### Important Tax Information

All 2011 Consolidated 1099 Tax Statements have been sent to clients. Everyone, including clients who previously received a "Figures Not Final" 1099 for CMOs, REMICs, unit investment grantor trusts, HOLDR trusts or royalty trust securities, should have received a final 1099 by now. Visit us at [www.edwardjones.com/taxcenter](http://www.edwardjones.com/taxcenter) for more information about securities taxation and the new cost basis regulations.

### High oil prices are getting headlines.

Investors may worry that high oil prices could derail the strengthening economy. However, we believe the economy is strong enough to absorb higher oil prices. Any impact should be small, not severe, so investors shouldn't overreact. While headlines from the Middle East represent a risk, a well-diversified portfolio is designed to navigate risky waters and help you work toward your long-term financial goals. Contact your financial advisor for suggestions on how to best position your portfolio.
