in the You May Be Billed column is your share of cost for the services shown on this notice. You are responsible for:

- annual deductible: taken from the first Medicare Part B approved charges each calendar year,
- coinsurance: 20 percent of the Medicare approved amount after the deductible has been met for the year,
- the amount billed, up to the limiting charge, for unassigned claims and
- charges for services/supplies that are not covered by Medicare. You may not have to pay for certain denied services. If so, a NOTE on the front will tell you.

If you have supplemental insurance, it may help you pay these amounts. If you use this notice to claim supplemental benefits from another insurance company, make a copy for your records.

WHEN OTHER INSURANCE PAYS FIRST: All

Medicare payments are made on the condition that you will pay Medicare back if benefits could be paid by insurance that is primary to Medicare. Types of insurance that should pay before Medicare include employer group health plans, no-fault insurance, automobile medical insurance, liability insurance and workers compensation. Notify us right away if you have filed or could file a claim with insurance that is primary to Medicare.

YOUR RIGHT TO APPEAL: If you disagree with what Medicare approved for these services, you may appeal the decision. You must file your appeal within 120 days of the date you receive this notice. Unless you show us otherwise, we assume you received this notice five days after the date of this notice. Follow the appeal instructions on the front of the last page of the notice. If you want help with your appeal, a friend or someone else can help you. Also, groups, such as legal aid services, may provide free assistance. To contact us for the names and telephone numbers of groups in your area, please see our Customer Service Information box on the front of this notice.

HELP STOP MEDICARE FRAUD: Fraud is a false representation by a person or business to get Medicare payments. Some examples of fraud include:

- offers of goods or money in exchange for your Medicare Number.
- telephone or door to door offers of free medical services or items and
- claims for Medicare services or items you did not receive. If you think a person or business is involved in fraud, you should call Medicare at the Customer Service telephone number on the front of this notice.

Deductible Information:

You have now met \$155.00 of your \$155.00 Part B deductible for 2010.

You have met the Part B deductible for 2011.

General Information:

You have the right to request an itemized statement which details each Medicare item or service which you have received from your physician, hospital, or any other health supplier or health professional. Please contact them directly, in writing, if you would like an itemized statement.

Want to see your latest claims? Visit MyMedicare.gov on the web any time, day, or night, and get the most out of your Medicare. Your personalized Medicare information is waiting for you online.

If you aren't due a payment check from Medicare, your Medicare Summary Notices (MSN) will now be mailed to you on a quarterly basis. You will no longer get a monthly statement in the mail for these types of MSNs. You will now get a statement every 90 days summarizing all of your Medicare claims. Your provider may send you a bill that you may need to pay before you get your MSN. When you get your MSN, look to see if you paid more than the MSN says is due. If you paid more, call your provider about a refund. If you have any questions about the bill from your provider, you should call your provider.

Please have your complete Medicare number with you when you call 1-800-MEDICARE so your record can be located. For your protection this MSN does not include your entire number.

If you change your address, contact the Social Security Administration by calling 1-800-772-1213.

Your claims may have been adjusted since Medicare changed how it pays for certain services in 2010. You can compare claims that have been changed to previous statements you received in the past. Your provider may owe you a refund or you may have to pay more coinsurance. Call your provider or 1-800-MEDICARE.

THIS IS NOT A BILL - Keep this notice for your records.

IMPORTANT INFORMATION YOU SHOULD KNOW. ABOUT YOUR MEDICARE BENEFITS

For more information about services covered by Medicare, please see your Medicare Handbook.

PART A HOSPITAL INSURANCE (INPATIENT)

helps pay for inpatient hospital care, inpatient care in a skilled nursing facility following a hospital stay, home health care and hospice care. Inpatient services are measured in benefit periods. A benefit period begins the first time you receive Medicare covered inpatient hospital care and ends when you have been out of the hospital or skilled nursing facility for 60 consecutive days. There is no limit to the number of benefit periods you may have.

THE AMOUNT YOU MAY BE BILLED for Part A services includes:

- an inpatient hospital deductible once during each benefit period,
- a coinsurance amount for the 61st through the 90th days of a hospital stay during each benefit period,
- a coinsurance amount for each Lifetime Reserve Day, which can be used if you have to stay in the hospital more than 90 days in one benefit period. Lifetime Reserve Days may be used only once.
- a blood deductible for the first three pints of unreplaced blood furnished to you in a calendar year in some states.
- an inpatient coinsurance for the 21st through the 100th days of a Medicare covered stay in a skilled nursing facility,
- charges for services or supplies that are not covered by Medicare. You may not have to pay for certain denied services. If so, a NOTE on the front will tell you.

PART B MEDICAL INSURANCE (OUTPATIENT FACILITIES) helps pay for care provided by certified medical facilities, such as hospital outpatient departments, renal dialysis facilities, and community health centers.

THE AMOUNT YOU MAY BE BILLED for Part B services includes:

- an annual deductible, taken from the first Medicare Part B charges each year;
- after the deductible has been met for the year, depending on services received, a coinsurance amount (20 percent of the amount charged), or a fixed copayment for each service; and
- charges for services or supplies that are not covered by Medicare. You may not have to pay for certain denied services. If so, a note on the front will tell you.

If you have supplemental insurance, it may help to pay the amounts you may be billed. If you use this notice to claim supplemental benefits from another insurance company, make a copy for your records.

WHEN OTHER INSURANCE PAYS FIRST: All

Medicare payments are made on the condition that you will pay Medicare back if benefits could be paid by insurance that is primary to Medicare. Types of insurance that should pay before Medicare include employer group health plans, no-fault insurance, automobile medical insurance, liability insurance and worker's compensation. Notify us right away if you have filed or could file a claim with insurance that is primary to Medicare.

YOUR RIGHT TO APPEAL: If you disagree with what Medicare approved for these services, you may appeal the decision. You must file your appeal within 120 days of the date you receive this notice. Unless you show us otherwise, we assume you received this notice 5 days after the date of this notice. Follow the appeal instructions on the front of the last page of this notice. If you want help with your appeal, a friend or someone else can help you. Also, groups such as legal aid services may provide free assistance. To contact us for the names and telephone numbers of groups in your area, please see our Customer Service Information box on the front of this notice

HELP STOP MEDICARE FRAUD: Fraud is a false representation by a person or business to get Medicare payments. Some examples of fraud include:

- offers of goods or money in exchange for your Medicare Number
- telephone or door to door offers of free medical services or items, and
- claims for Medicare services/items you did not receive. If you think a person or business is involved in fraud, you should call Medicare at the Customer Service telephone number on the front of this notice.

IMPORTANT INFORMATION You Should Know About Your Medicare Part B Benefits

For more information about services covered by Medicare, please see your Medicare Handbook.

DICARE PART B MEDICAL INSURANCE:

Medicare Part B helps pay for doctors' services, diagnostic tests, ambulance services, durable medical equipment and other health care services. Medicare Part A Hospital Insurance helps pay for inpatient hospital care, inpatient care in a skilled nursing facility following a hospital stay, home health care and hospice care. You will be sent a separate notice if you received Part A services or any outpatient facility services.

MEDICARE ASSIGNMENT: Medicare Part B claims may be assigned or unassigned. Providers who accept assignment agree to accept the Medicare approved amount as total payment for covered services. Medicare pays its share of the approved amount directly to the provider. You may be billed for unmet portions of the annual deductible and the coinsurance. You may contact us at the telephone number in the Customer Service Information box on the front of this notice for a list of participating providers who always accept assignment. You may save money by choosing a participating provider.

Doctors who submit unassigned claims have not agreed to accept Medicare's approved amount as payment in full. Generally, Medicare pays you 80 percent of the approved amount after subtracting any part of the annual deductible you have not met. A doctor who does not accept assignment

y charge you up to 115 percent of the Medicare proved amount. This is known as the Limiting Charge. Some states have additional payment limits. The NOTES section on the front of this notice will tell you if a doctor has exceeded the Limiting Charge and the correct amount to pay your doctor under the law.

YOUR RESPONSIBILITY: The amount in the You May Be Billed column is your share of cost for the services shown on this notice. You are responsible for:

- annual deductible: taken from the first Medicare Part B approved charges each calendar year,
- coinsurance: 20 percent of the Medicare approved amount after the deductible has been met for the year.
- the amount billed, up to the limiting charge, for unassigned claims and
- charges for services/supplies that are not covered by Medicare. You may not have to pay for certain denied services. If so, a NOTE on the front will tell you.

If you have supplemental insurance, it may help you pay these amounts. If you use this notice to claim supplemental benefits from another insurance company, make a copy for your records.

WHEN OTHER INSURANCE PAYS FIRST: All

Medicare payments are made on the condition that you will pay Medicare back if benefits could be paid by insurance that is primary to Medicare. Types of insurance that should pay before Medicare include employer group health plans, no-fault insurance, automobile medical insurance, liability insurance and workers compensation. Notify us right away if you have filed or could file a claim with insurance that is primary to Medicare.

HELP STOP MEDICARE FRAUD: Fraud is a false representation by a person or business to get Medicare payments. Some examples of fraud include:

- offers of goods or money in exchange for your Medicare Number,
- telephone or door to door offers of free medical services or items and
- claims for Medicare services or items you did not receive. If you think a person or business is involved in fraud, you should call Medicare at the Customer Service telephone number on the front of this notice.

INSURANCE COUNSELING AND ASSISTANCE:

Insurance Counseling and Assistance programs are located in every State. These programs have volunteer counselors who can give you free assistance with Medicare questions, including enrollment, entitlement, Medigap and premium issues. If you would like to know how to get in touch with your local Insurance Counseling and Assistance Program Counselor, please call us at the number shown in the Customer Service Information box on the front of this notice.

Deductible Information:

You have met the Part B deductible for 2009.

You have met the Part B deductible for 2011.

General Information:

You have the right to request an itemized statement which details each Medicare item or service which you have received from your physician, hospital, or any other health supplier or health professional. Please contact them directly, in writing, if you would like an itemized statement.

Want to see your latest claims? Visit MyMedicare.gov on the web any time, day, or night, and get the most out of your Medicare. Your personalized Medicare information is waiting for you online.

If you aren't due a payment check from Medicare, your Medicare Summary Notices (MSN) will now be mailed to you on a quarterly basis. You will no longer get a monthly statement in the mail for these types of MSNs. You will now get a statement every 90 days summarizing all of your Medicare claims. Your provider may send you a bill that you may need to pay before you get your MSN. When you get your MSN, look to see if you paid more than the MSN says is due. If you paid more, call your provider about a refund. If you have any questions about the bill from your provider, you should call your provider.

Please have your complete Medicare number with you when you call 1-800-MEDICARE so your record can be located. For your protection this MSN does not include your entire number.

If you change your address, contact the Social Security Administration by calling 1-800-772-1213.

Your claims may have been adjusted since Medicare changed how it pays for certain services in 2010. You can compare claims that have been changed to previous statements you received in the past. Your provider may owe you a refund or you may have to pay more coinsurance. Call your provider or 1-800-MEDICARE.

Appeals Information - Part B

If you disagree with any claims decision on this notice, your appeal must be received by April 24, 2012. Follow the instructions below:

- 1) Circle the item(s) you disagree with and explain why you disagree.
- 2) Send this notice, or a copy, to the following address: Medicare Part B, P.O. Box 660156, Dallas, TX 75266-0156. (You may also send any additional information you may have about your appeal.)

General Information:

You have the right to make a request in writing for an itemized statement which details each Medicare item or service which you have received from your physician, hospital, or any other health supplier or health professional. Please contact them directly, in writing, if you would like an itemized statement.

Compare the services you receive with those that appear on your Medicare Summary Notice. If you have questions, call your doctor or provider. If you feel further investigation is needed due to possible fraud or abuse, call the phone number in the Customer Service Information Box.

Want to see your latest claims? Visit MyMedicare.gov on the web any time, day or night, and get the most out of your Medicare. Your personalized Medicare information is waiting for you online.

If you aren't due a payment check from Medicare, your Medicare Summary Notices (MSN) will now be mailed to you on a quarterly basis. You will no longer get a monthly statement in the mail for these types of MSNs. You will now get a statement every 90 days summarizing all of your Medicare claims. Your provider may send you a bill that you may need to pay before you get your MSN. When you get your MSN, look to see if you paid more than the MSN says is due. If you paid more, call your provider about a refund. If you have any questions about the bill from your provider, you should call your provider.

Please have your complete Medicare number with you when you call 1-800-MEDICARE so your record can be located. For your protection this MSN does not include your entire number.

If you change your address, contact the Social Security Administration by calling 1-800-772-1213.

Medicare covers cardiovascular screenings that check your cholesterol and other blood fat levels and screenings to check for diabetes. Talk to your doctor or call 1-800-MEDICARE (1-800-633-4227) for more information.

IMPORTANT INFORMATION YOU SHOULD KNOW ABOUT YOUR MEDICARE BENEFITS

For more information about services covered by Medicare, please see your Medicare Handbook.

ART A HOSPITAL INSURANCE (INPATIENT)

helps pay for inpatient hospital care, inpatient care in a skilled nursing facility following a hospital stay, home health care and hospice care. Inpatient services are measured in benefit periods. A benefit period begins the first time you receive Medicare covered inpatient hospital care and ends when you have been out of the hospital or skilled nursing facility for 60 consecutive days. There is no limit to the number of benefit periods you may have.

THE AMOUNT YOU MAY BE BILLED for Part A services includes:

- an inpatient hospital deductible once during each benefit period,
- a coinsurance amount for the 61st through the 90th days of a hospital stay during each benefit period,
- a coinsurance amount for each Lifetime Reserve Day, which can be used if you have to stay in the hospital more than 90 days in one benefit period. Lifetime Reserve Days may be used only once.
- a blood deductible for the first three pints of unreplaced blood furnished to you in a calendar year in some states.
- an inpatient coinsurance for the 21st through the 100th days of a Medicare covered stay in a skilled nursing facility,
- charges for services or supplies that are not covered by Medicare. You may not have to pay for certain denied services. If so, a NOTE on the front will tell you.

PART B MEDICAL INSURANCE (OUTPATIENT

FACILITIES) helps pay for care provided by certified medical facilities, such as hospital outpatient departments, renal dialysis facilities, and community health centers.

THE AMOUNT YOU MAY BE BILLED for Part B services includes:

- an annual deductible, taken from the first Medicare
 Part B charges each year;
- after the deductible has been met for the year, depending on services received, a coinsurance amount (20 percent of the amount charged), or a fixed copayment for each service; and
- charges for services or supplies that are not covered by Medicare. You may not have to pay for certain denied services. If so, a note on the front will tell you.

If you have supplemental insurance, it may help to pay the amounts you may be billed. If you use this notice to claim supplemental benefits from another insurance company, make a copy for your records.

WHEN OTHER INSURANCE PAYS FIRST: All

Medicare payments are made on the condition that you will pay Medicare back if benefits could be paid by insurance that is primary to Medicare. Types of insurance that should pay before Medicare include employer group health plans, no-fault insurance, automobile medical insurance, liability insurance and worker's compensation. Notify us right away if you have filed or could file a claim with insurance that is primary to Medicare.

YOUR RIGHT TO APPEAL: If you disagree with what Medicare approved for these services, you may appeal the decision. You must file your appeal within 120 days of the date you receive this notice. Unless you show us otherwise, we assume you received this notice 5 days after the date of this notice. Follow the appeal instructions on the front of the last page of the notice. If you want help with your appeal, a friend or someone else can help you. Also, groups such as legal aid services may provide free assistance. To contact us for the names and telephone numbers of groups in your area, please see our Customer Service Information box on the front of this notice.

HELP STOP MEDICARE FRAUD: Fraud is a false representation by a person or business to get Medicare payments. Some examples of fraud include:

- offers of goods or money in exchange for your Medicare Number
- telephone or door to door offers of free medical services or items, and
- claims for Medicare services/items you did not receive. If you think a person or business is involved in fraud, you should call Medicare at the Customer Service telephone number on the front of this notice.

INSURANCE COUNSELING AND ASSISTANCE:

Insurance Counseling and Assistance programs are located in every state. These programs have volunteer counselors who can give you free assistance with Medicare questions, including enrollment, entitlement, Medigap, and premium issues. If you would like to know how to get in touch with your local Insurance Counseling and Assistance Program Counselor, please call us at the number shown in the Customer Service Information box on the front of this notice.

c This information is being sent to your private insurer(s). Send any questions regarding your benefits to them.

General Information:

Medicare may pay for services that you get while on board a ship within the territorial waters of the United States. In rare cases, Medicare may pay for inpatient hospital, doctor, or ambulance services you get if you are traveling through the territorial waters of Canada without unreasonable delay by the most direct route between Alaska and another state when a medical emergency occurs and the Canadian hospital is closer than the nearest U.S. hospital that can treat the emergency. Medicare won't pay for this service since you didn't meet these requirements.

Compare the services you receive with those that appear on your Medicare Summary Notice. If you have questions, call your doctor or provider. If you feel further investigation is needed due to possible fraud or abuse, call the phone number in the Customer Service Information Box.

If you are not due a payment check from Medicare, your Medicare summary notices (MSN) will now be mailed to you on a quarterly basis. You will no longer receive a monthly statement in the mail for these types of MSNs. You will now receive a statement every 90 days summarizing all of your Medicare claims. You may receive a bill from your provider before you receive an MSN. Please compare the MSN with the bill from your provider to ensure you paid the appropriate amount for your services.
