COST BASIS DISCLOSURE

IRS regulations require that Computershare and other brokers/agents provide additional information to you and to the IRS when you sell certain securities. If you sold or transferred shares/units and did not specify a cost basis calculation method we have defaulted to either the first in, first out (FIFO) for equity issuers or for certain closed-end funds, average cost basis method. All covered and noncovered information set forth in this document is for informational purposes. The information is based on data in our records as of the date of this mailing. Cost basis data may be subject to change based on events such as wash sales, splits and spinoffs. If cost basis data was not available, the information was left blank. Computershare cannot confirm the accuracy or completeness of noncovered transactions. You should review your records for accurate information regarding the subject transactions and consult your tax adviser with any questions concerning your tax reporting obligations.

DEFINITIONS

Acquisition Date: The date the shares/units are considered acquired for cost basis purposes. This may be the original date you acquired the shares/units or a date adjusted for events such as wash sales. There may be multiple dates related to a single transaction if shares/units were acquired at different times or prices.

Class Description: Describes the class of security held, e.g., Class A Common Stock.

Closing Balance: The number of shares/units held by you as of the date noted.

Cost Basis: The amount that you paid for the shares/units, adjusted for changes such as wash sales, splits and spinoffs.

Covered: A term the IRS uses to refer to securities that must have their cost basis information directly reported on IRS Form 1099-B.

CUSIP: A unique number assigned by the securities industry for a particular security (Committee on Uniform Security Identification Procedures).

Dividend Rate: The cash dividend payment per each share/unit owned by you on the record date.

Gross Amount: The amount of dividends paid, or cash invested, or proceeds from a sale of shares, before deduction of fees and taxes.

Gross Dividend: The cash dividend payable to you, on shares/units reinvested, before the deduction of fees and taxes.

Holder Account Number: Your unique account number for the account where your share/unit holdings and transactions have been recorded.

Market Value: The total value of the shares/units held by you, based on the applicable stock exchange closing price, as of the statement date. This is equal to the closing balance multiplied by the price per share/unit.

Net Amount: The amount of money you invested or received after deduction of fees and taxes.

Net Dividend Reinvested: Net cash dividend applied to purchase additional shares/units. This equals the gross dividend less any taxes and fees deducted.

Noncovered: A term used to describe securities that are not considered covered by the IRS and will not have cost basis reported on IRS Form 1099-B. You are still required to report gain/loss details on your income tax return. You may obtain the necessary information by reviewing historical purchase data as you would have before the new regulations. Please consult your tax advisor for proper guidance.

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to either the first in, first out (FIFO) for equity issuers or for certain closed-end funds, average cost basis method. Please note that Closed-End Funds and/or Registered Investment Companies are not required to report cost basis until January 1, 2012. Please visit our website or consult your tax advisor if you need additional information about cost basis.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

Computershare will deposit these shares into your plan account and hold them electronically in book-entry form.
