Make sure we have cost basis for securities sold.

If you have sold or are planning to sell securities this year, make sure we have complete cost basis information. (Generally, cost basis is the original amount paid for a security, including commissions and fees, and adjusted for reinvestments of income and sales.) You may need your cost basis to calculate capital gain or loss for tax purposes. If we have this information on a sold security, we can include it in your year-end Consolidated 1099 Tax Statement, simplifying tax season for you. Contact your financial advisor today for more information.
