Customer Service Information

If you have any questions, call 1-800-935-6215, 24 hours a day, 7 days a week, except Thanksgiving and Christmas. TTY/TDD users should call 1-800-716-3231. Or, visit www.medco.com on the Web.

The Plan has retail, retail maintenance, mail-order, long-term care, home infusion and Indian/Tribal/Urban pharmacies in its network. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by the Plan. In most cases, your prescriptions are covered under the Plan only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription; you can go to any of our network pharmacies. We will fill prescriptions at out-of-network pharmacies under certain circumstances, as described in your Evidence of Coverage.

Year-to-date totals 1/1/2011 through 7/31/2011	Plan paid	You paid	Other payments (made by programs or organizations; see Section 3)
<p>Your year-to-date amount for "out-of-pocket costs" is \$817.48.</p> <p>Your year-to-date amount for "total drug costs" is \$3,551.05.</p> <p>For more about "out-of-pocket costs" and "total drug costs", see Section 3.</p>	<p>\$2,585.99 (year-to-date total)</p>	<p>\$624.88 (year-to-date total)</p> <p>(Of this amount, \$624.88 counts toward your "out-of-pocket costs".)</p>	<p>\$340.18 (year-to-date total)</p> <p>(Of this amount, \$192.60 counts toward your "out-of-pocket costs." See definitions in Section 3.)</p>

SECTION 2. Which "drug payment stage" are you in?

As shown below, your prescription drug coverage has "drug payment stages." How much you pay for a prescription depends on which payment stage you are in when you fill it. During the calendar year, whether you move from one payment stage to the next depends on how much is spent for your drugs.

You are in this stage:			
<p>STAGE 1 Yearly Deductible</p> <ul style="list-style-type: none"> • During this payment stage, you (or others on your behalf) pay the full cost of your brand-name drugs. • You generally pay the full cost of your brand-name drugs until you (or others on your behalf) have paid \$310.00 for your brand-name drugs (\$310.00 is the amount of your brand name deductible). 	<p>STAGE 2 Initial Coverage</p> <ul style="list-style-type: none"> • During this payment stage, the plan pays its share of the cost of your drugs and you (or others on your behalf) pay your share of the cost. • You generally stay in this stage until the amount of your year-to-date "total drug costs" reaches \$2,840.00. Then you move to payment stage 3, Coverage Gap. 	<p>STAGE 3 Coverage Gap</p> <ul style="list-style-type: none"> • Once you reach this Stage, manufacturer discounts apply when you purchase brand drugs so that when coupled with the amount the Plan pays, the amount you pay is similar to what you pay prior to entry into the Coverage Gap stage. • You generally stay in this stage until the amount of your year-to-date "out-of-pocket costs" reaches \$4,550.00. As of 07/31/2011 your year-to-date "out-of-pocket costs" was \$817.48 (see Section 3). 	<p>STAGE 4 Catastrophic Coverage</p> <ul style="list-style-type: none"> • During this payment stage, the plan pays most of the cost for your covered drugs. • You generally stay in this stage for the rest of the calendar year (through December 31, 2011).
What happens next?			
<ul style="list-style-type: none"> • Once you (or others on your behalf) have paid an additional \$3,732.52 in "out-of-pocket costs", you move to the next payment stage (stage 4, Catastrophic Coverage). 			

SECTION 3. Your "out-of-pocket costs" and "total drug costs" (amounts and definitions)

We're including this Section to help you keep track of your "out-of-pocket costs" and "total drug costs" because these costs determine which drug payment stage you are in. As explained in Section 2, the payment stage you are in determines how much you pay for your prescriptions.

Your "out-of-pocket costs"
\$68.78 month of July 2011
\$817.48 year-to-date (since January 2011)

DEFINITION:
"Out-of-pocket costs" includes:

- What you pay when you fill or refill a prescription for a covered Part D drug. (This includes payments for your drugs, if any, that are made by family or friends.)
- Payments made for your drugs by any of the following programs or organizations: "Extra Help" from Medicare; Medicare's Coverage Gap Discount Program; Indian Health Service; AIDS drug assistance programs; most charities; and most State Pharmaceutical Assistance Programs (SPAPs).

It does not include:

- Payments made for: a) plan premiums, b) drugs not covered by our plan, c) non-Part D drugs (such as drugs you receive during a hospital stay), d) drugs covered by our plan's Supplemental Drug Coverage, e) drugs obtained at a non-network pharmacy that does not meet our out-of-network pharmacy access policy.
- Payments made for your drugs by any of the following programs or organizations: employer or union health plans; some government-funded programs, including TRICARE and the Veteran's Administration; Worker's Compensation; and some other programs.

Your "total drug costs"
\$151.60 month of July 2011
\$3,551.05 year-to-date (since January 2011)

DEFINITION:
"Total drug costs" is the total of all payments made for your covered Part D drugs. It includes:

- What the plan pays.
- What you pay.
- What others (programs or organizations) pay for your drugs.

NOTE: Our plan offers Supplemental Drug Coverage for some drugs not generally covered by Medicare. If you have filled any prescriptions for these drugs this month, they are listed in a separate chart (Chart 2) in Section 1. The amounts paid for these drugs do not count toward your out-of-pocket costs or total drug costs.

Learn More: Medicare has made the rules about which types of payments count and do not count toward "out-of-pocket costs" and "total drug costs". The definitions on this page give you only the main rules. For details, including more about "covered Part D drugs", see the *Evidence of Coverage*, our benefits booklet (for more about the *Evidence of Coverage*, see Section 6).

SECTION 4. Updates to the plan's Drug List that will affect drugs you take

At this time, there are no upcoming changes to our Drug List that will affect the coverage or cost of **drugs you take**. (By "drugs you take", we mean any plan-covered drugs for which you filled prescriptions in 2011 as a member of our plan.)

SECTION 5. If you see mistakes on this summary or have questions, what should you do?

If you have questions, call us

If something is confusing or doesn't look right on this monthly prescription drug summary, please call us at Medco Medicare Prescription Plan Member Services (phone numbers are on the cover of this summary). You can also find answers to many questions at our website: www.medco.com.

What about possible fraud?

Most health care professionals and organizations that provide Medicare services are honest. Unfortunately, there may be some who are dishonest.

If this monthly summary shows drugs you're not taking, or anything else that looks suspicious to you, please contact us.

- Call us at Medco Medicare Prescription Plan Member Services (phone numbers are on the cover of this summary).
- Or, call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.

SECTION 6. Important things to know about your drug coverage and your rights

Your "Evidence of Coverage" has the details about your drug coverage and costs

The *Evidence of Coverage* is our plan's benefits booklet. It explains your drug coverage and the rules you need to follow when you are using your drug coverage.

We have sent you a copy of the *Evidence of Coverage*. If you need another copy, please call us (phone numbers are on the cover of this summary).

Remember, to get your drug coverage under our plan you must use pharmacies in our network, except in certain circumstances. Also, quantity limitations and restrictions may apply.

What if you have problems related to coverage or payments for your drugs?

Your *Evidence of Coverage* has step-by-step instructions that explain what to do if you have problems related to your drug coverage and costs. Here are the chapters to look for:

- Chapter 5. Asking the plan to pay its share of a bill you have received for covered services or drugs.
- Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints).

Here are things to keep in mind:

- When we decide whether a drug is covered and how much you pay, it's called a "coverage decision". If you disagree with our coverage decision, you can appeal our decision (see Chapter 7 of the *Evidence of Coverage*).
- Medicare has set the rules for how coverage decisions and appeals are handled. These are legal procedures and the deadlines are important. The process can be done if your doctor tells us that your

(continue)

health requires a quick decision.

Please ask for help if you need it. Here's how:

- You can call us at Medco Medicare Prescription Plan for Chevron Member Services (phone numbers are on the cover of this monthly summary).
- You can call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.
- You can call your State Health Insurance Assistance Program (SHIP). The name and phone numbers for this organization are in Chapter 2, Section 3 of your *Evidence of Coverage*.

Did you know there are programs to help people pay for their drugs?

- **"Extra Help" from Medicare.** You may be able to get Extra Help to pay for your prescription drug premiums and costs. This program

is also called the "low-income subsidy" or LIS. People whose yearly income and resources are below certain limits can qualify for this help. To see if you qualify for getting Extra Help, see Section 3 of your *Medicare & You 2011* handbook or call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week. You can also call the Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call 1-800-325-0778. You can also call your State Medicaid Office.

- **Help from your state's pharmaceutical assistance program.** Many states have State Pharmaceutical Assistance Programs (SPAPs) that help some people pay for prescription drugs based on financial need, age, or medical condition. Each state has different rules. Check with your State Health Insurance Assistance Program (SHIP). The name and phone numbers for this organization are in Chapter 2, Section 3 of your *Evidence of Coverage*.

SECTION 2. Which "drug payment stage" are you in?

As shown below, your prescription drug coverage has "drug payment stages." How much you pay for a prescription depends on which payment stage you are in when you fill it. During the calendar year, whether you move from one payment stage to the next depends on how much is spent for your drugs.

STAGE 1 Yearly Deductible

- During this payment stage, you (or others on your behalf) pay the full cost of your brand-name drugs.
- You generally pay the full cost of your brand-name drugs until you (or others on your behalf) have paid \$310.00 for your brand-name drugs (\$310.00 is the amount of your brand name deductible).

STAGE 2 Initial Coverage

- During this payment stage, the plan pays its share of the cost of your drugs and you (or others on your behalf) pay your share of the cost.
- You generally stay in this stage **until the amount of your year-to-date "total drug costs" reaches \$2,840.00.** Then you move to payment stage 3, Coverage Gap.

You are in this stage:

STAGE 3 Coverage Gap

- Once you reach this Stage, manufacturer discounts apply when you purchase brand drugs so that when coupled with the amount the Plan pays, the amount you pay is similar to what you pay prior to entry into the Coverage Gap stage.
- You generally stay in this stage until the amount of your year-to-date "out-of-pocket costs" reaches \$4,550.00. As of 08/31/2011 your year-to-date "out-of-pocket costs" was \$1,250.14 (see Section 3).

STAGE 4 Catastrophic Coverage

- During this payment stage, the plan pays **most** of the cost for your covered drugs.
- You generally stay in this stage for the rest of the calendar year (through December 31, 2011).

What happens next?

- Once you (or others on your behalf) have paid an **additional \$3,299.86 in "out-of-pocket costs"**, you move to the next payment stage (stage 4, Catastrophic Coverage).

SECTION 3. Your "out-of-pocket costs" and "total drug costs" (amounts and definitions)

We're including this Section to help you keep track of your "out-of-pocket costs" and "total drug costs" because these costs determine which drug payment stage you are in. As explained in Section 2, the payment stage you are in determines how much you pay for your prescriptions.

<p>Your "out-of-pocket costs" \$432.66 month of August 2011 \$1,250.14 year-to-date (since January 2011)</p>
--

<p>Your "total drug costs" \$772.78 month of August 2011 \$4,323.83 year-to-date (since January 2011)</p>

DEFINITION:
"Out-of-pocket costs" includes:

- What you pay when you fill or refill a prescription for a covered Part D drug. (This includes payments for your drugs, if any, that are made by family or friends.)
- Payments made for your drugs by any of the following programs or organizations: "Extra Help" from Medicare; Medicare's Coverage Gap Discount Program; Indian Health Service; AIDS drug assistance programs; most charities; and most State Pharmaceutical Assistance Programs (SPAPs).

It does not include:

- Payments made for: a) plan premiums, b) drugs not covered by our plan, c) non-Part D drugs (such as drugs you receive during a hospital stay), d) drugs covered by our plan's Supplemental Drug Coverage, e) drugs obtained at a non-network pharmacy that does not meet our out-of-network pharmacy access policy.
- Payments made for your drugs by any of the following programs or organizations: employer or union health plans; some government-funded programs, including TRICARE and the Veteran's Administration; Worker's Compensation; and some other programs.

DEFINITION:
"Total drug costs" is the total of all payments made for your covered Part D drugs. It includes:

- What the plan pays.
- What you pay.
- What others (programs or organizations) pay for your drugs.

NOTE: Our plan offers Supplemental Drug Coverage for some drugs not generally covered by Medicare. If you have filled any prescriptions for these drugs this month, they are listed in a separate chart (Chart 2) in Section 1. The amounts paid for these drugs do not count toward your out-of-pocket costs or total drug costs.

Learn More: Medicare has made the rules about which types of payments count and do not count toward "out-of-pocket costs" and "total drug costs". The definitions on this page give you only the main rules. For details, including more about "covered Part D drugs", see the *Evidence of Coverage*, our benefits booklet (for more about the *Evidence of Coverage*, see Section 6).

SECTION 4. Updates to the plan's Drug List that will affect drugs you take

At this time, there are no upcoming changes to our Drug List that will affect the coverage or cost of **drugs you take**. (By "drugs you take", we mean any plan-covered drugs for which you filled prescriptions in 2011 as a member of our plan.)

SECTION 2. Which "drug payment stage" are you in?

As shown below, your prescription drug coverage has "drug payment stages." How much you pay for a prescription depends on which payment stage you are in when you fill it. During the calendar year, whether you move from one payment stage to the next depends on how much is spent for your drugs.

STAGE 1
Yearly Deductible

- During this payment stage, you (or others on your behalf) pay the full cost of your brand-name drugs.
- You generally pay the full cost of your brand-name drugs until you (or others on your behalf) have paid \$310.00 for your brand-name drugs (\$310.00 is the amount of your brand name deductible).

STAGE 2
Initial Coverage

- During this payment stage, the plan pays its share of the cost of your drugs and you (or others on your behalf) pay your share of the cost.
- You generally stay in this stage until the amount of your year-to-date "total drug costs" reaches \$2,840.00. Then you move to payment stage 3, Coverage Gap.

You are in this stage:

STAGE 3
Coverage Gap

- Once you reach this Stage, manufacturer discounts apply when you purchase brand drugs so that when coupled with the amount the Plan pays, the amount you pay is similar to what you pay prior to entry into the Coverage Gap stage.
- You generally stay in this stage until the amount of your year-to-date "out-of-pocket costs" reaches \$4,550.00. As of 09/30/2011 your year-to-date "out-of-pocket costs" was \$1,538.01 (see Section 3).

STAGE 4
Catastrophic Coverage

- During this payment stage, the plan pays **most** of the cost for your covered drugs.
- You generally stay in this stage for the rest of the calendar year (through December 31, 2011).

What happens next?

- Once you (or others on your behalf) have paid an **additional \$3,011.99 in "out-of-pocket costs"**, you move to the next payment stage (stage 4, Catastrophic Coverage).

SECTION 3. Your "out-of-pocket costs" and "total drug costs" (amounts and definitions)
