1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. 1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. Instructions for Recipient

Box 1a. Shows total ordinary dividends that are taxable. Include this amount on line 9a of Form 1040 or 1040A. Also, report it on Schedule B (Form 1040) or Schedule 1 (Form 1040A), if required. The amount shown may be a distribution from an employee stock ownership plan (ESOP).

Report it as a dividend on your Form 1040/1040A but treat it as a plan distribution, not as investment income, for any other purpose.

Box 1b. Shows the portion of the amount in box 1a that may be eligible for the new 15% or 5% capital gains rates. See the form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 9b, Form 1040 or 1040A.

Box 2a. Shows total capital gain distributions (long-term) from a regulated investment company or real estate investment trust. Report the amounts shown in boxes 2a and 2b (see below) on Schedule D (Form 1040), line 13. But, if **no amount** is shown in boxes 2c-2f and your only capital gains and losses are capital gain distributions, you may be able to report the amounts shown in boxes 2a and 2b on lines 13a and 13b of Form 1040 (lines 10a and 10b of Form 1040A) rather than Schedule D. See the Form 1040/1040A instructions.

Box 2b. Shows the portion of the amount in box 2a that is post-May 5 capital gain distributions eligible for the new 15% and 5% capital gains rates. See box 2a above for how to report this amount.

Box 2c. Shows the portion of the amount in box 2a that is qualified 5-year gain that may be taxed at an 8% capital gains rate. Report this amount on Schedule D (Form 1040), line 35 (if required).

Box 2d. Shows the portion of the amount in box 2a that is unrecaptured section 1250 gain from certain depreciable real property. Report this amount on the **Unrecaptured Section 1250 Gain Worksheet** in the Schedule D instructions (Form 1040).

Box 2e. Shows the portion of the amount in box 2a that is section 1202 gain from certain small business stock that may be subject to a 50% exclusion. See the Schedule D (Form 1040) instructions.

Box 2f. Shows 28% rate gain from sales or exchanges of collectibles. If required, use this amount when completing the **28% Rate Gain Worksheet-Line 20** in the instructions for Schedule D (Form 1040).

Box 3. Shows the part of the distribution that is nontaxable because it is a return of your cost (or other basis). You must reduce your cost (or other basis) by this amount for figuring gain or loss when you sell your stock. But if you get back all your cost (or other basis), report future nontaxable distributions as capital gains, even though this form shows them as nontaxable. See **Pub. 550**, Investment Income and Expenses.

Box 4. Shows backup withholding. For example, a payer must backup withhold on certain payments at a 28% rate if you did not give your taxpayer identification number to the payer. See **Form W-9**, Request for Taxpayer Identification Number and Certification, for information on backup withholding. **Include this amount on your income tax return as tax withheld.**

Box 5. Shows your share of expenses of a nonpublicly offered regulated investment company, generally a non publicly offered mutual fund. If you file Form 1040, you may deduct these expenses on the "Other expenses" line on Schedule A (Form 1040) subject to the 2% limit. This amount is included in box 1a.

Box 6. Shows the foreign tax you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 instructions.

Box 8 and 9. Shows cash and noncash liquidation distributions.

Nominees. If this form includes amounts belonging to another person, you are considered a nominee recipient. You must file Form 1099-DIV with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. A husband or wife is not required to file a nominee return to show amounts owned by the other. See the **2003 General Instructions for Forms 1099, 1098, 5498, and W-2G.**

EXXON CORPORATION

SHAREHOLDER INVESTMENT PROGRAM

Exxon Corporation ("Exxon" or the "Corporation") hereby offers participation in its Shareholder Investment Program (the "Program"). The Program is designed to provide investors with a convenient and economical way to purchase shares of the Corporation's Common Stock, no par value ("Common Stock"), and to reinvest all or a portion of their cash dividends in additional shares of Common Stock. See "Exxon Corporation Shareholder Investment Program."

Participants in the Program may:

- Automatically reinvest cash dividends on all or a portion of their certificated and Program shares.
- Invest by making optional cash payments at any time up to a maximum of \$100,000 per year.
- Deposit share certificates for safekeeping.

Shares of Common Stock required for the Program may be purchased in the open market, in privately negotiated transactions, or from the Corporation. At present, it is expected that such shares will be purchased on the New York Stock Exchange and that the Corporation will not receive any proceeds therefrom. The closing price of the Common Stock on August 1, 1995, on the New York Stock Exchange consolidated tape, was \$71.375 per share. Shares will be credited to participant accounts at the average price per share of all shares purchased or sold for participants with respect to the relevant Investment Date.

The Corporation will pay any applicable commissions or fees on participant purchases. In connection with market purchases, brokerage commissions paid by the Corporation on a participant's behalf are to be treated as distributions subject to income tax in the same manner as dividends.

The price of any shares purchased from the Corporation will be the average of the high and low sale prices of Common Stock as reported on the New York Stock Exchange consolidated tape on the date of purchase.

This Prospectus relates to 20,000,000 shares of Common Stock offered for purchase under the Program, approximately 9,000,000 of which have been purchased by participants prior to the date hereof.

Shareholders who do not choose to participate in the Program will continue to receive cash dividends, as declared, in the usual manner.

Shares offered under the Program to persons not presently shareholders of Exxon are offered through CS First Boston Corporation.

EXXON CORPORATION SHAREHOLDER INVESTMENT PROGRAM

The following includes a complete statement of the Program.

Purpose; Other Considerations

The purpose of the Program is to provide useful services for Exxon shareholders. In particular, the Program provides shareholders and others who wish to become shareholders with a convenient way to purchase Exxon Common Stock and to reinvest all or a portion of their cash dividends in additional shares of Common Stock. Nothing contained in this prospectus or in other Program information represents a recommendation by Exxon or anyone else that any person buy or sell Exxon stock. **A decision to utilize the Program should only be made after an investor has independently made the necessary investment decision.**

The value of Exxon stock may increase or decrease. Program accounts are not insured by the Securities Investor Protection Corporation, the Federal Deposit Insurance Corporation, or any other entity.

Advantages

- Participants pay no brokerage fees in connection with **purchases** of Common Stock under the Program.
- In addition to reinvestment of dividends, participants may invest additional funds in Common Stock through optional cash payments of not less than \$50 and not more than \$100,000 per calendar year. Optional investments may be made by check, money order, wire transfer, electronic funds transfer from a predesignated bank account, or, for eligible Exxon employees and retirees, payroll or annuity deduction. Optional investments may be made occasionally or at regular intervals, as the participant desires.
- Funds invested in the Program are fully invested through the purchase of fractions of shares, as well as full shares, and proportionate cash dividends on fractions of shares are used to purchase additional shares.
- Persons not presently owning shares of Common Stock may become participants by making an initial cash investment of at least \$250 to purchase shares under the Program.
- Participants may direct the Program Administrator to transfer, at any time and at no cost to the participant, all or a portion of the participant's Program shares to a Program account for another person.
- The Program offers a "share safekeeping" service whereby participants may deposit their Common Stock certificates with the Program Administrator and have their ownership of such Common Stock maintained on the Administrator's records as part of their Program account.

- Quarterly statements are mailed to each participant listing all transactions in the participant's account. The statement for the fourth quarter will reflect all account activity for the year.
- Participants may establish an IRA and contribute, transfer or roll over amounts to the IRA through a Program account.

Administration

The First National Bank of Boston (the "Administrator") will administer the Program, purchase and hold shares of Common Stock acquired under the Program, keep records, send statements of account activity to participants, and perform other duties related to the Program. Participants may contact the Administrator by writing to:

Exxon Shareholder Investment Program
 c/o Bank of Boston
 P.O. Box 9156
 Boston, MA 02205-9156

or by telephoning the Administrator toll free at (800) 252-1800. Operators are available between 8 a.m. and 7 p.m. Eastern time on business days and voice mail is available 24 hours a day. Written communications may also be sent to the Administrator by telefax. Participants should contact the Administrator for current telefax numbers.

The Administrator also currently serves as transfer agent, registrar, and dividend paying agent for the Corporation and may have other business relationships with the Corporation from time to time.

Eligibility

Any person or entity, whether or not a holder of record of shares of Common Stock, is eligible to participate in the Program, provided that (i) such person or entity fulfills the prerequisites for participation described below under "Enrollment Procedures" and (ii) in the case of citizens or residents of a country other than the United States, its territories, and possessions, participation would not violate local laws applicable to the Corporation or the participant.

Enrollment Procedures

After being furnished with a copy of this Prospectus, eligible applicants may join the Program by completing and signing an Enrollment Form and returning it to the Administrator. In order to participate in the Program, an enrollee must either deposit one or more share certificates with the Administrator for safekeeping, elect to reinvest cash dividends paid on one or more whole shares of Common Stock, or make an initial investment. Current registered shareholders should be sure to sign their names on the Enrollment Form exactly as they appear on their certificates. Non-shareholders must include an initial investment of at least \$250 (and not more than \$100,000) with their completed Enrollment Form (see "Optional Cash Investments and Initial Investments" below).

Beneficial owners of shares of Common Stock registered in the name of someone else (for example, a bank or broker) may participate in the Program by transferring some or all of those shares to the Administrator for their accounts (see "Transfer of Shares from a Broker" below).

Enrollment Forms will be processed as promptly as practicable. Participation in the Program will begin after the properly completed Enrollment Form has been accepted by the Administrator.

Investment Dates

The Program's "Investment Dates" are Thursday of each calendar week or, if Thursday is not a day on which financial markets in New York City are open for business, the next day on which they are so open.

Optional Cash Investments and Initial Investments

Participants may make optional cash investments by personal check or money order, wire investment, payroll or annuity deduction (eligible Exxon employees and retirees only), or automatic deduction from a bank account. Optional cash investments must be at least \$50 for any single investment and may not exceed \$100,000 per calendar year. There is no obligation to make an optional cash investment at any time, and the amount of such investments may vary from time to time.

Initial investments, for those who do not already own Common Stock, must be at least \$250, in the form of a personal check or money order, and must be included with the completed Enrollment Form returned to the Administrator, except that no minimum initial investment is required for eligible Exxon employees and retirees who initiate payroll or annuity deductions at the time of enrollment.

Optional cash investments and initial investments must be received by the Administrator no later than 12:00 Noon Eastern time one business day prior to an Investment Date to be invested beginning on that Investment Date. Otherwise, the optional cash investment or initial investment will be held by the Administrator and invested beginning on the next Investment Date. Upon a participant's written request received by the Administrator no later than two business days prior to the applicable Investment Date, an optional cash investment or initial investment not already invested under the Program will be cancelled or returned to the participant, as appropriate. However, no refund of a check or money order will be made until the funds have been actually received by the Administrator. Accordingly, such refunds may be delayed by up to three weeks.

No interest will be paid on amounts held by the Administrator pending investment. Accordingly, investors should transmit optional cash investments and initial investments so as to reach the Administrator shortly (but not later than 12:00 Noon Eastern time one business day) before an Investment Date. All optional cash investments and initial investments are subject to collection by the Administrator of full face value in U.S. funds.

See "Source and Price of Shares" below.

Investments may be made in the following ways:

Check Investment

Optional cash investments and initial investments may be made by personal check or money order payable in U.S. dollars to "BKB—Exxon". Optional cash investments must be mailed to the Administrator together with the Cash Investment and Other Transaction Form attached to each statement of account sent to participants. Additional Cash Investment and Other Transaction Forms are available upon request from the Administrator.

Wire Investment

Optional cash investments may be made by wire transfer to the Administrator. Participants who wish to make a wire transfer should contact the Administrator for instructions. Participants making wire investments may be charged fees by the commercial bank initiating the transfer.

Payroll or Annuity Deduction

Eligible employees of the Corporation and its subsidiaries who are paid through a U.S. payroll ("eligible employees"), and eligible persons receiving annuity payments from the Corporation or its subsidiaries through a U.S. benefits office ("eligible retirees"), may make optional cash investments under the Program by having specified amounts (not less than \$50 per month nor more than \$100,000 per calendar year) deducted from each paycheck or annuity check. To initiate payroll or annuity deduction, an eligible employee or eligible retiree in the Program must complete, sign, and return to the Administrator a Payroll or Annuity Deduction Authorization Form. Forms are available upon request from the Administrator. Forms will be processed and will become effective as promptly as practicable.

Exxon will make payroll or annuity deductions from each payroll or annuity check during the month and will promptly forward such funds to the Administrator. For purposes of the Program, annuity deductions on the first of the month will be included in the payment made to the Administrator for the prior month. The Administrator will invest funds in Common Stock once a month beginning on the first Investment Date. Accordingly, participants using this investment option should recognize that, depending on the applicable pay date, funds deducted from a particular paycheck or annuity check may not be invested by the Administrator for several weeks. **No interest will be paid on amounts held pending investment.**

Eligible employees and retirees who wish to enroll in the Program but who are not shareholders may satisfy the requirement for an initial investment by initiating payroll or annuity deduction at the time of enrollment.

Participants may change the amount of payroll or annuity deduction or terminate payroll or annuity deduction by completing and submitting a new Payroll or Annuity Deduction Authorization Form.

Automatic Investment from a Bank Account

Participants may make automatic monthly investments of a specified amount (not less than \$50 per month nor more than \$100,000 per calendar year) by electronic funds transfer from a pre-designated U.S. bank account.

To initiate automatic monthly deductions, the participant must complete and sign an Automatic Investment Form and return it to the Administrator together with a voided blank check for the account from which funds are to be drawn. Automatic Investment Forms may be obtained from the Administrator. Forms will be processed and will become effective as promptly as practicable.

Once automatic monthly deduction is initiated, funds will be drawn from the participant's designated bank account on the business day preceding the last Investment Date of each month, and will be invested in Common Stock beginning on that Investment Date.

Participants may change or terminate automatic monthly deduction by completing and submitting to the Administrator a new Automatic Investment Form. To be effective with respect to a particular month, however, the new Automatic Investment Form must be received by the Administrator prior to the last business day of the preceding calendar month.

Reinvestment of Cash Dividends

Participants may elect to reinvest cash dividends paid on all or a portion of the shares of Common Stock registered in their names and held in certificate form ("certificated shares") and the shares of Common Stock held in their Program accounts ("Program shares") by designating their election on the Enrollment Form. Participants electing partial reinvestment of cash dividends must designate the number of whole shares for which they want to receive cash dividends. Dividends paid on all other certificated and Program shares in the participant's name will be reinvested in additional shares of Common Stock.

Reinvestment levels may be changed from time to time as a participant desires by calling the Administrator. To be effective with respect to a particular Common Stock dividend, any change in the reinvestment election must be received by the Administrator on or before the record date for such dividend. The record date is usually about one month prior to the payment of the dividend. The Corporation has historically paid cash dividends on the 10th of March, June, September and December, or on the 11th if the 10th is a Sunday.

Once a participant elects reinvestment, cash dividends paid on certificated and Program shares standing in that participant's name will be reinvested in additional shares of Common Stock (see "Source and Price of Shares" below). If the participant has specified partial reinvestment, that portion of such dividend payment not being reinvested will be sent to the participant by check in the usual manner or by direct deposit, if the participant has elected the direct deposit option (see "Direct Deposit of

Dividends" below). The Administrator may, in its discretion, initiate purchase transactions for the reinvestment of dividends prior to the actual payment of dividends.

Termination of Participation

A participant may terminate participation in the Program at any time by giving written instructions to the Administrator. Upon termination, a certificate for any whole shares held in the Program for the participant will be issued. Alternatively, a participant may specify in the termination notice that all (but not less than all) whole Program shares be sold. The Administrator will make the sale beginning on the next Investment Date after receipt of the termination notice (see "Source and Price of Shares" below), and the participant will receive a check for the proceeds, less an administrative charge of \$5 and applicable brokerage commissions, if any (currently approximately \$.10 per share).

Whether whole Program shares are delivered or sold, participants terminating participation in the Program will receive a check for the cash value of any fractional share held in their Program accounts. Fractions of shares will be valued at the same price as whole shares sold with respect to the relevant Investment Date. After participation in the Program has been terminated, no further investments may be made without re-enrolling in the Program.

For participants who have elected to reinvest dividends: if notice of termination is received on or before the fifth business day preceding a dividend payment date, the termination will be processed as described above and a separate check for the dividends will be mailed following the payment date. If notice of termination is received after the fifth business day preceding a dividend payment date, the termination will be processed after giving effect to reinvestment of the applicable dividend.

Sale of Shares

Participants may request the Administrator to sell any number of whole shares held in their Program accounts by giving written instructions to the Administrator. The Administrator will make the sale beginning on the first Investment Date following receipt of the request (see "Source and Price of Shares" below). The participant will receive the proceeds, less an administrative charge of \$5 and applicable brokerage commissions, if any (currently approximately \$.10 per share). Proceeds of shares sold through the Program will be paid to the participant normally by check. A request to sell all shares held in a participant's account will be treated as a termination of participation in the Program (see "Termination of Participation" above).

For participants who have elected to reinvest dividends: if instructions for the sale of shares are received on or before the fifth business day preceding a dividend payment date, the sale will be processed as described above and a separate check for the dividends will be mailed following the payment date. If instructions for the sale of shares are received after the fifth business day preceding a dividend payment date, the sale will be processed after giving effect to reinvestment of the applicable dividend.

Source and Price of Shares

Source

To fulfill Program requirements, the Administrator may purchase or sell shares in the open market or in privately negotiated transactions. The Administrator may also, in its discretion, purchase shares from or sell shares to the Corporation, to the extent the Corporation makes shares available or is willing to purchase shares and subject to certain regulatory limitations on the frequency with which the Corporation can change its determination to do so. It is currently expected that shares will be purchased and sold on the New York Stock Exchange. Market transactions are effected through agents (currently, CS First Boston Corporation) engaged by the Administrator. The Administrator may commingle each participant's funds with those of other participants for the purpose of executing purchases, and may offset purchases of shares against sales of shares to be made for participants under the Program with respect to the same Investment Date, resulting in a net purchase or a net sale of shares.

The Administrator will purchase or sell shares as soon as practicable beginning on the relevant Investment Date and in no event later than 30 days (in the case of dividend reinvestment) or 35 days (in the case of initial and optional cash investments), respectively, after the relevant Investment Date, except where and to the extent necessary under any applicable federal securities laws or other government or stock exchange regulations.

Dividend and voting rights on purchased shares will commence upon settlement, which is normally three business days after purchase.

Shares purchased within a period of three (3) business days prior to and including a dividend record date are considered purchased "ex-dividend" and therefore are not entitled to payment of that dividend.

Price

Shares purchased or sold for a participant with respect to a particular Investment Date will be credited to the participant's account at the **weighted average price per share of all shares purchased or sold for participants**, as appropriate, with respect to that Investment Date. Shares purchased or sold in the open market or in privately negotiated transactions are subject to such terms and conditions, including price and delivery, as the Administrator may accept. The Corporation will pay any applicable commissions or fees on the purchase of shares, but participants will be charged with an administrative charge and any commissions on sales as described under "Sale of Shares" above. The price of shares purchased from or sold to the Corporation, if any, will be the average of the high and low sale prices of Common Stock as reported on the New York Stock Exchange consolidated tape on the date of the transaction.

Direct Deposit of Dividends

Through the Program's direct deposit feature, participants may elect to have any cash dividends not being reinvested under the Program paid by electronic funds

transfer to the participant's predesignated bank account. To receive such dividends by direct deposit, participants must first complete and sign the Direct Deposit Authorization Form and return the Form to the Administrator. Direct Deposit Authorization Forms are available upon request from the Administrator.

Forms will be processed and will become effective as promptly as practicable. Participants may change the designated account for direct deposit or discontinue this feature by written instruction to the Administrator. In order to be effective with respect to a particular dividend, the Direct Deposit Authorization form and any subsequent instructions must be received by the Administrator prior to the record date for the dividend.

Share Safekeeping

At the time of enrollment in the Program, or at any later time, participants may use the Program's "share safekeeping" service to deposit any Common Stock certificates in their possession with the Administrator. Shares deposited will be transferred into the name of the Administrator or its nominee and credited to the participant's account under the Program. Thereafter, such shares will be treated in the same manner as shares purchased through the Program.

By using the Program's share safekeeping service, participants no longer bear the risk associated with loss, theft or destruction of stock certificates. Also, because shares deposited with the Administrator are treated in the same manner as shares purchased through the Program, they may be transferred or sold through the Program in a convenient and efficient manner. See "Termination of Participation" and "Sale of Shares" above and "Gift/Transfer of Shares Within the Program" below.

Participants who wish to deposit their Common Stock certificates with the Administrator must send to the Administrator, preferably by registered, insured mail, the Common Stock certificates to be deposited, along with a properly completed Enrollment Form or Cash Investment and Other Transaction Form. Both Forms are available from the Administrator. The certificates should not be endorsed.

Transfer of Shares from a Broker

Owners of Common Stock may wish to transfer to their Program accounts shares owned by them but held in "street name" through a broker or other agent. To do so, participants must complete a Broker Transfer Form and return it to the Administrator. The Administrator, upon receipt of a properly completed Form, will contact the broker holding the shares of Common Stock and will arrange to transfer those shares specified by the participant into the name of the Administrator or its nominee for credit to the participant's account under the Program. Broker Transfer Forms are available upon request from the Administrator.

Share owners wishing to enroll in the Program using shares transferred from a broker must include a properly completed Broker Transfer Form with the Enrollment Form returned to the Administrator. Participation in the Program will commence when

shares of Common Stock are received by the Administrator from the transferring broker.

Individual Retirement Account

The Administrator, The First National Bank of Boston, offers an Individual Retirement Account that invests in Common Stock through the Program (the "Program IRA"). After being furnished with a copy of this Prospectus and the Administrator's IRA Agreement and Disclosure Statement, individuals may open a Program IRA by completing and signing an IRA Enrollment Form and returning it to the Administrator with an initial contribution. The minimum initial investment for a Program IRA is \$250. For the purpose of rolling over an existing IRA or a qualified plan distribution, the maximum annual investment does not apply. IRA Enrollment Forms are available upon request from the Administrator.

The Program IRA referred to above is offered by the Administrator as Trustee. Other custodians and trustees may offer similar services. The Administrator has the right to charge reasonable fees for its IRA services. Such fees are described in the IRA Disclosure Statement as in effect from time to time.

Gift/Transfer of Shares Within the Program

If a participant wishes to transfer the ownership of all or part of the shares held in the participant's Program account to a Program account for another person, whether by gift, private sale or otherwise, the participant may effect such transfer by mailing a properly completed Gift/Transfer Form to the Administrator. Requests for transfer are subject to the same requirements as for the transfer of Common Stock certificates, including the requirement of a Medallion signature guarantee on the stock assignment. Gift/Transfer Forms and Stock Power Forms are available upon request from the Administrator.

Shares so transferred will continue to be held by the Administrator under the Program. An account will be opened in the name of the transferee, if he or she is not already a participant, and such transferee will automatically be enrolled in the Program. If the transferee is not already a registered shareholder or a Program participant, the donor may make a reinvestment election for the transferee at the time of the gift. The transferee may change the reinvestment election after the gift has been made as described under "Reinvestment of Cash Dividends" above.

The transferee will receive a statement showing the number of shares transferred to and held in the transferee's Program account. Also, if requested by the participant, a gift certificate acknowledging the transfer of shares will be made available free of charge.

Reports to Participants

Each participant will receive a quarterly statement showing the amount invested, purchase price, the number of shares purchased, deposited, sold, transferred, or withdrawn, the total number of shares accumulated and other information for each

quarter during the year. The quarterly statement will consolidate all Program and certificated shares standing in the participant's name. The statement for the fourth quarter will reflect all account activity for the year. Each participant should retain these statements so as to be able to establish the cost basis of shares purchased under the Program for income tax and other purposes. Duplicate statements will be available from the Administrator.

The Administrator will also send each participant a confirmation promptly after enrollment and after each optional check or wire investment, deposit, sale or transfer. Payroll deductions, annuity deductions, automatic monthly deductions and dividend reinvestments will not be individually confirmed, but rather will appear on the quarterly statements.

In addition, each participant will receive copies of the same communications sent to other holders of shares of Common Stock, including the Corporation's annual report to stockholders, a notice of the annual meeting and accompanying proxy statement, and Internal Revenue Service information return, if so required, for reporting dividend income received.

All notices, statements and reports from the Administrator to a participant will be addressed to the participant at his or her latest address of record with the Administrator. Therefore, participants must promptly notify the Administrator of any change of address. To be effective with respect to mailings of dividend checks and quarterly statements and reports for a particular quarter, address changes must be received by the Administrator prior to the record date for that quarter's dividend.

Certificates for Shares

Shares purchased and held under the Program will be held in safekeeping by the Administrator in its name or the name of its nominee. The number of shares (including fractional interests) held for each participant will be shown on each statement of account. Participants may obtain a new certificate for all or some of the whole shares of Common Stock held in their Program accounts upon written request to the Administrator. Any remaining whole or fractional Program shares will continue to be held by the Administrator. Withdrawal of shares in the form of a certificate in no way affects dividend reinvestment (see "Reinvestment of Cash Dividends" above).

Except as described above under "Gift/Transfer of Shares Within the Program", shares of stock held by the Administrator for a participant's Program account may not be pledged or assigned. A participant who wishes to pledge or assign any such shares must request that a certificate for such shares be issued in the participant's name.

Miscellaneous

Stock Split, Stock Dividend or Rights Offering

Any dividends in Common Stock or split shares distributed by the Corporation on Program shares will be added to the participant's account. Stock dividends or split shares distributed on certificated shares will be mailed directly to the participant in the

same manner as to shareholders who are not participating in the Program. If a participant has elected to receive cash dividends rather than reinvest them, the election will be adjusted proportionately in the event of a stock split.

In the event of a rights offering, the participant will receive rights based upon the total number of whole shares owned, that is, the total number of Program and certificated shares standing in the participant's name.

Voting of Program Shares

Whole shares held in a Program account may be voted in person or by the proxy sent to the participant.

Limitation of Liability

Neither the Corporation nor the Administrator (nor any of their respective agents, representatives, employees, officers, directors, or subcontractors) will be liable in administering the Program for any act done in good faith nor for any good faith omission to act, including, without limitation, any claim of liability arising with respect to the prices or times at which shares are purchased or sold for participants, or any change in the market value of shares, or from failure to terminate a participant's account upon such a participant's death. The foregoing does not represent a waiver of any rights a participant may have under applicable securities laws.

Change or Termination of the Program

The Corporation may suspend, modify or terminate the Program at any time in whole, in part, or in respect of participants in one or more jurisdictions. Notice of such suspension, modification or termination will be sent to all affected participants. No such event will affect any shares then credited to a participant's account. Upon any whole or partial termination of the Program by the Corporation, certificates for whole shares held in an affected participant's account under the Program will be issued to the participant and a cash payment will be made for any fraction of a share. Fractions of shares will be valued at the same effective price as whole shares sold with respect to the next relevant Investment Date as described under "Source and Price of Shares" above.

Termination of Participation

If a participant does not own at least one whole Program or certificated share in the participant's name, the participant's participation in the Program may be terminated. Exxon may also terminate any participant's participation in the Program after written notice in advance mailed to such participant at the address appearing on the Administrator's records. Participants whose participation in the Program has been terminated will receive certificates for any whole shares held in their accounts and a check for the cash value of any fractional share held in their Program accounts. Fractions of shares will be valued at the same price as whole shares sold with respect to the next relevant Investment Date as described under "Source and Price of Shares" above.

THE CORPORATION

Exxon Corporation, the issuer of the Common Stock offered hereby, was incorporated in the State of New Jersey in 1882. The Corporation's principal executive office is located at 225 E. John W. Carpenter Freeway, Irving, Texas 75062-2298, and its telephone number is (214) 444-1000.

Divisions and affiliated companies of the Corporation operate in the United States and over 100 other countries. Their principal business is energy, involving exploration for, and production of, crude oil and natural gas, manufacturing of petroleum products, and transportation and sale of crude oil, natural gas and petroleum products. Exxon Chemical Company, a division of the Corporation, is a major manufacturer and marketer of petrochemicals. The Corporation and its affiliates are engaged in exploration for, and mining and sale of, coal and other minerals. The Corporation also has an interest in electric power generation in Hong Kong. Affiliates of the Corporation conduct extensive research programs in support of these businesses.

TAX CONSEQUENCES

The Corporation believes the following is an accurate summary of the tax consequences of participation in the Program as of the date of this Prospectus. This summary does not reflect every possible situation that could result from participation in the Program, and, therefore, participants in the Program are advised to consult their own tax advisors with respect to the tax consequences (including federal, state, local and other tax laws and U.S. tax withholding laws) applicable to their particular situations.

In general, the amount of cash dividends paid by the Corporation is still includable in income even though reinvested under the Program. Under this general rule, the cost basis for federal income tax purposes of any shares acquired through the Program will be the price at which the shares are credited by the Administrator to the account of the participant as described in the section entitled "Source and Price of Shares". In connection with market purchases, **brokerage commissions paid by the Corporation on a participant's behalf are to be treated as distributions subject to income tax** in the same manner as dividends. The amounts paid for brokerage commissions are, however, includable in the cost bases of shares purchased. The information return sent to participants and the IRS at year-end, if so required, will show such amounts paid on their behalf.

The above rules may not be applicable to certain participants in the Program, such as tax-exempt entities (e.g., pension funds and IRAs) and foreign shareholders. These particular participants should consult their own tax advisors concerning the tax consequences applicable to their situations.

In the case of participants in the Program whose dividends are subject to U.S. backup withholding, the Administrator will reinvest dividends less the amount of tax required to be withheld.

In the case of foreign shareholders whose dividends are subject to U.S. federal tax withholding, the Administrator will reinvest dividends less the amount of tax required to be withheld. The filing of any documentation required to obtain a reduction in U.S. withholding tax will be the responsibility of the shareholder.

USE OF PROCEEDS

At present, it is expected that purchases of Common Stock under the Program will be made in the open market and that the Corporation will not receive any proceeds therefrom. If purchases of Common Stock are made directly from the Corporation, the Corporation intends to use any net proceeds from the sales of such shares for general corporate purposes.

LEGAL MATTERS

Counsel who has passed upon legal matters concerning the Program and the validity of the shares of Common Stock offered hereby is James Earl Parsons, who is regularly employed as Counsel for the Corporation. Mr. Parsons owns and has options to purchase shares of Common Stock and is a participant in the Program.

You may discover that the Exxon Shareholder Investment Program is the easy and affordable way to invest in Exxon stock that's right for you.

THE EXXON SHAREHOLDER INVESTMENT PROGRAM ELIMINATES THE NEED TO CALL A BROKER

BUY WITHOUT COMMISSIONS

With the Exxon Shareholder Investment Program, you don't need to call a stockbroker. You can buy without any commissions, and you can make your purchases by check, wire transfer or dividend reinvestment. This is an easy way to invest.

SELL AT LOW COST

The Exxon Shareholder Investment Program also lets you sell your Exxon stock, at a fraction of the cost you would normally pay a broker. This could result in a substantial commission savings to you.

OPEN AN ACCOUNT FOR ONLY \$250

You can open an account in the Exxon Shareholder Investment Program with an initial investment of only \$250, whether or not you currently own Exxon shares. Or, if you are already an Exxon shareholder, you can simply transfer Exxon stock into the Program or elect to reinvest dividends on some or all of

the shares held in your name. If you currently participate in the Exxon Corporation Dividend Reinvestment Plan, you are automatically enrolled in this new Program, which offers many more features than the Dividend Reinvestment Plan.

INVEST AS LITTLE AS \$50

Once you've opened an account, you'll be able to purchase Exxon stock as frequently as once a week and in increments as small as \$50. This is an affordable way for you to buy Exxon stock. And because there are no commissions, your full investment goes to the purchase of shares.

REINVEST AUTOMATICALLY

You can choose to have all or part of the dividends paid on your Exxon stock automatically reinvested in the Program. It's up to you. You determine what portion of your dividends you want reinvested. You can change your reinvestment directions at any time.

DIRECT DEPOSIT OF DIVIDENDS

You may elect to have any dividends not reinvested deposited directly into your bank account by electronic transfer on the dividend payment date. Or, you may continue to receive them by check if you wish.

THE EXXON SHAREHOLDER INVESTMENT PROGRAM MAKES INVESTING SIMPLE

BUY FRACTIONAL SHARES

You no longer have to tailor your purchase amount to match share prices. Any dollar amount you invest will be completely converted into Exxon stock through the purchase of fractions of shares.

BUY AND SELL WEEKLY

With the Exxon Shareholder Investment Program, you can buy and sell Exxon stock as frequently as once a week and you can vary the amounts you invest. This gives you the flexibility to adjust your investment activity to keep pace with your changing investment needs.

CERTIFICATE SAFEKEEPING OPTION

If you deposit shares for safekeeping, you'll never have to worry about loss, theft or damage of your Exxon stock certificates again. The Exxon Shareholder Investment Program's "safekeeping" service will make sure your Exxon stock certificates are securely deposited for you.

If, however, you should ever want new certificates sent to you, we'll do so, at your request.

RECORD KEEPING MADE SIMPLE

You will receive an itemized statement every quarter of all your transactions and a year-end summary to assist you in tax preparation. Your statements will include shares held by you in certificate form as well as those held in the Program.

INVEST IN YOUR IRA

As part of a comprehensive savings strategy, you can prepare for the future by using the Program to establish an Individual Retirement Account (IRA) which invests in Exxon

stock. You may also roll over an existing IRA or other qualified plan distribution into an IRA established under this Program. A small account maintenance fee will be charged for IRA accounts.

MAKE GIFTS OF EXXON STOCK

You can make transfers or gifts of Exxon stock to another person at no charge. When you transfer or give shares to another person, a Program account will be opened for the recipient and he or she will enjoy full Program benefits. And, if you choose, you can also request a special gift certificate for the recipient.

TELL ME MORE ABOUT JOINING THE PROGRAM

AM I ELIGIBLE?

Yes, everyone is. Even if you've never owned Exxon stock, you are eligible to participate in the Program.

HOW DO I OPEN AN ACCOUNT?

It's easy. Read the prospectus carefully, then simply complete and sign the enclosed enrollment form. If you are not a current Exxon shareholder, you must include a check or money order for your initial investment. If you are an Exxon shareholder, you can also open an account with an initial investment. Or you can simply transfer Exxon stock into your new account or elect to reinvest

dividends on some or all of your shares. If you are already participating in the Dividend Reinvestment Plan, you are automatically enrolled. There's nothing more for you to do.

NO COMMISSIONS ON PURCHASES. ARE YOU SURE?

Absolutely. As a participant in the Exxon Shareholder Investment Program, you will be able to buy Exxon stock without calling a broker and without any commissions. There will, however, be a small charge for sales.

CAN I REALLY INVEST AS LITTLE AS \$50?

Once you open an account, you will then be able to make future purchases of Exxon stock with as little as \$50.

WHAT ABOUT MY DIVIDENDS?

You can choose to have all or a portion of your dividends reinvested automatically. If you choose not to reinvest, your dividends can be directly deposited in your bank account by electronic transfer or sent to you by check. You can change your dividend reinvestment instructions at any time.

HOW OFTEN CAN I BUY?

You can buy Exxon stock with as little as \$50 as frequently as once a week.

WILL I RECEIVE STOCK CERTIFICATES?

No, not unless you request them. The Exxon Shareholder Investment Program records your transactions, sends you a quarterly statement and holds your shares for

safekeeping. You can also consolidate your holdings by depositing your current Exxon stock into the Program. However, if at any time you would like new stock certificates, they will be sent to you.

WILL THE DIVIDEND REINVESTMENT PLAN CONTINUE?

No. The Shareholder Investment Program replaces the Dividend Reinvestment Plan. Anyone in the Dividend Reinvestment Plan is automatically enrolled in the new Program, which offers many more features than the Dividend Reinvestment Plan.

HOW CAN I RECEIVE MORE INFORMATION?

If you have questions about the Exxon Shareholder Investment Program, or any one of the broad range of benefits offered, call toll-free:

Two-for-One Stock Split

Exxon Corporation is pleased to announce a stock split for its shareholders. On February 26, 1997, Exxon's Board of Directors approved a two-for-one stock split to shareholders of record on March 14. Exxon shareholders will receive one additional share for each share held on that date. This stock split will not change your proportionate interest in Exxon Corporation. The additional shares will be distributed on or after April 11, 1997.

The following information may be helpful to shareholders. Additional information relative to the stock split will be provided when the certificates and Shareholder Investment Program statements are mailed.

DIVIDENDS

The first quarter 1997 dividend of \$0.79 per share is payable on March 10, 1997 to shareholders of record on February 10, prior to the split. Future dividends would be declared and paid on the basis of the split shares. The Board will consider the second quarter dividend on Wednesday, April 30.

CERTIFICATES

Shareholders holding certificates will receive one new certificate for all their additional shares.

Retain any stock certificates already in your possession. Existing certificates will continue to be valid and need not be exchanged.

You may request a change in denomination of shares once you have received your new certificate.

The new certificates will be in the same registration as shown on our account records at the close of business on March 14, 1997. If you wish to change the registration, you will need to transfer the old shares to the new registration prior to this date. Alternatively, you may wait for receipt and send in your old and/or new certificates for transfer of ownership. It is recommended when mailing certificates to send them by registered, certified or insured mail.

EXXON STOCK TRADING

Exxon will continue to trade on a pre-split basis through the distribution date of April 11.

SHAREHOLDER INVESTMENT PROGRAM

Shareholder Investment Program (SIP) participants who have shares in book-entry or "safekeeping" will have new shares added to their Program accounts.

Participants who hold shares in both book-entry and certificate form will receive a statement for their book-entry shares and a new certificate for their shares represented by certificates.

Account statements showing the total increase in shares as a result of the split will be mailed beginning April 18.

Share purchases and sales within the SIP will be done on a pre-split basis for Investment Dates between and including March 20 and April 10.

SIP participants who have designated a specific number of shares on which to receive cash dividends will have their prior share elections doubled automatically. After the shares have been distributed, you may change the number of shares on which you receive a cash dividend by calling Exxon Shareholder Services.

TAX INFORMATION

The Corporation has been advised by its General Tax Counsel that the stock split will result in no gain or loss to shareholders for federal income tax purposes. The tax basis of each share held on March 14, 1997 will be reduced by half. The tax basis of each new share received as a result of the stock split will be the same as the reduced basis of the share for which it was issued. The tax acquisition date of the new shares is the tax acquisition date of the old shares. Any subsequent sale of shares may result in a taxable gain or loss.

If further information is desired, it is suggested that you consult your tax advisor.

ANNUAL MEETING VOTING

The number of shares you are entitled to vote at the 1997 Annual Meeting are those you held as of the March 3 voting record date, prior to the split.

EXXON *Perspectives*

Second Quarter Earnings Up 25%

Following a record first quarter, earnings reported for the second quarter are \$2.0 billion, up 25% from the second quarter of 1996. This earnings growth reflects broad-based strength in our key business segments worldwide and represents the highest second quarter earnings in Exxon's history. These strong earnings were achieved despite crude oil prices that were down about 9% compared with a year ago, as well as lower U.S. natural gas prices.

First Six Months Earnings Up 20%

(\$ billions)

Key drivers to the improved results include:

- > Improved refining and marketing margins
- > Petroleum product sales at the highest second quarter level in 20 years
- > Chemical sales volumes at record levels

Second quarter results reflect the benefits of Exxon's broad functional and geographic diversification. During the quarter, lower crude prices negatively impacted exploration and production earnings. However, higher margins and sales volumes helped earnings in the refining and marketing segment improve over 130%, while chemicals earnings were up nearly 30%.

Mid-Year Earnings at Record Levels

Net income through six months of 1997 is \$4.1 billion, up 20% from the prior first half record set in 1996. These results reflect significant improvement in refining, marketing, and chemicals earnings. Petroleum product sales were up 4%, with volume growth experienced in all major geographical areas. In the chemicals business, commodity chemical prices improved and product sales were up 6%.

Over the last several years, cash flow has been strong, allowing the company to increase dividend payments, and fund a growing capital investment program while also reducing debt. In March, we announced our plans to return a portion of this cash flow to shareholders by increasing share repurchases, thereby reducing the number of shares outstanding. As a result, remaining shareholders will own a proportionately higher interest in the company.

Strategic Developments

The company continues to build for the future by progressing a number of strategic steps targeted to provide profitable volume growth. One major development in the first half of 1997 was the signing of a new long-term natural gas production agreement in Malaysia (see page 5). An important part of our future plans also includes continued investment in developing proprietary technology, which is discussed in this issue.

Focus On Technology: Creating A Competitive Edge...In A Competitive Industry

One of the many keys to Exxon's success is its investment in developing and employing the best technologies in its business. Technological advances have allowed the oil and chemical industries to meet challenges such as exploring for and developing oil and gas in harsher environments, meeting customer needs for new, more sophisticated products, and prospering in a highly competitive business environment. By continually investing in technology, Exxon seeks to maintain a competitive advantage by...

- ◆ Finding and developing more high-quality oil and gas
- ◆ Manufacturing higher-value oil and chemical products
- ◆ Developing better products that are also more environmentally friendly
- ◆ Further improving the efficiency, reliability, and safety of our operations

Technology advances have shaped the history of the petroleum industry, and Exxon has played a key role in their development. We have long maintained a large-scale research and development (R&D) program and intend to continue as an industry leader.

Each year, Exxon invests more than \$500 million in R&D, about three times the amount spent by most other major oil companies. Research efforts are focused in areas with the greatest economic potential and are supplemented with commercial purchases as necessary.

Exxon conducts R&D in each of its key businesses. We are fortunate to have some of the best minds in the industry working with state-of-the-art equipment. Current research programs range from improving existing technology to seeking breakthroughs that will give us the competitive edge in the 21st century.

The following pages highlight some important examples of Exxon's recent technological advances.

Developing Better Automotive Fuel Products for Motorists

In the early 1970s, Exxon introduced the first in a series of gasolines designed to reduce exhaust emissions. Through the '80s and '90s, new Exxon motor fuels were developed to meet tightening air-emissions requirements.

Exxon scientists recently developed the most active sulfur removal catalyst in the industry — an important step in light of growing demand for low-sulfur fuels.

In addition, detergent additives in Exxon gasoline and diesel fuels have helped prevent stalling and sluggish performance caused by fouled engine parts.

Deepwater Technology — Opening New Frontiers

As the search for oil and gas goes into deeper and deeper offshore waters, Exxon is calling on its long experience in deepwater operations and its extensive study of this promising new frontier.

Advances in technology such as those pioneered by Exxon dating back to the 1970s have helped to significantly reduce today's deepwater finding and development costs. Reduced costs, coupled with offshore operating experience in the U.S. Gulf of Mexico, Malaysia, and Australia, have allowed Exxon to pursue deepwater opportunities in more than 10 countries around the world.

EXXON'S HISTORY OF ACHIEVEMENT

Exxon's commitment to and investment in developing leading-edge technology is not a new strategy; research efforts date back to the very beginning of the company. Product quality research was being done as early as the 1880s, and the first stand-alone research department was established in 1919. Since that time, Exxon researchers have developed a number of industry-defining technologies, some of which are briefly noted below:

Fluid Catalytic Cracking

Commercialized in 1942, "cat cracking" revolutionized the refining of crude oil to produce gasoline.

Butyl Rubber

Prompted by the lack of natural rubber supplies during World War II, Exxon invented butyl rubber, now a major raw material for the tire industry.

Multigrade Engine Oils

Introduced in 1952, multigrade oils eliminated seasonal oil changes by improving performance over a wide temperature range.

Offshore Development

Decades of Exxon experience have helped to expand the industry's capabilities to explore and produce in an off-shore environment.

Subsurface Pioneer

Exxon has pioneered advanced subsurface techniques using seismic well logs and rock data to assess and optimally develop oil and gas discoveries.

High-Strength Steel — Improving Pipeline Economics

Exxon is working with Japanese steel companies to commercialize Exxon's patented high-strength steel manufacturing process. Among other possible applications, this new technology can improve the economics of building natural gas pipelines by reducing the required wall thickness of the pipe material. It is currently being considered as a means to deliver natural gas from remote fields, such as the giant Natuna gas field in Indonesia, to fast-growing markets in the Asia-Pacific region.

Applying Arctic Technology in Russia

Exxon technology that was first developed for projects in Canada and the Alaskan Arctic is now at work in far eastern

Russia. The physical environment is a challenge. Operations offshore Sakhalin Island can encounter earthquakes and moving ice ridges. Plans for the Sakhalin I fields include innovative structural designs that can withstand these conditions. This would make the Sakhalin I area the world's first year-round drilling, production, and oil transport system in offshore arctic regions.

Manufacturing Higher-Value Products

The challenge in the refining business is to convert crude oil more efficiently into higher-value products such as motor gasoline, diesel fuel, lubricants, and petrochemical feedstocks. The most successful competitors incorporate state-of-the-art processes and catalyst technology to manufacture more of these products. In the 1940s, Exxon pioneered Fluid Catalytic Cracking Technology, providing a step change increase in motor gasoline and diesel fuel production from crude oil. In a more recent breakthrough, Exxon introduced "Short Contact Time" technology, which increases high-value product yield from existing catalytic cracking equipment. The new technology is being installed at Exxon refineries worldwide.

Producing Higher-Quality Lubricants

Lubricants are the oils that keep automobiles, trucks, and industrial equipment running smoothly. They are made from lube basestocks combined with additives. Improved automotive and equipment designs will demand higher-performance oils that provide protection over a wide range of engine temperatures. Exxon is developing a new generation of lube basestocks to meet these demands. Scheduled to be available in 1999, the new basestocks should further solidify Exxon's position as the worldwide leader in this industry.

In addition to improving basestocks, Exxon has developed a new oil additive for the passenger car market. Among its features: improved fuel economy.

Converting Gas to Liquids

Natural gas has many attractive qualities. It's clean-burning and can be used in homes, factories, and electric power generation. Resources are abundant and can be transported easily by pipeline — if they are near major markets. However, several large resources in remote parts of the world have gone undeveloped because they cannot be brought to market economically. Exxon has developed a promising technology to address this opportunity. Advanced gas-to-liquids conversion technology (AGC-21™) converts gas to a liquid fuel more valuable than crude oil and easier and more economical to transport than natural gas. The technology should help Exxon take the lead in developing remote gas reserves in the 21st century.

Metallocene Technology — Revolutionizing the Plastics Industry

Metallocenes are a new, highly active class of catalysts for making plastics that are tougher, more resistant to puncture, and have better sealing performance. With world demand for plastics growing rapidly, the market potential for products with these improved properties is enormous.

Exxon obtained one of the first metallocene catalyst patents in 1985 and now leads the industry in developing and commercializing metallocene-based

products. Recently, Exxon and Union Carbide Corporation formed Univation Technologies, a joint venture to research, develop and license leading-edge polyethylene technologies. Polyethylene is the world's most widely used plastic. This joint venture combines Carbide's UNIPOL® manufacturing process, Exxon's patented method to increase manufacturing output, and Exxon's EXXPOL® metallocene catalysts.

VALDEZ APPEAL UPDATE

Exxon submitted a comprehensive appellate brief in June 1997 to the Ninth Circuit U.S. Court of Appeals in San Francisco. In the brief, Exxon raised eleven substantive legal issues in six general areas. Most of the issues raised go directly or indirectly to the propriety of the \$5 billion in punitive damages awarded the plaintiffs by the U.S. District Court in Anchorage. The company asked the appellate court to consider recent rulings by the U.S. Supreme Court and other appellate courts that are critical of the procedures by which punitive damages are awarded and establish limits to such awards.

Exxon has consistently maintained that the punitive damages in the *Valdez* case are unwarranted and should be set aside or substantially reduced. The company promptly accepted responsibility for the accidental spill in 1989 and mounted a massive cleanup effort that was declared complete by the federal government and the State of Alaska in 1992. Exxon believes that this punitive damage verdict sends the wrong message that those who acknowledge their responsibilities and take prompt and costly remedial action will still face disproportionate punishment.

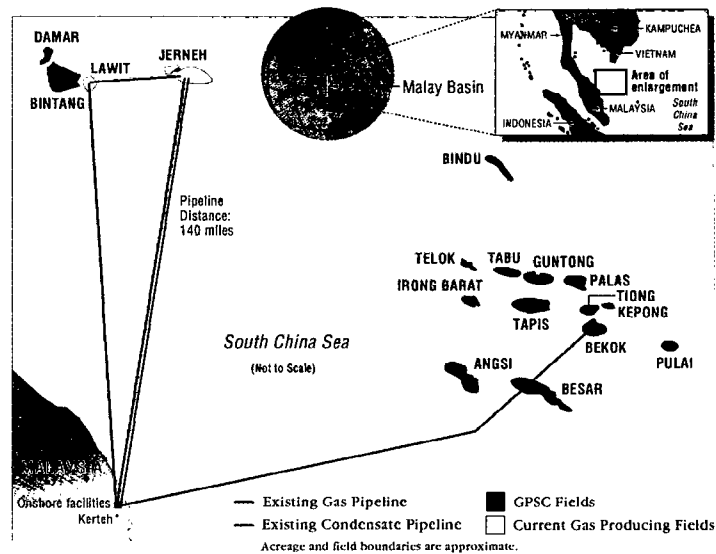

The timing for this appeal is controlled by the Court. Exxon has no basis to predict how long it will take for a decision to be reached; the appeals process may last several years.

EXXON AFFILIATE SIGNS MAJOR NEW GAS CONTRACT IN MALAYSIA

Exxon's affiliate, Esso Production Malaysia Inc. (EPMI), signed a major new Gas Production Sharing Contract (GPSC) with Petronas, the national oil company of Malaysia, in June 1997. Combined gas sales of over 12 trillion cubic feet from fields covered by the GPSC and an existing EPMI/Petronas agreement are expected to meet about two-thirds of the projected gas demand in Peninsular Malaysia for more than 25 years.

The GPSC covers development of natural gas from 15 fields in which EPMI and its co-venturer Petronas Carigali, a wholly-owned exploration and production arm of Petronas, will each have a 50% participation. Total investment to develop these gas resources is projected to be about \$5 billion.

Gas production under the GPSC will add to EPMI's 100%-owned production from the Lawit and Jerneh developments. Fueled by economic growth in Malaysia, EPMI's net gas production has risen significantly since 1992 to over 550 million cubic feet per day in 1996. At the same time, EPMI remains the largest oil producer in Malaysia.

Re: Summary of Rights issued under the Stockholder Rights Plan

Dear Stockholder:

As a precaution to ensure that it continues to be able to take appropriate action to protect the interests of Chevron Corporation and its stockholders, Chevron's Board of Directors has adopted a new Stockholder Rights Plan to replace the plan that expired on November 22, 1998. The new plan is very similar to the old plan in purpose and effect. It would help the Board to maximize stockholder value in the event of a change of control of Chevron, and otherwise to resist actions that the Board considers likely to injure Chevron or its stockholders. In adopting the new plan, the Board also announced its intention to review the plan not less often than every third year to ensure that the plan remains consistent with stockholder interests. Such review would be carried out in the first instance by the Board Nominating and Governance Committee, which is composed exclusively of nonemployee directors.

Integral to the plan is a Rights dividend payable on shares of Chevron's Common Stock. On November 23, 1998, the Board of Directors declared a dividend distribution on each outstanding share of Common Stock of one Right to purchase Chevron's Series A Participating Preferred Stock. The dividend was paid to stockholders of record at the close of business on December 3, 1998. No income was recognized by stockholders for tax purposes on payment of the dividend. The Rights are not now exercisable, and it is not known at this time whether they ever will be exercisable. No action can be taken by holders of Rights at this time. The Rights will expire on the earlier of (1) November 23, 2008, or (2) redemption or exchange of the Rights as described below.

In general, until the Rights are exercisable or are redeemed or exchanged or expire unexercised, each Right is associated with and cannot be separated from the underlying share of Common Stock on which the right was declared as a dividend. Accordingly, until the Rights are separate from the Common Stock, (1) each holder of outstanding shares of Common Stock is also the holder of an equal number of Rights, (2) any sale or other transfer of shares of Common Stock by a holder thereof also will cause a transfer of the associated Rights, (3) no income or loss will be recognized with respect to the sale of Rights incident to a sale of Common Stock, and (4) no certificates will be issued to evidence ownership of the Rights, but certificates for shares of Common Stock issued after the Record Date will refer to the associated Rights. Until a Right is exercised, it confers no rights as a stockholder, including, without limitation, the right to vote or to receive dividends.

The Rights will separate from the Common Stock if there is a "Distribution Date." A Distribution Date would occur upon the earliest to happen of (1) a public announcement that someone has become an "Acquiring Person," meaning that such person (including affiliated or associated persons or entities) has acquired, or obtained the right to acquire, beneficial ownership of 10 percent or more of the outstanding shares of Common Stock, other than as a result of repurchases of stock by Chevron, or (2) 10 days (unless such date is extended by the Board of Directors) having elapsed following the commencement of (or a public announcement of an intention to make) a tender offer or exchange offer that would result in someone becoming an Acquiring Person. If a Distribution Date occurs, the Rights will become exercisable and separately tradable, and Chevron will issue certificates for the Rights as soon as possible.

The Preferred Stock purchasable upon exercise of the Rights will be nonredeemable and junior to any other series of preferred stock Chevron may issue (unless otherwise provided in the terms of such stock). Each share of Preferred Stock will have a preferential quarterly dividend in an amount equal to 1,000

P4062

BRUNSTING001877

times the dividend declared on each share of Common Stock, but in no event less than \$25.00. In the event of liquidation, the holders of shares of Preferred Stock will receive a preferred liquidation payment equal to the greater of \$1,000.00 or 1,000 times the payment made per each share of Common Stock.

Each share of Preferred Stock will have 1,000 votes, voting together with the shares of Common Stock. In the event of any merger, consolidation or other transaction in which shares of Common Stock are exchanged, each share of Preferred Stock will be entitled to receive 1,000 times the amount and type of consideration received per share of Common Stock. The rights of the Preferred Stock as to dividends, liquidation and voting, and in the event of mergers and consolidations, are protected by customary anti-dilution provisions.

The amount of Preferred Stock that the holder of a Right is entitled to receive upon exercise of a Right and the Purchase Price payable upon exercise of a Right are both subject to adjustment. Initially, the Purchase Price is \$320.00 per Right. If no one has yet become an Acquiring Person, payment of the Purchase Price entitles the holder of a Right to receive only one one-thousandth of a share of Preferred Stock. If someone has become an Acquiring Person, however, payment of the Purchase Price entitles the holder to receive a number of one one-thousandth shares having a value, based on the then current market value of the Common Stock, equal to two times the Purchase Price. In addition, if someone has become an Acquiring Person, and thereafter Chevron is involved in a merger or other business combination transaction, a holder of a Right also will be able to acquire, upon payment of the Purchase Price, Common Stock of Chevron or its successor having a value, based on the market value of Chevron or its successor at the time of the transaction, equal to twice the value of the Purchase Price. Some limitations apply to the timing of exercise of the Rights, and any Rights belonging to an Acquiring Person are null and void.

The Board of Directors may redeem the Rights in whole, but not in part, at the Redemption Price of \$0.01 per Right, at any time before there is an Acquiring Person. After there is an Acquiring Person, the Rights may be redeemed only in very limited circumstances. However, the Board of Directors may in some cases also exchange all or part of the then outstanding and exercisable Rights (except for Rights that have become void) for shares of Common Stock at a rate of one share of Common Stock (or substitute consideration) per Right. Upon redemption or exchange, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price or the exchange consideration, as applicable.

A full description of the Rights is set forth in the Rights Agreement between Chevron and the Rights Agent, ChaseMellon Shareholder Services, L.L.C. A copy of the Rights Agreement has been filed with the Securities and Exchange Commission as an Exhibit to a Registration Statement on Form 8-A. A copy of the Rights Agreement is available at www.chevron.com or free by writing the Corporate Secretary, Chevron Corporation, 575 Market Street, 38th Floor, San Francisco, CA 94105. Chevron and the Rights Agent retain broad authority to amend the Rights Agreement; however, following any Distribution Date any amendment may not adversely affect the interests of holders of Rights. **This summary description of the Rights does not purport to be complete and is qualified in its entirety by reference to the Rights Agreement.**

**Supplement dated December 1, 1999 to
Shareholder Investment Program Prospectus dated June 2, 1997**

This supplement updates the June 2, 1997 SIP prospectus as follows:

- On November 30, 1999, Exxon Corporation changed its name to Exxon Mobil Corporation ("ExxonMobil"). Accordingly, all references in the prospectus to "Exxon" or the "Corporation" now mean ExxonMobil. The address of the Corporation's website referred to on page 10 of the prospectus is changed to www.exxon.mobil.com.
- Also on November 30, 1999, EquiServe Trust Company, N.A., replaced BankBoston, N.A., as the Administrator for the SIP and as the Corporation's transfer agent, registrar, and dividend paying agent. EquiServe has been providing these shareholder services as agent for BankBoston so there is no change in work location, people or systems. References to BankBoston on the cover and on pages 2 and 3 and all references in the prospectus to the "Administrator" now mean EquiServe Trust Company. Contact information in the prospectus, including the mailing address, telephone number, and email address of the Administrator given on pages 2, 3, and 14, remain the same.
- EquiServe Trust Company also replaces BankBoston as trustee of the Program IRA. EquiServe will separately provide participants in the IRA with additional information.

Please keep this supplement together with your prospectus. You can also obtain an updated prospectus that reflects the changes described above by calling ExxonMobil Shareholder Services toll-free at 1-800-252-1800, or by visiting the ExxonMobil website.

\$2 Billion Brent Field Redevelopment Approved

The United Kingdom has approved a \$2 billion redevelopment program for the Brent Field in the U.K. sector of the North Sea. Exxon and Shell each hold a 50 percent interest in the field.

Scheduled for completion in 1998, the Brent project calls for modifying and refurbishing existing facilities and equipment. It provides for low-pressure operations that will extend the life of the field and should substantially increase the ultimate recovery of both oil and gas.

The Brent field, discovered in 1971 and situated 116 miles northeast of Lerwick, Shetland, is one of the largest in the North Sea. It has four production platforms, three of which will receive new process modules.

Exxon is one of the larger participants in the U.K. sector of the North Sea. The Brent redevelopment project reflects a continuation of the company's long-term involvement in Britain's petroleum business.

Exxon Introduces a New Synthetic Lubricant Base Stock

Exxon's new synthetic base stock for lubricants, EXXSYN, produced at the company's refinery in Fawley, England, is now being used in Esso U.K.'s super-premium engine oil, Superlube EX2, and its top-of-the-line equivalents produced by the company's German and French affiliates.

EXXSYN is the product of a patented Exxon process that involves rearrangement of wax molecules under carefully controlled conditions. The high-performance lubricants are produced by blending EXXSYN with other base stocks and special chemical additives.

Lubricants blended with EXXSYN provide lower oil consumption and volatility, reduced oil thickening, and run cleaner with less wear compared to conventional lubricants.

Exxon Chemical Plans Aromatics Complex in Singapore

Exxon Chemical Company, Amoco Chemical Company and China American Petrochemical Company, Ltd. (CAPCO) have successfully completed a feasibility study for building an aromatics complex in Singapore that is expected to start up in 1996.

Under the agreement for the complex, Exxon Chemical will own 50 percent of the equity of the joint-venture company, Amoco will have 40 percent and CAPCO, 10 percent. The complex is expected to employ some 200 skilled personnel, most of whom will be Singapore nationals.

The new aromatics facility will be integrated with

Esso Singapore's existing 230,000-barrel-per-day petroleum refinery. Plans include a reformer; a world-scale, 350,000-ton-per-year paraxylene unit; and a 90,000-ton-per-year benzene unit. Paraxylene is used primarily in the production of purified terephthalic acid, a raw material for making polyester fiber, film and packaging resin. Benzene is used to produce a range of other raw materials used to manufacture products such as styrene.

China to Open Oil Frontiers

Exxon Exploration Company (EEC) will be among the participants when the China National Petroleum Corporation opens for bidding 12 onshore oil and gas areas in the northern and central regions of that country. The first round of bidding, with an October deadline, is for acreage in the Tarim Basin – a thinly populated desert area of northwestern China.

An EEC affiliate, Esso China Limited, maintains its headquarters in Beijing. Last year, Esso China closed its office in Shekou when the company's exploration focus shifted from the South China Sea to inland areas.

China ranks sixth among the world's oil producers with output of 2.8 million barrels a day and exports of about 400,000 barrels a day. China's oil production grew less than 1 percent last year, while the economy in that country of 1.1 billion people jumped nearly 13 percent.

Exxon Awarded Offshore Block in Nigeria

An affiliate of Exxon Exploration Company in Nigeria has signed a production-sharing agreement with the Nigerian National Petroleum Corporation for the right to explore on a 500,000-acre tract that lies 47 miles off the Nigerian coast. Exxon will be the operator for this block.

The signing initiates an exploration and production presence for Exxon in Nigeria. The company will open an office in that country to manage this operation and to continue pursuing other upstream business opportunities.

Imperial Increases Natural Gas Production

The Deep Basin gas field near Grande Prairie, Alberta, discovered in the mid 1970s, is one of the richest known natural gas deposits in Western Canada. It is currently the focus of a \$10 million (U.S.) drilling and development program that should increase production to more than 150 million cubic feet a day – about 25 percent of Imperial Oil Limited's total gas production. Imperial is a Canadian company in which Exxon has a 70 percent interest.

Exxon Signs Exploration Pact in Papua New Guinea

In an agreement among Esso Australia, Ltd., Exxon Exploration Company and British Petroleum Company, Exxon is exploring for oil and gas in the highlands of Papua New Guinea.

Under the agreement, Exxon has an option to participate in two petroleum prospecting licenses on oil exploration acreage and in a petroleum development license.

Exxon Announces Second Quarter 1993 Results

Exxon Corporation reported second quarter 1993 net income of \$1,235 million, up 33 percent from \$930 million in the second quarter of 1992. On a per share basis, net income was \$0.98 in the 1993 second quarter, up 34 percent from \$0.73 in the same period last year.

Net income in the second quarter included \$210 million in net nonrecurring credits, principally tax credits and gains on asset sales. Last year's second quarter included \$24 million of such credits.

Revenue was \$27,931 million in the most recent quarter, up from \$27,759 million in the second quarter a year ago.

Exxon's earnings in the second quarter 1993 rose significantly over the corresponding 1992 level. The improvement was achieved despite weak crude oil prices and sluggish economic conditions that affected both petroleum product and chemicals markets.

Lower operating expenses accounted for over \$200 million of this quarter's earnings improvement. Expense reductions resulted from the effect of restructuring steps taken in North America in 1992 as well as continued emphasis on efficiency improvements within each of the major business segments worldwide.

Petroleum product margins were improved in the second quarter

1993, compared to second quarter 1992 levels, when margins were particularly soft. Recent margins benefited from lower crude supply costs and modest increases in demand in Europe and the Far East. In addition, refining crude runs and sales of petroleum products were higher in the 1993 second quarter. The U.S. natural gas market was considerably stronger than a year ago, leading to both improved realizations and higher sales volumes.

Partially offsetting these favorable factors were lower crude prices, reduced sales of European natural gas as a result of warmer than normal weather, lower European natural gas prices, an inventory build-up of North Sea liquids, and lower liquids production in North America. Chemical margins and prices for coal and copper were generally lower in the 1993 second quarter, reflecting slow economic growth in major markets and excess industry manufacturing and mining capacity.

Capital and exploration expenditures totaled \$2,138 million in the second quarter, as Exxon continued its active investment program.

SECOND QUARTER EARNINGS

Petroleum and Natural Gas Operations

Second quarter 1993 earnings from U.S. exploration and production

operations of \$262 million constituted an increase of \$81 million from the comparable 1992 quarter. Earnings from exploration and production operations outside the U.S. totaled \$499 million, compared with \$517 million last year. On a worldwide exploration and production basis, the 1993 second quarter included \$82 million of nonrecurring tax credits, while the 1992 quarter included a \$39 million restructuring provision.

Worldwide exploration and production operations benefited from lower operating expenses, principally in North America. However, earnings were adversely affected by lower crude prices and by a build-up of liquids inventories in the North Sea. Worldwide crude production was 1,654 kbd (thousand barrels per day) in the 1993 second quarter, about even with last year. Natural gas production of 4,666 mcf (million cubic feet per day) compared with 4,835 mcf in the 1992 second quarter, reflecting weather-related volume reductions in Europe, partially offset by improved market conditions in the U.S.

Earnings from U.S. refining and marketing operations were \$113 million in the second quarter of this year compared with \$47 million in the 1992 second quarter. Earnings from refining and marketing operations outside the U.S. more than doubled compared to the same

period last year, totaling \$333 million versus \$138 million in the 1992 second quarter. On a worldwide refining and marketing basis, this year's quarter included \$11 million in net nonrecurring credits from asset dispositions, while the 1992 second quarter included a \$36 million charge for restructuring.

Worldwide refining and marketing operations benefited from lower operating expenses, principally in North America. Petroleum product margins outside the U.S. rose, but in the U.S. they remained depressed. Worldwide petroleum product sales volumes of 4,841 kbd were up 80 kbd, primarily due to higher demand for distillate in the Far East.

Other Operations

Earnings from chemical operations totaled \$86 million compared with \$119 million in the same quarter a year ago. Product sales volumes and margins were lower because of weak market demand and excess industry capacity. In the U.S., chemical earnings were down \$16 million to \$50 million; non-U.S. chemical earnings declined \$17 million to \$36 million.

Other operations earned \$48 million, including \$13 million of nonrecurring credits. This compares with \$63 million earned last year. This decline was primarily due to lower coal production and softer coal and copper prices.

Corporate and financing charges declined \$29 million to \$106 million in the most recent quarter. There were similarly sized nonrecurring tax credits in both periods.

During the second quarter of 1993, Exxon purchased 1.7 million shares of its stock for the Treasury at a cost of \$112 million.

FIRST SIX MONTHS EARNINGS

Petroleum and Natural Gas Operations

Net income for the first six months of 1993 rose 9 percent to \$2,420 million, compared with \$2,225 million earned in the first half of

1992. Net income in the first half of 1993 included \$257 million of net nonrecurring credits, while the first six months of 1992 included \$182 million of such credits. Net income per share was \$1.92 compared with \$1.76 per share. Revenue totaled \$55,193 million compared with \$55,673 million a year ago.

Earnings from U.S. exploration and production operations were \$490 million, an increase of 60 percent from the first half of 1992. Lower operating expenses were a major positive factor behind the improvement in exploration and production earnings in the U.S. Earnings from exploration and production operations outside the U.S. were \$1,167 million in the first half of 1993, compared with \$1,299 million last year.

Worldwide crude production declined 52 kbd to 1,667 kbd in the first half of 1993 primarily as a result of normal field declines in North America. However, crude oil realizations were up \$.21 per barrel on average, reflecting strong demand for Alaskan crude; realizations outside the U.S. were lower than the year ago period. Natural gas production of 5,868 mcf/d was essentially unchanged from last year, reflecting the net effect of stronger market conditions in the U.S. and new production in the Far East, offset by weather related declines in Europe. Natural gas realizations were stronger in North America and weaker in Europe, the latter affected by unfavorable foreign exchange movement.

Earnings from U.S. refining and marketing operations were \$134 million, up from \$70 million a year

ago. Earnings from refining and marketing operations outside the U.S. were \$610 million in the first half of 1993, an increase of \$18 million.

Petroleum product margins were higher during the first half of 1993, particularly in Europe and the Far East, but remained depressed in the U.S. Refining and marketing earnings in the U.S. benefited from lower operating expenses, the result of restructuring and cost control efforts. Worldwide product sales volumes of 4,854 kbd were essentially unchanged from 1992 levels.

Other Operations

Earnings from chemical operations totaled \$209 million in the first half of 1993 compared with \$270 million in the corresponding period of last year. The earnings decline reflected lower margins and sales volumes, which totaled 6,400 kt (thousand tons), compared with 6,441 kt in the first half of last year. U.S. chemical operations earned \$137 million compared with \$153 million in 1992, while operations outside the U.S. earned \$72 million compared with \$117 million last year.

Other operations earned \$96 million in the first half of this year, down from \$128 million in 1992, reflecting a decline in coal production and lower realizations for both coal and copper.

Corporate and financing charges were \$286 million in the first half of 1993, down from \$400 million in 1992. Financing costs in the current year benefited from lower interest rates and lower debt-related foreign exchange losses.

**INFORMATION ABOUT THE
TWO-FOR-ONE STOCK SPLIT**

On February 26, 1997, the Board of Directors approved a two-for-one stock split of the Corporation's Common Stock. The stock split became effective at the close of business on March 14, 1997. As a result, each shareholder is entitled to one additional share for each share held on March 14.

DIVIDEND INFORMATION

The first quarter 1997 dividend of \$0.79 per share was paid on March 10, 1997 to shareholders of record on February 10, prior to the split.

Future dividends would be declared and paid on the basis of the split shares. The Board will consider the second quarter dividend on Wednesday, April 30.

CERTIFICATES

Shareholders holding certificates will receive one new certificate for all their additional shares. You may request a change in the denomination of shares by calling or writing Exxon Shareholder Services.

Retain any stock certificates already in your possession. Existing certificates will continue to be valid and need not be exchanged.

Your address as shown on our records has been printed on your new stock certificate. A change in your address will not affect your ownership of the stock in any way. If your address changes, please do NOT return your certificate for correction. Instead, simply call or write Exxon Shareholder Services.

The new certificates are in the same registration as shown on our account records at the close of business on March 14. You may request a transfer of ownership by calling or writing Exxon Shareholder Services. When

mailing certificates, we recommend that you insure and send them by registered or certified mail.

SHAREHOLDER INVESTMENT PROGRAM

Participants in the Shareholder Investment Program (SIP) who have shares in book-entry or "safekeeping" form will have new shares added to their SIP accounts. New shares for those held on March 14 are identified on the SIP statement as "Split Shares."

If you made purchases on Investment Dates between and including March 13 through April 10, since the SIP shares were traded on a pre-split basis, you are entitled to additional shares for the shares purchased. These shares are added to your account and listed as "Split Shares Buy" on the SIP statement.

Correspondingly, if you sold shares on Investment Dates between and including March 13 through April 10, since you received proceeds on a pre-split basis, you are not entitled to receive any additional shares for the shares sold. These shares are deducted from your account and are listed as "Split Shares Sale" on the statement.

Participants who hold shares in both book-entry and certificate form will receive a statement showing their additional book-entry shares and a new certificate for their additional shares represented by certificates. The new certificated shares are included in the "Certificate Shares" and "Total Shares" boxes at the bottom of the SIP statement.

Participants who have designated a specific number of shares on which to receive cash dividends have had their share elections doubled automatically. You may change the number of shares on which you receive a cash dividend by calling Exxon Shareholder Services.

TAX INFORMATION

The Corporation has been advised by its General Tax Counsel that the stock split will not result in a gain or loss to shareholders for federal income tax purposes. However, any subsequent sale of shares may result in a taxable gain or loss.

The tax basis of each share held on March 14, 1997 will be reduced by half. The tax basis of each new share received as a result of the stock split will be the same as the reduced basis of the share for which it was issued. The tax acquisition date of the new shares is the tax acquisition date of the old shares.

If you desire further information, we suggest you consult your personal tax advisor.

- Participants may choose to establish an IRA and to contribute or roll over amounts to the IRA through a Program account.

Administration

First Chicago Trust Company of New York (the "Administrator") will administer the Program, purchase and hold shares of Common Stock acquired under the Program,

keep records, send statements of account activity to participants, and perform other duties related to the Program. Participants may contact the Administrator by writing to:

Exxon Shareholder Investment Program
c/o First Chicago Trust Company of New York
P.O. Box 3892
Church Street Station
New York, NY 10008

or by telephoning the Administrator toll free at (800) 252-1800 between 9 a.m. and 5 p.m. Eastern time. Written communications may also be sent to the Administrator by telefax at (212) 385-4261.

Eligibility

Any person or entity, whether or not a holder of record of shares of Common Stock, is eligible to participate in the Program, provided that (i) such person or entity fulfills the prerequisites for participation described below under "Enrollment Procedures" and (ii) in the case of citizens or residents of a country other than the United States, its territories, and possessions, participation would not violate local laws applicable to the Corporation or the participant.

Enrollment Procedures

After being furnished with a copy of this Prospectus, eligible applicants may join the Program by completing and signing an Enrollment Form and returning it to the Administrator. In order to participate in the Program, an enrollee must either deposit one or more shares with the Administrator or elect to reinvest cash dividends paid on one or more shares of Common Stock. Current registered shareholders should be sure to sign their names on the Enrollment Form exactly as they appear on their certificates. Non-shareholders must include a minimum initial investment of at least \$250 with their completed Enrollment Form (see "Optional Cash Investments and Initial Investments" below).

Beneficial owners of shares of Common Stock registered in the name of someone else (for example, a bank, broker, or trustee) may participate in the Program by transferring some or all of those shares to the Administrator for their accounts (see "Transfer of Shares from a Broker" below).

Enrollment Forms will be processed as promptly as practicable. Participation in the Program will begin after the properly completed Enrollment Form has been reviewed and accepted by the Administrator.

Participants in the Corporation's previous Dividend Reinvestment Plan for Common Stock will automatically continue in the new Program without sending in the new Enrollment Form, except that those participants who have not elected full reinvestment under the previous plan must submit a new Dividend Reinvestment Form.

Investment Dates

The Program's "Investment Dates" are Thursday of each calendar week or, if Thursday is not a day on which financial markets in New York City are open for business, the next day on which they are so open.

Optional Cash Investments and Initial Investments

Participants may make optional cash investments by personal check or money order, wire investment, payroll or annuity deduction (eligible Exxon employees and retirees only), or automatic deduction from a bank account. Optional cash investments must be at least \$50 for any single investment and may not exceed \$8,000 per month. There is no obligation to make an optional cash investment at any time, and the amount of such investments may vary from time to time.

Initial investments, for those who do not already own Common Stock, must be at least \$250, in the form of a personal check or money order, and must be included with the completed Enrollment Form returned to the Administrator, except that no minimum initial investment is required for eligible Exxon employees and retirees who initiate payroll or annuity deductions at the time of enrollment.

Optional cash investments and initial investments must be received by the Administrator no later than one business day prior to an Investment Date to be invested beginning on that Investment Date. Otherwise, the optional cash investment or initial investment will be held by the Administrator and invested beginning on the next Investment Date. Upon a participant's written request received by the Administrator no later than two business days prior to the applicable Investment Date, an optional cash investment or initial investment not already invested under the Program will be cancelled or returned to the participant, as appropriate. However, no refund of a check or money order will be made until the funds have been actually received by the Administrator. Accordingly, such refunds may be delayed by up to three weeks.

No interest will be paid on amounts held by the Administrator pending investment. Accordingly, investors should transmit optional cash investments and initial investments so as to reach the Administrator shortly (but not less than one business day) before an Investment Date. All optional cash investments and initial investments are subject to collection by the Administrator of full face value in U.S. funds.

Investments may be made in the following ways:

Check Investment

Optional cash investments and initial investments may be made by personal check or money order payable in U.S. dollars to "FCT—Exxon". Optional cash investments must be mailed to the Administrator together with the Cash Investment Form attached to each statement of account sent to participants. Additional Cash Investment Forms are available upon request from the Administrator.

Wire Investment

Optional cash investments may be made by wire transfer to the Administrator. Wire transfers must be sent to First National Bank of Chicago, Routing Code 071-0013, and must include the name of the Program, the name in which the Program account is registered and the participant's Program account number. Participants making wire investments may be charged fees by the commercial bank initiating the transfer.

Payroll or Annuity Deduction

Eligible employees of the Corporation and its subsidiaries who are paid through a U.S. payroll ("eligible employees"), and eligible persons receiving annuity payments from the Corporation or its subsidiaries through a U.S. benefits office ("eligible retirees"), may make optional cash investments under the Program by having specified amounts (not less than \$50 nor more than \$8,000 per month) deducted from each paycheck or annuity check. To initiate payroll or annuity deduction, an eligible employee or eligible retiree in the Program must complete, sign, and return to the Administrator a Payroll or Annuity Deduction Form. Forms are available upon request from the Administrator. Forms will be processed and will become effective as promptly as practicable.

Exxon will make payroll or annuity deductions from each payroll or annuity check during the month. Exxon will hold all funds so deducted for a particular month until the end of that month, and will then promptly forward such funds to the Administrator. For purposes of the Program, annuity deductions on the first of the month will be included in the payment made to the Administrator for the prior month. The Administrator will invest funds in Common Stock beginning on the first Investment Date following receipt thereof by the Administrator.

Because funds to be invested by payroll or annuity deduction are only transmitted to the Administrator once a month, participants using this investment option should recognize that, depending on the applicable pay date, funds deducted from a particular paycheck or annuity check may not be forwarded to the Administrator for several weeks. **No interest will be paid on amounts held pending investment.**

Eligible employees and retirees who wish to enroll in the Program but who are not shareholders may satisfy the requirement for an initial investment by initiating payroll or annuity deduction at the time of enrollment.

Participants may change the amount of payroll or annuity deduction or terminate payroll or annuity deduction by completing and submitting a new Payroll or Annuity Deduction Form.

Automatic Investment from a Bank Account

Participants may make automatic monthly investments of a specified amount (not less than \$50 nor more than \$8,000 per month) by electronic funds transfer from a pre-designated U.S. bank account.

To initiate automatic monthly deductions, the participant must complete and sign an Automatic Monthly Deduction Form and return it to the Administrator together with a voided blank check for the account from which funds are to be drawn. Automatic Monthly Deduction Forms may be obtained from the Administrator. Forms will be processed and will become effective as promptly as practicable.

Once automatic monthly deduction is initiated, funds will be drawn from the participant's designated bank account on the business day preceding the last Investment Date of each month, and will be invested in Common Stock beginning on that Investment Date.

Participants may change or terminate automatic monthly deduction by completing and submitting to the Administrator a new Automatic Monthly Deduction Form. To be effective with respect to a particular Investment Date, however, the new Automatic Monthly Deduction Form must be received by the Administrator at least two business days preceding such Investment Date.

Reinvestment of Cash Dividends

Participants may elect to reinvest cash dividends paid on all or a portion of the Common Stock registered in their names and the Common Stock held in their Program accounts by designating their election on the Enrollment Form. Participants electing partial reinvestment of cash dividends must designate the number of whole shares for which they want to receive cash dividends. Dividends paid on all other shares registered in the participant's name and all other shares held in his or her Program account will be reinvested in additional shares of Common Stock.

Reinvestment levels may be changed from time to time as a participant desires by submitting a new election to the Administrator. To be effective with respect to a particular Common Stock dividend, any such change must be received by the Administrator on or before the record date for such dividend. The record date is usually about one month prior to the payment of the dividend. The Corporation has historically paid cash dividends on the 10th of March, June, September and December, or on the 11th if the 10th is a Sunday.

Once a participant elects reinvestment, cash dividends paid on shares of Common Stock registered in the participant's name or held in the participant's Program account will be reinvested in additional shares of Common Stock. If the participant has specified partial reinvestment, that portion of such dividend payment not being reinvested will be sent to the participant by check in the usual manner or by direct deposit, if the participant has elected the direct deposit option (see "Direct Deposit of Dividends" below). The Administrator may initiate purchase transactions for the reinvestment of dividends prior to the actual payment of dividends in order to minimize, to the extent possible, the delay between the payment of dividends and the settlement of purchase transactions.

Withdrawal

A participant may withdraw from the Program at any time by giving written instructions to the Administrator. Upon withdrawal from the Program, a certificate for the whole shares held in the Program for the participant will be issued. Alternatively, a participant may specify in the withdrawal notice that all (but not less than all) whole shares be sold. The Administrator will make the sale beginning on the next Investment Date after receipt of the withdrawal notice, and the participant will receive a check for the proceeds, less an administrative charge of \$5 and applicable brokerage commissions, if any.

Participants terminating participation in the Program will receive a check for the cash value of any fractional share held in their Program accounts. Fractions of shares will be valued at the same effective price as whole shares sold for a participant with respect to the relevant Investment Date.

If notice of withdrawal is received on or after an ex-dividend date but before the related dividend payment date, the withdrawal will be processed as described above and a separate check for the dividends will be mailed following the payment date.

No optional cash investments may be made after participation in the Program has been terminated.

Sale of Shares

Participants may request the Administrator to sell any number of whole shares held in their Program accounts by giving written instructions to the Administrator. The Administrator will make the sale beginning on the first Investment Date following receipt of the request. The participant will receive the proceeds, less an administrative charge of \$5 and applicable brokerage commissions, if any. Proceeds of shares sold through the Program will be paid to the participant normally by check.

If instructions for the sale of shares are received on or after an ex-dividend date but before the related dividend payment date, the sale will be processed as described above and a separate check for the dividends will be mailed following the payment date. A request to sell all shares held in a participant's account will be treated as a withdrawal from the Program (see "Withdrawal" above).

Source and Price of Shares

To fulfill Program requirements, the Administrator may purchase or sell shares in the open market or in privately negotiated transactions. These purchases and sales are subject to such terms and conditions, including price and delivery, as the Administrator may accept. The Administrator may also, in its discretion, purchase shares from or sell shares to the Corporation, to the extent the Corporation makes shares available or is willing to purchase shares. The price of shares purchased from or sold to the Corporation will be the average of the high and low sale prices of the Common Stock

as reported on the New York Stock Exchange consolidated tape on the relevant Investment Date. The Administrator may commingle each participant's funds with those of other participants for the purpose of executing purchases, and may offset purchases of shares against sales of shares to be made for participants under the Program with respect to the same Investment Date, resulting in a net purchase or a net sale of shares.

Shares purchased or sold for a participant with respect to a particular Investment Date will be credited to the participant's account at the average price per share of all shares purchased or sold, as appropriate, with respect to that Investment Date.

The Administrator will make every effort to invest funds in Common Stock as soon as practicable on or after each Investment Date. Shares acquired in the open market or from private sources will be purchased as soon as practicable by the Administrator beginning on the relevant Investment Date and in no event later than 15 days after the relevant Investment Date, except where and to the extent necessary under any applicable federal securities laws or other government or stock exchange regulations. Shares acquired from the Corporation will be purchased for participants' accounts as of the close of business on the relevant Investment Date. Dividend and voting rights will commence upon settlement, which is normally five business days after purchase whether from the Corporation or any other source.

Direct Deposit of Dividends

Through the Program's direct deposit feature, participants may elect to have any cash dividends not being reinvested under the Program paid by electronic funds transfer to the participant's predesignated bank account. To receive such dividends by direct deposit, participants must first complete and sign the Direct Deposit Form and return the Form to the Administrator. Direct Deposit Forms are available upon request from the Administrator.

Forms will be processed and will become effective as promptly as practicable. Participants may change the designated account for direct deposit or discontinue this feature by written instruction to the Administrator.

Share Safekeeping

At the time of enrollment in the Program, or at any later time, participants may use the Program's "share safekeeping" service to deposit any Common Stock certificates in their possession with the Administrator. Shares deposited will be transferred into the name of the Administrator or its nominee and credited to the participant's account under the Program. Thereafter, such shares will be treated in the same manner as shares purchased through the Program.

By using the Program's share safekeeping service, participants no longer bear the risk associated with loss, theft or destruction of stock certificates. Also, because shares deposited with the Administrator are treated in the same manner as shares purchased through the Program, they may be transferred or sold through the Program in a

convenient and efficient manner. See "Withdrawal" and "Sale of Shares" above and "Gift/Transfer of Shares Within the Program" below.

Participants who wish to deposit their Common Stock certificates with the Administrator must complete and return to the Administrator, by registered, insured mail, the Common Stock certificates to be deposited along with a properly completed Share Safekeeping Form. The certificates should not be endorsed. Share Safekeeping Forms are available from the Administrator.

Transfer of Shares from a Broker

Owners of Common Stock may wish to transfer to their Program accounts shares owned by them but held in "street name" through a broker or other agent. To do so, participants must complete a Broker Transfer Form and return it to the Administrator. The Administrator, upon receipt of a properly completed Form, will contact the broker holding the shares of Common Stock and will arrange to transfer those shares specified by the participant into the name of the Administrator or its nominee for credit to the participant's account under the Program. Broker Transfer Forms are available upon request from the Administrator.

Share owners wishing to enroll in the Program using shares transferred from a broker must include a properly completed Broker Transfer Form with the Enrollment Form returned to the Administrator. Participation in the Program will commence when shares of Common Stock are received by the Administrator from the transferring broker.

Individual Retirement Account

Individuals may use the Program to establish an Individual Retirement Account (IRA) and to make contributions to the IRA or to roll over an existing IRA or other qualified plan distribution. After being furnished with a copy of this Prospectus, individuals may open an IRA by completing and signing an IRA Enrollment Form and returning it to the Administrator with an initial contribution. The minimum Initial Investment for an IRA Program account is \$250. For the purpose of rolling over an existing IRA or a qualified plan distribution into the Program, the maximum monthly investment does not apply. IRA Enrollment Forms are available upon request from the Administrator.

An annual administrative fee of \$20 will be charged for maintaining the IRA account. If not paid separately by the participant, the initial \$20 fee will be deducted from the Initial Investment when the IRA Enrollment Form is mailed to the Administrator. Thereafter, if not paid separately by the participant, the annual fee will be deducted from the participant's IRA Program account at the beginning of each year by cashing out any shares or fractions of shares sufficient to cover the amount of the fee.

Gift/Transfer of Shares Within the Program

If a participant wishes to transfer the ownership of all or part of the participant's shares held under the Program to a Program account for another person, whether by gift, private sale or otherwise, the participant may effect such transfer by mailing a properly completed Gift/Transfer Form, along with an executed stock assignment (stock power), to the Administrator. Transfers of less than all of the participant's shares must be made in whole share amounts. No fraction of a share may be transferred unless the participant's entire account is transferred. Requests for transfer are subject to the same requirements as for the transfer of Common Stock certificates, including the requirement of a signature guarantee on the stock assignment. Gift/Transfer Forms and Stock Power Forms are available upon request from the Administrator.

Shares so transferred will continue to be held by the Administrator under the Program. An account will be opened in the name of the transferee, if he or she is not already a participant, and such transferee will automatically be enrolled in the Program. If the transferee is not already a registered shareholder or a Program participant, the donor may make a reinvestment election for the transferee at the time of the gift. The transferee may change the reinvestment level after the gift has been made as described under "Reinvestment of Cash Dividends" above.

The transferee will receive a statement showing the number of shares transferred to and held in the transferee's Program account. Also, if requested by the participant, a gift certificate acknowledging the transfer of shares will be made available free of charge.

Reports to Participants

Each participant will receive a quarterly statement showing the amount invested, purchase price, the number of shares purchased, deposited, sold, transferred, withdrawn, total shares accumulated and other information for each quarter during the year. The quarterly statement will consolidate all shares held by the Administrator for the participant and other shares registered in the participant's name. Each participant should retain these statements so as to be able to establish the cost basis of shares purchased under the Program for income tax and other purposes. Duplicate statements will be available from the Administrator.

The Administrator will also send each participant a confirmation promptly after enrollment and after each optional cash investment, deposit, sale or transfer. Payroll deductions, annuity deductions, direct debits and dividend reinvestments will not be individually confirmed, but rather will appear on the quarterly statements.

In addition, each participant will receive copies of the same communications sent to all other holders of shares of Common Stock, including the Corporation's quarterly reports and annual report to stockholders, a notice of the annual meeting and accompanying proxy statement and Internal Revenue Service information return, if so required, for reporting dividend income received.

All notices, statements and reports from the Administrator to a participant will be addressed to the participant at his latest address of record with the Administrator. Therefore, participants must promptly notify the Administrator of any change of address.

Certificates for Shares

Shares purchased and held under the Program will be held in safekeeping by the Administrator in its name or the name of its nominee. The number of shares (including fractional interests) held for each participant will be shown on each statement of account. Participants may obtain a new certificate for all or some of the whole shares of Common Stock held in their Program accounts upon written request to the Administrator. Any remaining whole or fractional shares will continue to be held by the Administrator. Withdrawal of shares in the form of a certificate in no way affects dividend reinvestment (see "Reinvestment of Cash Dividends" above).

Except as described above under "Gift/Transfer of Shares Within the Program", shares of stock held by the Administrator for a participant's Program account may not be pledged or assigned. A participant who wishes to pledge or assign any such shares must request that a certificate for such shares be issued in the participant's name.

Miscellaneous

Stock Split, Stock Dividend or Rights Offering

Any dividends in Common Stock or split shares distributed by the Corporation on shares held by the Administrator for a participant's Program account will be added to the participant's account. Stock dividends or split shares distributed on shares registered in a participant's name and held in certificated form will be mailed directly to the participant in the same manner as to shareholders who are not participating in the Program. If a participant has elected to receive cash dividends rather than reinvest them, the election will be adjusted proportionately in the event of a stock split.

In the event of a rights offering, the participant will receive rights based upon the total number of whole shares owned, that is, the total number of shares registered in the participant's name and the total number of whole shares held in the participant's Program account.

Voting of Program Shares

Whole shares held in a Program account may be voted in person or by the proxy sent to the participant. Fractions of shares will not be voted.

Limitation of Liability

Neither the Corporation nor the Administrator (nor any of their respective agents, representatives, employees, officers, directors, or subcontractors) will be liable in

administering the Program for any act done in good faith nor for any good faith omission to act, including, without limitation, any claim of liability arising from failure to terminate a participant's account upon such a participant's death or with respect to the prices or times at which shares are purchased or sold for participants.

Change or Termination of the Program

The Corporation may suspend, modify or terminate the Program at any time in whole, in part, or in respect of participants in one or more jurisdictions. Notice of such suspension, modification or termination will be sent to all affected participants. No such event will affect any shares then credited to a participant's account. Upon any whole or partial termination of the Program by the Corporation, certificates for whole shares credited to an affected participant's account under the Program will be issued to the participant and a cash payment will be made for any fraction of a share. Fractions of shares will be valued at the same effective price as whole shares sold for a participant with respect to the next relevant Investment Date as described under "Source and Price of Shares" above.

Termination of a Participant

If a participant does not own at least one whole share registered in the participant's name or held through the Program, the participant's participation in the Program may be terminated. Exxon may also terminate any participant's participation in the Program after written notice in advance mailed to such participant at the address appearing on the Administrator's records. Participants whose participation in the Program has been terminated will receive certificates for whole shares held in their accounts and a check for the cash value of any fractional share held in their Program accounts. Fractions of shares will be valued at the same effective price as whole shares sold for a participant with respect to the next relevant Investment Date as described under "Source and Price of Shares" above.

THE CORPORATION

Exxon Corporation, the issuer of the Common Stock offered hereby, was incorporated in the State of New Jersey in 1882. The Corporation's principal executive office is located at 225 E. John W. Carpenter Freeway, Irving, Texas 75062-2298, and its telephone number is (214) 444-1000.

Divisions and affiliated companies of the Corporation operate in the United States and 79 other countries. Their principal business is energy, involving exploration for and production of crude oil and natural gas, manufacturing of petroleum products, and transportation and sale of crude oil, natural gas and petroleum products. Exxon Chemical Company, a division of the Corporation, is a major manufacturer and marketer of petrochemicals. The Corporation and its affiliates are engaged in exploration for and mining and sale of coal and other minerals. The Corporation also

has an interest in electric power generation in Hong Kong. Affiliates of the Corporation conduct extensive research programs in support of these businesses.

TAX CONSEQUENCES

The Corporation believes the following is an accurate summary of the tax consequences of participation in the Program as of the date of this Prospectus. This summary may not reflect every possible situation that could result from participation in the Program, and, therefore, participants in the Program are advised to consult their own tax advisor with respect to the tax consequences (including federal, state, local and other tax laws and U.S. tax withholding laws) applicable to their particular situations.

In general, the amount of cash dividends paid by the Corporation is still includable in income even though reinvested under the Program. Under this general rule, the cost basis for federal income tax purposes of any shares acquired through the Program will be the price at which the shares are credited by the Administrator to the account of the participant as described in the section entitled "Source and Price of Shares". In connection with market purchases, brokerage commissions paid by the Corporation on a participant's behalf are to be treated as distributions subject to income tax in the same manner as dividends. The amounts paid for brokerage commissions are, however, includable in the cost bases of shares purchased. The information return sent to participants and the IRS at year-end, if so required, will show such amounts paid on their behalf.

The above rules may not be applicable to certain participants in the Program, such as tax-exempt entities (e.g., pension funds and IRAs) and foreign shareholders. These particular participants should consult their own tax advisors concerning the tax consequences applicable to their situations.

In the case of participants in the Program whose dividends are subject to U.S. backup withholding, the Administrator will reinvest dividends less the amount of tax required to be withheld.

In the case of foreign shareholders whose dividends are subject to U.S. federal tax withholding, the Administrator will reinvest dividends less the amount of tax required to be withheld. The filing of any documentation required to obtain a reduction in U.S. withholding tax will be the responsibility of the shareholder.

USE OF PROCEEDS

At present, it is expected that purchases of Common Stock under the Program will be made in the open market and that the Corporation will not receive any proceeds therefrom. Therefore, it is not expected that the Program will be dilutive to current shareholders. If purchases of Common Stock are made directly from the Corporation, the Corporation intends to use any net proceeds from the sales of such shares for general corporate purposes.

LEGAL MATTERS

Counsel who has passed upon legal matters concerning the Program and the validity of the shares of Common Stock offered hereby is James Earl Parsons, who is regularly employed as Counsel for the Corporation. Mr. Parsons owns and has options to purchase shares of Common Stock and is a participant in the Program.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

How To Fill Out the Direct Registration Transaction Request Form

Sell - To sell **ALL** shares, check the "Sell All Shares" box on the reverse side. To sell only a portion of the shares you hold, **DO NOT** check the "Sell All Shares" box; instead, indicate the number of shares you wish to sell in the "Sell This Number Of Whole Shares" box, and return to the address below. Sale requests submitted on this *Direct Registration Transaction Request Form* will be treated as a batch order and are generally processed no later than five business days after the date on which the form is received. Shares will be sold in date acquired order as shown on our system unless otherwise specified in writing. A market order sale may be available by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the Terms and Conditions of Sales Facility in the Direct Registration brochure for more information concerning the types of orders available and fee details. Note: market orders and batch orders are subject to different fees. When selling through Computershare, you are unable to direct the time at which the shares may be sold and you are unable to select the broker through whom sales are made.

Issue - To request a certificate for **ALL** whole shares, check the "Issue All Whole Shares" box on the reverse side. To request a certificate for only a portion of the shares you hold, **DO NOT** check the "Issue All Whole Shares" box; instead, indicate the number of shares you wish to have certificated in the "Issue A Certificate For This Number Of Whole Shares" box, and return to the regular mail address below. Shares will be issued in date acquired order as shown on our system unless otherwise specified in writing. **Enclose a check if required.** A certificate will be sent to you by first class mail. If fractional shares are all that remain in your account, they may be sold and the proceeds mailed to you.

SSN/TIN Certified - If your account is not certified, you must complete a W-9 or W-8BEN tax form or taxes will be withheld from any dividends or sales proceeds per Internal Revenue Service requirements.

OTHER TRANSACTIONS - To obtain forms for transferring your Direct Registration shares to another person or to make changes to your account, such as an address change, please call the telephone number or visit our website on the reverse of the form.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. 1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. Direct Registration

the security and convenience of certificateless share ownership

The Company in which you own stock has elected to use the Direct Registration System (DRS) as its means of recording stock ownership. This brochure outlines what DRS means to you as a shareholder.

DRS is share ownership without paper stock certificates. Your shares are held in book-entry form. As the Company's transfer agent, Computershare keeps a record of your shares on the Company's register of owners. When you transfer or sell DRS shares, the transaction takes place electronically without the movement of stock certificates. The following pages more fully describe DRS.

Why is the Company using DRS?

DRS:

- Eliminates your risk of loss, theft or destruction of certificates, plus the time and expense to replace a lost certificate
- Eliminates the cost of maintaining a secure place to keep your certificates
- Makes your stock transactions faster and easier
- Saves the Company unnecessary printing and mailing expenses
- Supports the U.S. securities industry's move towards certificateless shares
- Has become the global standard for share ownership
- Offers a quick and convenient way of selling your DRS shares

Without certificates, how will I know how many shares I own?

Each time you have a share transaction you are sent a *Direct Registration Transaction Advice (Advice)* reporting the number of the Company's shares you hold in book-entry form. You are also sent a *Transaction Request Form* which can be used for sales transactions, as described further on in this brochure. For instructions on how to transfer your shares, please visit us online at www.computershare.com, refer to the *Transaction Request Form* or call Computershare at the telephone number on your *Advice*.

What about the certificates I already hold?

You may convert your **certificated shares** in the Company to DRS if you wish. To do this, send your stock certificate(s) and the completed *Transaction Request Form* to:

Computershare
Attn: Stock Transfer Department
250 Royall Street
Canton, MA 02021

Note: We cannot convert your stock certificates to DRS shares without receipt of the actual certificates.

We recommend that you use a courier service and please make sure that you **DO NOT** sign the back of your certificates.

How do I sell my DRS shares?

You may sell your shares as a Batch Order. For some companies, you may be able to sell your shares as a Market Order. The following describes the two types of orders.

Market Order. A market order is a request to sell shares promptly at market price. Market order sales are only available at www.computershare.com through Investor Centre or by telephone.

Batch Order. A batch order is an accumulation of all sales requests for a security submitted together as an aggregated request. Sale instructions for batch orders received by Computershare will be processed no later than five business days after the date on which the order is received (except where deferral is required under applicable federal or state laws or regulations), assuming the applicable market is open for trading and sufficient market liquidity exists. All sale requests received in writing, including on the *Transaction Request Form*, will automatically be treated as batch order sale requests. Batch orders are submitted on each market day, assuming there are sale requests to be processed.

To submit your sale request in writing, please complete the *Transaction Request Form* and mail it to Computershare:

Computershare
Attn: Sales Team
P.O. Box 43078
Providence, RI 02940-3078

For more information about the timing, processing, pricing of sale requests, and fees, see the Terms and Conditions of Sales Facility on the back of this page. Note: the Market Order and Batch Order sale requests are subject to different fees.

Can I transfer my DRS shares to my broker?

Yes, have your broker request your shares be sent to them through the Depository Trust Company's Direct Registration Profile System. You need to supply your broker with a copy of your latest *Advice* and the following information:

- Your Computershare account number (on your *Advice*)
- Your Social Security Number
- Computershare's DTC number, 7807
- The number of whole shares you wish to move from your Computershare account to your brokerage account

Terms and Conditions of Sales Facility

As a condition to using the Direct Registration services provided by Computershare Trust Company, N.A. ("Computershare"), you hereby agree to the following terms:

1. Sale Requests.

- (a) As a holder of book-entry shares, you may request that Computershare sell all or a portion of your shares in writing (via your *Transaction Request Form*), or online at www.computershare.com or via telephone. In submitting the sale instruction, you agree that Computershare may transfer your shares to complete the sale, including transfers to a nominee account of Computershare and to Computershare's brokerage firm.
- (b) If available, market order sale requests received at www.computershare.com through Investor Centre or by telephone will be placed promptly upon receipt during market hours (normally 9:30 a.m. to 4:00 p.m. Eastern Time). Any orders received after 4:00 p.m. Eastern Time will be placed promptly on the next day the market is open. The price shall be the market price of the sale obtained by Computershare's broker, net of fees.
- (c) Batch order sale requests received in writing (including via your *Transaction Request Form*), by telephone or at www.computershare.com through Investor Centre by Computershare will be processed no later than five Business Days after the date on which the order is received assuming the relevant markets are open and sufficient market liquidity exists (and except where deferral is required under applicable federal or state laws or regulations). (As used herein, the term "Business Day" means any day except a Saturday, Sunday, Federal Reserve Bank holiday or New York Stock Exchange holiday). All sale requests received in writing will be submitted as batch order sales. In every batch order sale, the price to each selling shareholder shall be the weighted average sale price obtained by Computershare's broker net of fees for each batch order placed by Computershare and executed by the broker. To maximize cost savings for batch order sale requests, Computershare will seek to sell shares in round lot transactions. For this purpose Computershare may combine each selling shareholder's shares with those of other selling shareholders.
- (d) Proceeds from the sale will generally be mailed within three (3) Business Days of the date upon which the sale transaction is settled. You agree that Computershare makes no representations or warranty that any of the services shall be performed at any set time, and Computershare shall not be liable of any change in the market value of any security at any time. If you are a shareholder enrolled in the Company's dividend reinvestment or direct stock purchase plan (collectively, the "Plan"), and the Plan provides that split, spin-off, or distributed shares are to be allocated to the shareholder through the Plan, then the sale of book-entry shares will be subject to the Plan, in which case such shareholder may not use the sales facility.
- (e) Computershare will instruct its broker, which may be an affiliate of Computershare, to effect sales on any securities market where the Company's shares are traded, subject to such terms with respect to price, delivery or other factors as Computershare may determine. No instruction to sell shares recently acquired will be accepted until the shares have been completely posted by Computershare to your book-entry Direct Registration account. You do not have any authority or power to direct the exact time at which shares may be sold or to select the broker or dealer through whom sales are to be made.
- (f) All sale requests are final. Once Computershare has received your sale instructions, the request cannot be stopped or cancelled. Shares are sold in date order unless otherwise submitted in writing, and may be a combination of DRS and Plan shares. Computershare does not provide any investment advice or recommendations with respect to any sale transaction initiated by you. Any decision to sell any security under the Sales Facility must be made by you based upon your own research and judgment.

2. **Fees.** In processing a sale instruction, you agree that Computershare is entitled to compensation under its fee schedule. The charge for the transaction is described on the *DRS Transaction Request Form* and available online at www.computershare.com. All fees shall be deducted from the sale proceeds. The fees are subject to change at any time without notice. You may inquire about the applicable fee before requesting a sale.

3. **Taxes.** Computershare, as dividend disbursing agent and as Direct Registration sales service agent, is required to perform backup withholding on those accounts which do not have a certified tax identification number. To avoid backup withholding on dividend disbursements or on sales of shares, please be sure your tax identification number on file with us is certified through the completion of Form W-9. Please visit us online if you need a W-9 for this purpose.

4. **Corporate Insiders.** If you are subject to Section 16 of the Securities Exchange Act of 1934 (or any rule promulgated thereunder) or are an affiliate of the Company (as that term is defined in Rule 144 of the Securities Act of 1933), you agree not to use the Sales Facility except in strict compliance with applicable securities law. You further agree that you are solely responsible for determining and maintaining compliance under applicable securities law. (Please note that the processing of such sales orders may entail additional delays.)

5. **Limitation of Liability.** No obligations are assumed by Computershare other than those that are specifically set forth herein, it being expressly understood that there are no implied duties or obligations under this Sales Facility. Computershare shall not be liable to you for any action taken or omitted to be taken in connection with or under this Sales Facility, except that Computershare shall be liable for direct losses incurred by you arising out of the willful misconduct of Computershare. Under no circumstances whatsoever shall Computershare be liable for special, indirect, incidental, punitive or consequential loss, or damage of any kind whatsoever (including, but not limited to, lost profits), even if Computershare has been advised of the possibility of such loss or damage. Under no circumstances whatsoever shall Computershare be liable for any actions or inactions of any brokerage firm retained by Computershare to perform any services under this Sales Facility. Computershare shall not be liable for any loss or damage resulting from its inability to comply with these Terms and Conditions by reason of events beyond its reasonable control, including acts of war, terrorism, riots, civil emergencies, acts of God or nature, local or regional electrical or communications system breakdowns, or acts of civil or military authority.

6. **Entire Agreement and Modifications.** The terms and conditions of this Sales Facility, including this brochure and all exhibits attached hereto, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior or contemporaneous agreements, whether written or oral, between the parties. Computershare reserves the right to amend or modify these Terms and Conditions and to terminate this Sales Facility at any time, by sending a copy of such modification or notice of termination (that may be included with normal company mailings to shareholders) to shareholders in Direct Registration (or by posting a copy of such modification or notice at www.computershare.com).

7. **Governing Law and Jurisdiction.** The Sales Facility shall be governed by the laws of the State of New York (without regard to the conflict of law principles), and the parties hereby consent to the jurisdiction of courts in Illinois, New Jersey, and Massachusetts (whether state or federal) over all matters relating to this Sales Facility.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

INVESTOR SERVICES

Direct Registration

the security and convenience of certificateless share ownership

The Company in which you own stock has elected to use the Direct Registration System (DRS) as its means of recording stock ownership. This brochure outlines what DRS means to you as a shareholder.

DRS is share ownership without paper stock certificates. Your shares are held in book-entry form. As the Company's transfer agent, Computershare keeps a record of your shares on the Company's register of owners. When you transfer or sell DRS shares, the transaction takes place electronically without the movement of stock certificates. The following pages more fully describe DRS.

Why is the Company using DRS?

DRS:

- Eliminates your risk of loss, theft or destruction of certificates, plus the time and expense to replace a lost certificate
- Eliminates the cost of maintaining a secure place to keep your certificates
- Makes your stock transactions faster and easier
- Saves the Company unnecessary printing and mailing expenses
- Supports the U.S. securities industry's move towards certificateless shares
- Has become the global standard for share ownership
- Offers a quick and convenient way of selling your DRS shares

Without certificates, how will I know how many shares I own?

Each time you have a share transaction you are sent a *Direct Registration Transaction Advice (Advice)* reporting the number of the Company's shares you hold in book-entry form. You are also sent a *Transaction Request Form* which can be used for sales transactions, as described further on in this brochure. For instructions on how to transfer your shares, please visit us online at www.computershare.com, refer to the *Transaction Request Form* or call Computershare at the telephone number on your *Advice*.

What about the certificates I already hold?

You may convert your **certificated shares** in the Company to DRS if you wish. To do this, send your stock certificate(s) and the completed *Transaction Request Form* to:

Computershare
Attn: Stock Transfer Department
250 Royall Street
Canton, MA 02021

Note: We cannot convert your stock certificates to DRS shares without receipt of the actual certificates.

We recommend that you use a courier service and please make sure that you **DO NOT** sign the back of your certificates.

How do I sell my DRS shares?

You may sell your shares as a Batch Order. For some companies, you may be able to sell your shares as a Market Order. The following describes the two types of orders.

Market Order. A market order is a request to sell shares promptly at market price. Market order sales are only available at www.computershare.com through Investor Centre or by telephone.

Batch Order. A batch order is an accumulation of all sales requests for a security submitted together as an aggregated request. Sale instructions for batch orders received by Computershare will be processed no later than five business days after the date on which the order is received (except where deferral is required under applicable federal or state laws or regulations), assuming the applicable market is open for trading and sufficient market liquidity exists. All sale requests received in writing, including on the *Transaction Request Form*, will automatically be treated as batch order sale requests. Batch orders are submitted on each market day, assuming there are sale requests to be processed.

To submit your sale request in writing, please complete the *Transaction Request Form* and mail it to Computershare:

Computershare
Attn: Sales Team
P.O. Box 43078
Providence, RI 02940-3078

For more information about the timing, processing, pricing of sale requests, and fees, see the Terms and Conditions of Sales Facility on the back of this page. Note: the Market Order and Batch Order sale requests are subject to different fees.

Can I transfer my DRS shares to my broker?

Yes, have your broker request your shares be sent to them through the Depository Trust Company's Direct Registration Profile System. You need to supply your broker with a copy of your latest *Advice* and the following information:

- Your Computershare account number (on your *Advice*)
- Your Social Security Number
- Computershare's DTC number, 7807
- The number of whole shares you wish to move from your Computershare account to your brokerage account

Terms and Conditions of Sales Facility

As a condition to using the Direct Registration services provided by Computershare Trust Company, N.A. ("Computershare"), you hereby agree to the following terms:

1. Sale Requests.

- (a) As a holder of book-entry shares, you may request that Computershare sell all or a portion of your shares in writing (via your *Transaction Request Form*), or online at www.computershare.com or via telephone. In submitting the sale instruction, you agree that Computershare may transfer your shares to complete the sale, including transfers to a nominee account of Computershare and to Computershare's brokerage firm.
- (b) If available, market order sale requests received at www.computershare.com through Investor Centre or by telephone will be placed promptly upon receipt during market hours (normally 9:30 a.m. to 4:00 p.m. Eastern Time). Any orders received after 4:00 p.m. Eastern Time will be placed promptly on the next day the market is open. The price shall be the market price of the sale obtained by Computershare's broker, net of fees.
- (c) Batch order sale requests received in writing (including via your *Transaction Request Form*), by telephone or at www.computershare.com through Investor Centre by Computershare will be processed no later than five Business Days after the date on which the order is received assuming the relevant markets are open and sufficient market liquidity exists (and except where deferral is required under applicable federal or state laws or regulations). (As used herein, the term "Business Day" means any day except a Saturday, Sunday, Federal Reserve Bank holiday or New York Stock Exchange holiday). All sale requests received in writing will be submitted as batch order sales. In every batch order sale, the price to each selling shareholder shall be the weighted average sale price obtained by Computershare's broker net of fees for each batch order placed by Computershare and executed by the broker. To maximize cost savings for batch order sale requests, Computershare will seek to sell shares in round lot transactions. For this purpose Computershare may combine each selling shareholder's shares with those of other selling shareholders.
- (d) Proceeds from the sale will generally be mailed within three (3) Business Days of the date upon which the sale transaction is settled. You agree that Computershare makes no representations or warranty that any of the services shall be performed at any set time, and Computershare shall not be liable of any change in the market value of any security at any time. If you are a shareholder enrolled in the Company's dividend reinvestment or direct stock purchase plan (collectively, the "Plan"), and the Plan provides that split, spin-off, or distributed shares are to be allocated to the shareholder through the Plan, then the sale of book-entry shares will be subject to the Plan, in which case such shareholder may not use the sales facility.
- (e) Computershare will instruct its broker, which may be an affiliate of Computershare, to effect sales on any securities market where the Company's shares are traded, subject to such terms with respect to price, delivery or other factors as Computershare may determine. No instruction to sell shares recently acquired will be accepted until the shares have been completely posted by Computershare to your book-entry Direct Registration account. You do not have any authority or power to direct the exact time at which shares may be sold or to select the broker or dealer through whom sales are to be made.
- (f) All sale requests are final. Once Computershare has received your sale instructions, the request cannot be stopped or cancelled. Shares are sold in date order unless otherwise submitted in writing, and may be a combination of DRS and Plan shares. Computershare does not provide any investment advice or recommendations with respect to any sale transaction initiated by you. Any decision to sell any security under the Sales Facility must be made by you based upon your own research and judgment.

2. **Fees.** In processing a sale instruction, you agree that Computershare is entitled to compensation under its fee schedule. The charge for the transaction is described on the *DRS Transaction Request Form* and available online at www.computershare.com. All fees shall be deducted from the sale proceeds. The fees are subject to change at any time without notice. You may inquire about the applicable fee before requesting a sale.
3. **Taxes.** Computershare, as dividend disbursing agent and as Direct Registration sales service agent, is required to perform backup withholding on those accounts which do not have a certified tax identification number. To avoid backup withholding on dividend disbursements or on sales of shares, please be sure your tax identification number on file with us is certified through the completion of Form W-9. Please visit us online if you need a W-9 for this purpose.
4. **Corporate Insiders.** If you are subject to Section 16 of the Securities Exchange Act of 1934 (or any rule promulgated thereunder) or are an affiliate of the Company (as that term is defined in Rule 144 of the Securities Act of 1933), you agree not to use the Sales Facility except in strict compliance with applicable securities law. You further agree that you are solely responsible for determining and maintaining compliance under applicable securities law. (Please note that the processing of such sales orders may entail additional delays.)
5. **Limitation of Liability.** No obligations are assumed by Computershare other than those that are specifically set forth herein, it being expressly understood that there are no implied duties or obligations under this Sales Facility. Computershare shall not be liable to you for any action taken or omitted to be taken in connection with or under this Sales Facility, except that Computershare shall be liable for direct losses incurred by you arising out of the willful misconduct of Computershare. Under no circumstances whatsoever shall Computershare be liable for special, indirect, incidental, punitive or consequential loss, or damage of any kind whatsoever (including, but not limited to, lost profits), even if Computershare has been advised of the possibility of such loss or damage. Under no circumstances whatsoever shall Computershare be liable for any actions or inactions of any brokerage firm retained by Computershare to perform any services under this Sales Facility. Computershare shall not be liable for any loss or damage resulting from its inability to comply with these Terms and Conditions by reason of events beyond its reasonable control, including acts of war, terrorism, riots, civil emergencies, acts of God or nature, local or regional electrical or communications system breakdowns, or acts of civil or military authority.
6. **Entire Agreement and Modifications.** The terms and conditions of this Sales Facility, including this brochure and all exhibits attached hereto, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior or contemporaneous agreements, whether written or oral, between the parties. Computershare reserves the right to amend or modify these Terms and Conditions and to terminate this Sales Facility at any time, by sending a copy of such modification or notice of termination (that may be included with normal company mailings to shareholders) to shareholders in Direct Registration (or by posting a copy of such modification or notice at www.computershare.com).
7. **Governing Law and Jurisdiction.** The Sales Facility shall be governed by the laws of the State of New York (without regard to the conflict of law principles), and the parties hereby consent to the jurisdiction of courts in Illinois, New Jersey, and Massachusetts (whether state or federal) over all matters relating to this Sales Facility.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

INVESTOR SERVICES

Direct Registration

the security and convenience of certificateless share ownership

The Company in which you own stock has elected to use the Direct Registration System (DRS) as its means of recording stock ownership. This brochure outlines what DRS means to you as a shareholder.

DRS is share ownership without paper stock certificates. Your shares are held in book-entry form. As the Company's transfer agent, Computershare keeps a record of your shares on the Company's register of owners. When you transfer or sell DRS shares, the transaction takes place electronically without the movement of stock certificates. The following pages more fully describe DRS.

Why is the Company using DRS?

DRS:

- Eliminates your risk of loss, theft or destruction of certificates, plus the time and expense to replace a lost certificate
- Eliminates the cost of maintaining a secure place to keep your certificates
- Makes your stock transactions faster and easier
- Saves the Company unnecessary printing and mailing expenses
- Supports the U.S. securities industry's move towards certificateless shares
- Has become the global standard for share ownership
- Offers a quick and convenient way of selling your DRS shares

Without certificates, how will I know how many shares I own?

Each time you have a share transaction you are sent a *Direct Registration Transaction Advice (Advice)* reporting the number of the Company's shares you hold in book-entry form. You are also sent a *Transaction Request Form* which can be used for sales transactions, as described further on in this brochure. For instructions on how to transfer your shares, please visit us online at www.computershare.com, refer to the *Transaction Request Form* or call Computershare at the telephone number on your *Advice*.

What about the certificates I already hold?

You may convert your **certificated shares** in the Company to DRS if you wish. To do this, send your stock certificate(s) and the completed *Transaction Request Form* to:

Computershare
Attn: Stock Transfer Department
250 Royall Street
Canton, MA 02021

Note: We cannot convert your stock certificates to DRS shares without receipt of the actual certificates.

We recommend that you use a courier service and please make sure that you **DO NOT** sign the back of your certificates.

How do I sell my DRS shares?

You may sell your shares as a Batch Order. For some companies, you may be able to sell your shares as a Market Order. The following describes the two types of orders.

Market Order. A market order is a request to sell shares promptly at market price. Market order sales are only available at www.computershare.com through Investor Centre or by telephone.

Batch Order. A batch order is an accumulation of all sales requests for a security submitted together as an aggregated request. Sale instructions for batch orders received by Computershare will be processed no later than five business days after the date on which the order is received (except where deferral is required under applicable federal or state laws or regulations), assuming the applicable market is open for trading and sufficient market liquidity exists. All sale requests received in writing, including on the *Transaction Request Form*, will automatically be treated as batch order sale requests. Batch orders are submitted on each market day, assuming there are sale requests to be processed.

To submit your sale request in writing, please complete the *Transaction Request Form* and mail it to Computershare:

Computershare
Attn: Sales Team
P.O. Box 43078
Providence, RI 02940-3078

For more information about the timing, processing, pricing of sale requests, and fees, see the Terms and Conditions of Sales Facility on the back of this page. Note: the Market Order and Batch Order sale requests are subject to different fees.

Can I transfer my DRS shares to my broker?

Yes, have your broker request your shares be sent to them through the Depository Trust Company's Direct Registration Profile System. You need to supply your broker with a copy of your latest *Advice* and the following information:

- Your Computershare account number (on your *Advice*)
- Your Social Security Number
- Computershare's DTC number, 7807
- The number of whole shares you wish to move from your Computershare account to your brokerage account

Terms and Conditions of Sales Facility

As a condition to using the Direct Registration services provided by Computershare Trust Company, N.A. ("Computershare"), you hereby agree to the following terms:

1. Sale Requests.

- (a) As a holder of book-entry shares, you may request that Computershare sell all or a portion of your shares in writing (via your *Transaction Request Form*), or online at www.computershare.com or via telephone. In submitting the sale instruction, you agree that Computershare may transfer your shares to complete the sale, including transfers to a nominee account of Computershare and to Computershare's brokerage firm.
- (b) If available, market order sale requests received at www.computershare.com through Investor Centre or by telephone will be placed promptly upon receipt during market hours (normally 9:30 a.m. to 4:00 p.m. Eastern Time). Any orders received after 4:00 p.m. Eastern Time will be placed promptly on the next day the market is open. The price shall be the market price of the sale obtained by Computershare's broker, net of fees.
- (c) Batch order sale requests received in writing (including via your *Transaction Request Form*), by telephone or at www.computershare.com through Investor Centre by Computershare will be processed no later than five Business Days after the date on which the order is received assuming the relevant markets are open and sufficient market liquidity exists (and except where deferral is required under applicable federal or state laws or regulations). (As used herein, the term "Business Day" means any day except a Saturday, Sunday, Federal Reserve Bank holiday or New York Stock Exchange holiday). All sale requests received in writing will be submitted as batch order sales. In every batch order sale, the price to each selling shareholder shall be the weighted average sale price obtained by Computershare's broker net of fees for each batch order placed by Computershare and executed by the broker. To maximize cost savings for batch order sale requests, Computershare will seek to sell shares in round lot transactions. For this purpose Computershare may combine each selling shareholder's shares with those of other selling shareholders.
- (d) Proceeds from the sale will generally be mailed within three (3) Business Days of the date upon which the sale transaction is settled. You agree that Computershare makes no representations or warranty that any of the services shall be performed at any set time, and Computershare shall not be liable of any change in the market value of any security at any time. If you are a shareholder enrolled in the Company's dividend reinvestment or direct stock purchase plan (collectively, the "Plan"), and the Plan provides that split, spin-off, or distributed shares are to be allocated to the shareholder through the Plan, then the sale of book-entry shares will be subject to the Plan, in which case such shareholder may not use the sales facility.
- (e) Computershare will instruct its broker, which may be an affiliate of Computershare, to effect sales on any securities market where the Company's shares are traded, subject to such terms with respect to price, delivery or other factors as Computershare may determine. No instruction to sell shares recently acquired will be accepted until the shares have been completely posted by Computershare to your book-entry Direct Registration account. You do not have any authority or power to direct the exact time at which shares may be sold or to select the broker or dealer through whom sales are to be made.
- (f) All sale requests are final. Once Computershare has received your sale instructions, the request cannot be stopped or cancelled. Shares are sold in date order unless otherwise submitted in writing, and may be a combination of DRS and Plan shares. Computershare does not provide any investment advice or recommendations with respect to any sale transaction initiated by you. Any decision to sell any security under the Sales Facility must be made by you based upon your own research and judgment.

2. **Fees.** In processing a sale instruction, you agree that Computershare is entitled to compensation under its fee schedule. The charge for the transaction is described on the *DRS Transaction Request Form* and available online at www.computershare.com. All fees shall be deducted from the sale proceeds. The fees are subject to change at any time without notice. You may inquire about the applicable fee before requesting a sale.
3. **Taxes.** Computershare, as dividend disbursing agent and as Direct Registration sales service agent, is required to perform backup withholding on those accounts which do not have a certified tax identification number. To avoid backup withholding on dividend disbursements or on sales of shares, please be sure your tax identification number on file with us is certified through the completion of Form W-9. Please visit us online if you need a W-9 for this purpose.
4. **Corporate Insiders.** If you are subject to Section 16 of the Securities Exchange Act of 1934 (or any rule promulgated thereunder) or are an affiliate of the Company (as that term is defined in Rule 144 of the Securities Act of 1933), you agree not to use the Sales Facility except in strict compliance with applicable securities law. You further agree that you are solely responsible for determining and maintaining compliance under applicable securities law. (Please note that the processing of such sales orders may entail additional delays.)
5. **Limitation of Liability.** No obligations are assumed by Computershare other than those that are specifically set forth herein, it being expressly understood that there are no implied duties or obligations under this Sales Facility. Computershare shall not be liable to you for any action taken or omitted to be taken in connection with or under this Sales Facility, except that Computershare shall be liable for direct losses incurred by you arising out of the willful misconduct of Computershare. Under no circumstances whatsoever shall Computershare be liable for special, indirect, incidental, punitive or consequential loss, or damage of any kind whatsoever (including, but not limited to, lost profits), even if Computershare has been advised of the possibility of such loss or damage. Under no circumstances whatsoever shall Computershare be liable for any actions or inactions of any brokerage firm retained by Computershare to perform any services under this Sales Facility. Computershare shall not be liable for any loss or damage resulting from its inability to comply with these Terms and Conditions by reason of events beyond its reasonable control, including acts of war, terrorism, riots, civil emergencies, acts of God or nature, local or regional electrical or communications system breakdowns, or acts of civil or military authority.
6. **Entire Agreement and Modifications.** The terms and conditions of this Sales Facility, including this brochure and all exhibits attached hereto, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior or contemporaneous agreements, whether written or oral, between the parties. Computershare reserves the right to amend or modify these Terms and Conditions and to terminate this Sales Facility at any time, by sending a copy of such modification or notice of termination (that may be included with normal company mailings to shareholders) to shareholders in Direct Registration (or by posting a copy of such modification or notice at www.computershare.com).
7. **Governing Law and Jurisdiction.** The Sales Facility shall be governed by the laws of the State of New York (without regard to the conflict of law principles), and the parties hereby consent to the jurisdiction of courts in Illinois, New Jersey, and Massachusetts (whether state or federal) over all matters relating to this Sales Facility.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

**Direct Registration**

the security and convenience of certificateless share ownership

The Company in which you own stock has elected to use the Direct Registration System (DRS) as its means of recording stock ownership. This brochure outlines what DRS means to you as a shareholder.

DRS is share ownership without paper stock certificates. Your shares are held in book-entry form. As the Company's transfer agent, Computershare keeps a record of your shares on the Company's register of owners. When you transfer or sell DRS shares, the transaction takes place electronically without the movement of stock certificates. The following pages more fully describe DRS.

Why is the Company using DRS?

DRS:

- Eliminates your risk of loss, theft or destruction of certificates, plus the time and expense to replace a lost certificate
- Eliminates the cost of maintaining a secure place to keep your certificates
- Makes your stock transactions faster and easier
- Saves the Company unnecessary printing and mailing expenses
- Supports the U.S. securities industry's move towards certificateless shares
- Has become the global standard for share ownership
- Offers a quick and convenient way of selling your DRS shares

Without certificates, how will I know how many shares I own?

Each time you have a share transaction you are sent a *Direct Registration Transaction Advice (Advice)* reporting the number of the Company's shares you hold in book-entry form. You are also sent a *Transaction Request Form* which can be used for sales transactions, as described further on in this brochure. For instructions on how to transfer your shares, please visit us online at www.computershare.com, refer to the *Transaction Request Form* or call Computershare at the telephone number on your *Advice*.

What about the certificates I already hold?

You may convert your **certificated shares** in the Company to DRS if you wish. To do this, send your stock certificate(s) and the completed *Transaction Request Form* to:

Computershare
Attn: Stock Transfer Department
250 Royall Street
Canton, MA 02021

Note: We cannot convert your stock certificates to DRS shares without receipt of the actual certificates.

We recommend that you use a courier service and please make sure that you **DO NOT** sign the back of your certificates.

How do I sell my DRS shares?

You may sell your shares as a Batch Order. For some companies, you may be able to sell your shares as a Market Order. The following describes the two types of orders.

Market Order. A market order is a request to sell shares promptly at market price. Market order sales are only available at www.computershare.com through Investor Centre or by telephone.

Batch Order. A batch order is an accumulation of all sales requests for a security submitted together as an aggregated request. Sale instructions for batch orders received by Computershare will be processed no later than five business days after the date on which the order is received (except where deferral is required under applicable federal or state laws or regulations), assuming the applicable market is open for trading and sufficient market liquidity exists. All sale requests received in writing, including on the *Transaction Request Form*, will automatically be treated as batch order sale requests. Batch orders are submitted on each market day, assuming there are sale requests to be processed.

To submit your sale request in writing, please complete the *Transaction Request Form* and mail it to Computershare:

Computershare
Attn: Sales Team
P.O. Box 43078
Providence, RI 02940-3078

For more information about the timing, processing, pricing of sale requests, and fees, see the Terms and Conditions of Sales Facility on the back of this page. Note: the Market Order and Batch Order sale requests are subject to different fees.

Can I transfer my DRS shares to my broker?

Yes, have your broker request your shares be sent to them through the Depository Trust Company's Direct Registration Profile System. You need to supply your broker with a copy of your latest *Advice* and the following information:

- Your Computershare account number (on your *Advice*)
- Your Social Security Number
- Computershare's DTC number, 7807
- The number of whole shares you wish to move from your Computershare account to your brokerage account

Terms and Conditions of Sales Facility

As a condition to using the Direct Registration services provided by Computershare Trust Company, N.A. ("Computershare"), you hereby agree to the following terms:

1. Sale Requests.

- (a) As a holder of book-entry shares, you may request that Computershare sell all or a portion of your shares in writing (via your *Transaction Request Form*), or online at www.computershare.com or via telephone. In submitting the sale instruction, you agree that Computershare may transfer your shares to complete the sale, including transfers to a nominee account of Computershare and to Computershare's brokerage firm.
- (b) If available, market order sale requests received at www.computershare.com through Investor Centre or by telephone will be placed promptly upon receipt during market hours (normally 9:30 a.m. to 4:00 p.m. Eastern Time). Any orders received after 4:00 p.m. Eastern Time will be placed promptly on the next day the market is open. The price shall be the market price of the sale obtained by Computershare's broker, net of fees.
- (c) Batch order sale requests received in writing (including via your *Transaction Request Form*), by telephone or at www.computershare.com through Investor Centre by Computershare will be processed no later than five Business Days after the date on which the order is received assuming the relevant markets are open and sufficient market liquidity exists (and except where deferral is required under applicable federal or state laws or regulations). (As used herein, the term "Business Day" means any day except a Saturday, Sunday, Federal Reserve Bank holiday or New York Stock Exchange holiday). All sale requests received in writing will be submitted as batch order sales. In every batch order sale, the price to each selling shareholder shall be the weighted average sale price obtained by Computershare's broker net of fees for each batch order placed by Computershare and executed by the broker. To maximize cost savings for batch order sale requests, Computershare will seek to sell shares in round lot transactions. For this purpose Computershare may combine each selling shareholder's shares with those of other selling shareholders.
- (d) Proceeds from the sale will generally be mailed within three (3) Business Days of the date upon which the sale transaction is settled. You agree that Computershare makes no representations or warranty that any of the services shall be performed at any set time, and Computershare shall not be liable of any change in the market value of any security at any time. If you are a shareholder enrolled in the Company's dividend reinvestment or direct stock purchase plan (collectively, the "Plan"), and the Plan provides that split, spin-off, or distributed shares are to be allocated to the shareholder through the Plan, then the sale of book-entry shares will be subject to the Plan, in which case such shareholder may not use the sales facility.
- (e) Computershare will instruct its broker, which may be an affiliate of Computershare, to effect sales on any securities market where the Company's shares are traded, subject to such terms with respect to price, delivery or other factors as Computershare may determine. No instruction to sell shares recently acquired will be accepted until the shares have been completely posted by Computershare to your book-entry Direct Registration account. You do not have any authority or power to direct the exact time at which shares may be sold or to select the broker or dealer through whom sales are to be made.
- (f) All sales requests are final. Once Computershare receives your sale instructions, the request cannot be stopped or cancelled. Shares sold may be a combination of DRS and plan shares. Computershare does not provide any investment advice or recommendations with respect to any sale transaction initiated by you. Any decision to sell any security under the Sales Facility must be made by you based upon your own research and judgment. The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

2. **Fees.** In processing a sale instruction, you agree that Computershare is entitled to compensation under its fee schedule. The charge for the transaction is described on the *DRS Transaction Request Form* and available online at www.computershare.com. All fees shall be deducted from the sale proceeds. The fees are subject to change at any time without notice. You may inquire about the applicable fee before requesting a sale.
3. **Taxes.** Computershare, as dividend disbursing agent and as Direct Registration sales service agent, is required to perform backup withholding on those accounts which do not have a certified tax identification number. To avoid backup withholding on dividend disbursements or on sales of shares, please be sure your tax identification number on file with us is certified through the completion of Form W-9. Please visit us online if you need a W-9 for this purpose.
4. **Corporate Insiders.** If you are subject to Section 16 of the Securities Exchange Act of 1934 (or any rule promulgated thereunder) or are an affiliate of the Company (as that term is defined in Rule 144 of the Securities Act of 1933), you agree not to use the Sales Facility except in strict compliance with applicable securities law. You further agree that you are solely responsible for determining and maintaining compliance under applicable securities law. (Please note that the processing of such sales orders may entail additional delays.)
5. **Limitation of Liability.** No obligations are assumed by Computershare other than those that are specifically set forth herein, it being expressly understood that there are no implied duties or obligations under this Sales Facility. Computershare shall not be liable to you for any action taken or omitted to be taken in connection with or under this Sales Facility, except that Computershare shall be liable for direct losses incurred by you arising out of the willful misconduct of Computershare. Under no circumstances whatsoever shall Computershare be liable for special, indirect, incidental, punitive or consequential loss, or damage of any kind whatsoever (including, but not limited to, lost profits), even if Computershare has been advised of the possibility of such loss or damage. Under no circumstances whatsoever shall Computershare be liable for any actions or inactions of any brokerage firm retained by Computershare to perform any services under this Sales Facility. Computershare shall not be liable for any loss or damage resulting from its inability to comply with these Terms and Conditions by reason of events beyond its reasonable control, including acts of war, terrorism, riots, civil emergencies, acts of God or nature, local or regional electrical or communications system breakdowns, or acts of civil or military authority.
6. **Entire Agreement and Modifications.** The terms and conditions of this Sales Facility, including this brochure and all exhibits attached hereto, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior or contemporaneous agreements, whether written or oral, between the parties. Computershare reserves the right to amend or modify these Terms and Conditions and to terminate this Sales Facility at any time, by sending a copy of such modification or notice of termination (that may be included with normal company mailings to shareholders) to shareholders in Direct Registration [or by posting a copy of such modification or notice at www.computershare.com].
7. **Governing Law and Jurisdiction.** The Sales Facility shall be governed by the laws of the State of New York (without regard to the conflict of law principles), and the parties hereby consent to the jurisdiction of courts in Illinois, New Jersey, and Massachusetts (whether state or federal) over all matters relating to this Sales Facility.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. Account Number: May show an account or other unique number the payer assigned to distinguish your account.

Box 1a: Shows total ordinary dividends that are taxable. Include this amount on line 9a of Form 1040 or 1040A. Also, report it on Schedule B (Form 1040 or 1040A), if required.

The amount shown may be a distribution from an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040/1040A, but treat it as a plan distribution, not as investment income, for any other purpose.

Box 1b: Shows the portion of the amount in box 1a that may be eligible for the 15% or 0% capital gains rates. See the Form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 9b, Form 1040 or 1040A.

Box 3: Shows the part of the distribution that is nontaxable because it is a return of your cost (or other basis). But if you get back all your cost (or other basis), report future distributions as capital gains. See Pub. 550, Investment Income and Expenses.

Box 4: Shows backup withholding. For example, a payer must backup withhold on certain payments if you did not give your taxpayer identification number to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 6: Shows the foreign tax you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 instructions.

Box 7: This box should be left blank if a regulated investment company reported the foreign tax shown in box 6.

Box 8: Shows cash liquidation distributions.

Nominees: If this form includes amounts belonging to another person, you are considered a nominee recipient. You must file Form 1099-DIV with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. A husband or wife is not required to file a nominee return to show amounts owned by the other. See the current tax year General Instructions for Certain Information Returns.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)**You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!**

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use **section 1A** above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use **section 1B** above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use **section 1C** above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign **section 1D** for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.**Privacy Notice**

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

Dear Sirs:

I spoke with Catherine Dixon this morning about the following documents which were previously filed with the court in the above-referenced matter:

1. Carl Henry Brunsting's Verified Petition to Take Depositions Before Suit; and
2. Notice to Computershare Investor Services of Hearing on Petition to Take Depositions Before Suit.

While these documents were previously sent via certified mail to Computershare Investor Services's registered agent in Texas, we had received no response. We have enclosed another copy of the documents so this can be addressed by your legal department as soon as possible. To simplify things, we have also enclosed an extra copy of Exhibit E to the Petition which outlines the documents we are asking Computershare, as transfer agent for Exxon Mobil Corporation, to provide. The social security number for Elmer Brunsting is 282-32-8905. The social security number for Nelva Brunsting is 481-30-4685.

Also enclosed is an Amended Notice of Hearing which resets the hearing in the matter for May 18, 2012.

Re: Cause No. 2012-14538; *In re: Carl Henry Brunsting*; In the 80th Judicial District
Court of Harris County, Texas

Dear Sirs:

On April 12, 2012, after speaking with Catherine Dixon in your department, I sent additional documents and information relating to a request for information in the above-referenced case concerning the history of some Exxon Mobil Corporation stock. I have heard nothing further since that letter. I have enclosed a copy of that earlier letter and the Court's Order requiring Computershare to provide the information requested, as well as another copy of Exhibit E from the verified petition which outlines the requested information.

As you can see, in my April 12, 2012 letter, I also provided social security numbers for the individuals who originally owned the stock, but at some point the stock was moved to trusts and thereafter, at least in part, out to other parties. So to the extent your delay in responding has been because of the trusts' ownership of the stock, I wanted to provide you with that additional information. Initially, the trust would have been referred to as "The Brunsting Family Living Trust," but after the first grantor of that trust died, the names of "The Nelva Brunsting Survivor's Trust" and the "Elmer Brunsting Decedent's Trust" would have been used. I am enclosing statements with holder account numbers which I have obtained from other sources in the case in hopes that it will speed up your search. I do not intend, however, for your search to be limited to these accounts because, as I said, I believe these shares have been held by or transferred to other parties as well.

It has been sometime since this request was made. I need these documents as soon as possible, so if you have any questions, please contact me upon your receipt of this letter.

Very truly yours,

Bobbie G. Bayless

**ORDER ON CARL HENRY BRUNSTING'S
VERIFIED PETITION TO TAKE DEPOSITIONS BEFORE SUIT**

After considering the Petition of Carl Henry Brunsting, asking the court for permission to take oral and written depositions to investigate potential claims, the response, if any, and arguments of counsel, the court GRANTS the request and finds that allowing Petitioner to take the requested depositions may prevent a failure or delay of justice in an anticipated suit and that the likely benefit of allowing the Petitioner to take the requested depositions to investigate potential claims outweighs the burden or expense of the procedure.

It is therefore ORDERED that petitioner may take the oral and/or written deposition of

- A. Carole Ann Brunsting;
- B. Computershare Investor Services, LLC, the transfer agent for ExxonMobil Shareholder Services;
- C. Tino Vasquez;
- D. Robert Cantu; and
- E. Bank of America, NA

at a time and place arranged by Petitioner's counsel.

Unless the documents are being obtained by deposition on written questions, the following witnesses are also directed to deliver the documents specified in the applicable exhibits attached to the Petition to the offices of Petitioner's counsel at least 7 days prior to their deposition:

- A. Carole Ann Brunsting (Documents described in Exhibit D to be produced by this witness)
- B. Computershare Investor Services, LLC, the transfer agent for ExxonMobil Shareholder Services (Documents described in Exhibit E to be produced by this witness)
- C. Bank of America, NA (Documents described in Exhibit I to be produced by this witness)

It is further ORDERED that the hearing concerning the depositions of and documents to be produced by Vacek & Freed, PLLC, Candace L. Kunz-Freed, Anita Brunsting, and Amy Brunsting is reset for June 29th 2012, at 9:30 a.m.

SIGNED this 18th day of May, 2012.

Account Number C0000191566

This account was first opened on February 17, 1984. At that time, 300 shares of ExxonMobil's common stock were transferred to Elmer Brunsting. On August 14, 1987, the company went through a 2-for-1 split, generating an additional 300 shares. Between September 10, 1992 and October 28, 1996, dividends from this account were reinvested. An additional 121.648 were purchased during that period.

The account was closed on October 28, 1996, when all shares (721.648) were transferred to the Brunsting Family Trust (See account number C0000592102 below).

We have enclosed a certificate transcript and reinvestment statement covering the history of this account. Due to the age of this account, we no longer have any additional documentation. We were unable to determine the source of the original transfer in 1984 and we no longer have copies of the paperwork submitted in 1996. We have no record of the dividends paid prior to 1992 or any of the tax forms generated for this account.

Account Number C0000592102

This account was first opened on October 28, 1996, when the 721.648 shares were transferred from the account listed above. We have enclosed copies of the statements covering the full history from 1996 until it was closed in 2011. The only transactions that took place during this time were dividend reinvestments and 2 stock splits. We have also enclosed copies of Form 1099-DIV for years 2005 through 2011. We no longer have copies of the tax forms generated prior to 2005.

On March 18, 2011, we received a letter from Anita Brunsting, along with transfer forms requesting that we transfer a portion of this account to the Elmer H Brunsting Decedent's Trust and transfer the remaining shares to the Nelva E Brunsting Survivor's Trust. On March 24, 2011, 1908.232008 were shares transferred to account number C0009467769 and 2101.968469 shares were transferred to account number C0009467777.

We have enclosed a copy of the transfer forms and the accompanying letter. The mailing address on the old account was updated at the same time. We have also enclosed a copy of a notice confirming the address change.

Account Number C0009467769

This account was first opened on March 24, 2011, when the 1908.232008 shares were transferred from the account listed above. We have enclosed statements covering the history of the account from that date to the present. As the new account was not initially enrolled in the dividend reinvestment plan, the fractional shares (0.232008 shares) were immediately liquidated, generating a check in the amount of \$4.18.

Dividends were paid via direct deposit between June 10, 2011 and March 9, 2012. They were deposited into Bank of America account number 008519001143 via routing number 111000025 based on instructions submitted through our website. We have enclosed a screen print of Computershare's internal records with the details of these payments, a notice confirming the direct deposit information, and a copy of Form 1099-DIV for 2011.

On June 13, 2011, we received transfer forms directing us to transfer 1,325 shares from this account to Carole Brunsting. The shares were transferred to account number C0009516328 on June 15, 2011. We have enclosed a copy of the forms.

On March 3, 2012, the account was enrolled in dividend reinvestment through our website. We have enclosed a copy of a notice confirming this change. The June 11, 2012 dividend was reinvested, as indicated on the most recent statement.

Account Number C0009467777

This account was first opened on March 24, 2011, when the 2101.968469 shares were transferred from account number C0000592102. We have enclosed statements covering the history of the account from that date to the present.

All dividends on this account were reinvested. Form 1099-DIV is included on the year end statement for 2011. Direct deposit instructions were added to this account via our website on April 11, 2011. However, as the account was enrolled in the reinvestment plan, no dividends from this account were ever direct deposited. We have enclosed a copy of the notice confirming the direct deposit information.

On May 9, 2011, we received transfer forms directing us to transfer 1,120 shares from this account to Amy Brunsting. The shares were transferred to account number C0009499041 on May 11, 2011. We have enclosed a copy of the forms.

On June 13, 2011, we received transfer forms directing us to transfer 160 shares from this account to Anita Brunsting and 160 shares to Candace Curtis. The shares were transferred to account numbers C0009516352 and C0009516387 respectively on June 15, 2011. We have enclosed a copy of the forms.

We have no record of any additional transactions or correspondence on these accounts or any additional accounts registered to Elmer Brunsting, Nelva Brunsting, or their trusts.

Account Numbers C0009516387, C0009499041, C0009516352, and C0009516328

As you requested documents reflecting the current ownership of shares formerly registered to the trust, we have enclosed a copy of the most recent statement for each of these accounts. If you need additional records from these accounts, please submit a new request clarifying what information or documents are to be provided.

Computershare assesses a fee of \$10.00 plus \$0.25 per page for records sent in response to this type of request. We kindly ask that you submit a check in the amount of \$24.25 made payable to "Computershare" and enclose a copy of this letter so we may accurately reference the original inquiry.

Re: Cause No. 2012-14538; *In re: Carl Henry Brunsting*; In the 80th Judicial District
Court of Harris County, Texas

Dear Sirs:

On April 12, 2012, after speaking with Catherine Dixon in your department, I sent additional documents and information relating to a request for information in the above-referenced case concerning the history of some Exxon Mobil Corporation stock. I have heard nothing further since that letter. I have enclosed a copy of that earlier letter and the Court's Order requiring Computershare to provide the information requested, as well as another copy of Exhibit E from the verified petition which outlines the requested information.

As you can see, in my April 12, 2012 letter, I also provided social security numbers for the individuals who originally owned the stock, but at some point the stock was moved to trusts and thereafter, at least in part, out to other parties. So to the extent your delay in responding has been because of the trusts' ownership of the stock, I wanted to provide you with that additional information. Initially, the trust would have been referred to as "The Brunsting Family Living Trust," but after the first grantor of that trust died, the names of "The Nelva Brunsting Survivor's Trust" and the "Elmer Brunsting Decedent's Trust" would have been used. I am enclosing statements with holder account numbers which I have obtained from other sources in the case in hopes that it will speed up your search. I do not intend, however, for your search to be limited to these accounts because, as I said, I believe these shares have been held by or transferred to other parties as well.

It has been sometime since this request was made. I need these documents as soon as possible, so if you have any questions, please contact me upon your receipt of this letter.

Very truly yours,

Bobbie G. Bayless

Re: Cause No. 2012-14538; *In re: Carl Henry Brunsting*; In the 80th Judicial District
Court of Harris County, Texas

Dear Sirs:

I spoke with Catherine Dixon this morning about the following documents which were previously filed with the court in the above-referenced matter:

1. Carl Henry Brunsting's Verified Petition to Take Depositions Before Suit; and
2. Notice to Computershare Investor Services of Hearing on Petition to Take Depositions Before Suit.

While these documents were previously sent via certified mail to Computershare Investor Services's registered agent in Texas, we had received no response. We have enclosed another copy of the documents so this can be addressed by your legal department as soon as possible. To simplify things, we have also enclosed an extra copy of Exhibit E to the Petition which outlines the documents we are asking Computershare, as transfer agent for Exxon Mobil Corporation, to provide. The social security number for Elmer Brunsting is 282-32-8905. The social security number for Nelva Brunsting is 481-30-4685.

Also enclosed is an Amended Notice of Hearing which resets the hearing in the matter for May 18, 2012.

Very truly yours,

Bobbie G. Bayless

COST BASIS DISCLOSURE

IRS regulations require that Computershare, and other brokers/agents, provide additional information to you and to the IRS when you sell certain securities. All covered and noncovered information set forth in this document is for informational purposes. The information is based on data in our records as of the date of this mailing. Cost basis data may be subject to change based on events such as wash sales, splits and spinoffs. Computershare cannot confirm the accuracy or completeness of noncovered transactions. If cost basis data was not available, the information was left blank. Any sales fees incurred are added to the oldest lot's cost basis. You should review your records for accurate information regarding the subject transactions and consult your tax advisor with any questions concerning your tax reporting obligations.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Shares will be sold as promptly as practicable based on the terms of the plan. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST. PLEASE REFER TO THE PLAN PROSPECTUS/BROCHURE OR DRS BROCHURE REGARDING APPLICABLE FEES.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a certified copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is (are) legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

How to Request a Transaction (refer to the prospectus brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.compuershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

Instructions for Recipient

Account Number. May show an account or other unique number the payer assigned to distinguish your account.

Box 1a. Shows total ordinary dividends that are taxable. Include this amount on line 9a of Form 1040 or 1040A. Also, report it on Schedule B (Form 1040) or Schedule 1 (Form 1040A), if required.

The amount shown may be a distribution from an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040/1040A but treat it as a plan distribution, not as investment income, for any other purpose.

Box 1b. Shows the portion of the amount in box 1a that may be eligible for the 15% or 5% capital gains rates. See the Form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 9b, Form 1040 or 1040A.

Box 2a. Shows total capital gain distributions (long-term) from a regulated investment company or real estate investment trust. Report the amounts shown in box 2a on Schedule D (Form 1040), line 13. But, if no amount is shown in boxes 2c-2d and your only capital gains and losses are capital gain distributions, you may be able to report the amounts shown in box 2a on line 13 of Form 1040 (line 10 of Form 1040A) rather than Schedule D. See the Form 1040/1040A instructions.

Box 2b. Shows the portion of the amount in box 2a that is unrecaptured section 1250 gain from certain depreciable real property. Report this amount on the Unrecaptured Section 1250 Gain Worksheet-Line 19 in the Schedule D instructions (Form 1040).

Box 2c. Shows the portion of the amount in box 2a that is section 1202 gain from certain small business stock that may be subject to a 50% exclusion. See the Schedule D (Form 1040) instructions.

Box 2d. Shows 28% rate gain from sales or exchanges of collectibles. If required, use this amount when completing the 28% Rate Gain Worksheet-Line 18 in the instructions for Schedule D (Form 1040).

Box 3. Shows the part of the distribution that is nontaxable because it is a return of your cost (or other basis). You must reduce your cost (or other basis) by this amount for figuring gain or loss when you sell your stock. But if you get back all your cost (or other basis), report future distributions as capital gains. See Pub. 550, Investment Income and Expenses.

Box 4. Shows backup withholding. For example, a payer must backup withhold on certain payments at a 28% rate if you did not give your taxpayer identification number to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 5. Shows your share of expenses of a nonpublicly offered regulated investment company, generally a nonpublicly offered mutual fund. If you file Form 1040, you may deduct these expenses on the "Other expenses" line on Schedule A (Form 1040) subject to the 2% limit. This amount is included in box 1a.

Box 6. Shows the foreign tax you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 instructions.

Boxes 8 and 9. Shows cash and noncash liquidation distributions.

Nominees. If this form includes amounts belonging to another person, you are considered a nominee recipient. You must file Form 1099-DIV with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. A husband or wife is not required to file a nominee return to show amounts owned by the other. See the 2005 General Instructions for Forms 1099, 1098, 5498, and W-2G.

Instructions for Recipient

Account Number: May show an account or other unique number the payer assigned to distinguish your account.

Box 1a: Shows total ordinary dividends that are taxable. Include this amount on line 9a of Form 1040 or 1040A. Also, report it on Schedule B (Form 1040) or Schedule 1 (Form 1040A), if required.

The amount shown may be a distribution from an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040/1040A, but treat it as a plan distribution, not as investment income, for any other purpose.

Box 1b: Shows the portion of the amount in box 1a that may be eligible for the 15% or 5% capital gains rates. See the Form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 9b, Form 1040 or 1040A.

Box 3: Shows the part of the distribution that is nontaxable because it is a return of your cost (or other basis). You must reduce your cost (or other basis) by this amount for figuring gain or loss when you sell your stock. But if you get back all your cost (or other basis), report future distributions as capital gains. See Pub. 550, Investment Income and Expenses.

Box 4: Shows backup withholding. For example, a payer must backup withhold on certain payments at the applicable rate if you did not give your taxpayer identification number to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 6: Shows the foreign tax you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 instructions.

Box 8: Shows cash liquidation distributions.

Nominees. If this form includes amounts belonging to another person, you are considered a nominee recipient. You must file Form 1099-DIV with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. A husband or wife is not required to file a nominee return to show amounts owned by the other. See the 2006 General Instructions for Forms 1099, 1098, 5498, and W-2G.

Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

Instructions for Recipient

Account Number: May show an account or other unique number the payer assigned to distinguish your account.
What's New? The 5% capital gains rate is reduced to zero after December 31, 2007. See box 1b.

Box 1a: Shows total ordinary dividends that are taxable. Include this amount on line 9a of Form 1040 or 1040A. Also, report it on Schedule B (Form 1040) or Schedule 1 (Form 1040A), if required.

The amount shown may be a distribution from an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040/1040A, but treat it as a plan distribution, not as investment income, for any other purpose.

Box 1b: Shows the portion of the amount in box 1a that may be eligible for the 15% or 0% capital gains rates. See the Form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 9b, Form 1040 or 1040A.

Box 3: Shows the part of the distribution that is nontaxable because it is a return of your cost (or other basis). You must reduce your cost (or other basis) by this amount for figuring gain or loss when you sell your stock. But if you get back all your cost (or other basis), report future distributions as capital gains. See Pub. 550, Investment Income and Expenses.

Box 4: Shows backup withholding. For example, a payer must backup withhold on certain payments at the applicable rate if you did not give your taxpayer identification number to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 6: Shows the foreign tax you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 instructions.

Box 7: This box should be left blank if a regulated investment company reported the foreign tax shown in box 6.

Box 8: Shows cash liquidation distributions.

Nominees. If this form includes amounts belonging to another person, you are considered a nominee recipient. You must file Form 1099-DIV with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. A husband or wife is not required to file a nominee return to show amounts owned by the other. See the 2008 General Instructions for Forms 1099, 1098, 5498, and W-2G.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.compuershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

The new payment instructions should become effective within 15 days. All disbursements made by the company will then be directly paid to your bank account. You will also be able to direct us to use this bank account to receive payments at your discretion if you choose to sell your shares.

Company Name: Exxon Mobil Corporation

Bank Name: BANK OF AMERICA N A

Instructions for Recipients

Recipient's Identification Number: For your protection, this form may show only the last four digits of your taxpayer identification number. However, the issuer has reported your complete identification number to the IRS and, where applicable, to state and/or local governments.

Account Number: May show an account or other unique number the payer assigned to distinguish your account.

Box 1a: Shows total ordinary dividends that are taxable. Include this amount on line 9a of Form 1040 or 1040A. Also, report it on Schedule B (Form 1040 or 1040A), if required. The amount shown may be dividends a corporation paid directly to you as a participant (or beneficiary of a participant) in an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040/1040A, but treat it as a plan distribution, not as investment income, for any other purpose.

Box 1b: Shows the portion of the amount in box 1a that may be eligible for the 15% or 0% capital gains rates. See the Form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 9b, Form 1040 or 1040A.

Box 2a: Shows total capital gain distributions from a regulated investment company or real estate investment trust. Report the amounts shown in box 2a on Schedule D (Form 1040), line 13. But, if no amount is shown in boxes 2c-2d and your only capital gains and losses are capital gain distributions, you may be able to report the amounts shown in box 2a on line 13 of Form 1040 (line 10 of Form 1040A) rather than Schedule D. See the Form 1040/1040A instructions.

Box 2b: Shows the portion of the amount in box 2a that is unrecaptured section 1250 gain from certain depreciable real property. Report this amount on the Unrecaptured Section 1250 Gain Worksheet - Line 19 in the Schedule D instructions (Form 1040).

Box 2c: Shows the portion of the amount in box 2a that is section 1202 gain from certain small business stock that may be subject to a 50% exclusion and certain empowerment zone business stock that may be subject to a

60% exclusion. See the Schedule D (Form 1040) instructions.

Box 2d: Shows 28% rate gain from sales or exchanges of collectibles. If required, use this amount when completing the 28% Rate Gain Worksheet-Line 18 in the instructions for Schedule D (Form 1040).

Box 3: Shows the part of the distribution that is nontaxable because it is a return of your cost (or other basis). You must reduce your cost (or other basis) by this amount for figuring gain or loss when you sell your stock. But if you get back all your cost (or other basis), report future distributions as capital gains. See Pub. 550, Investment Income and Expenses.

Box 4: Shows backup withholding. For example, a payer must backup withhold on certain payments if you did not give your taxpayer identification number to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 5: Shows your share of expenses of a nonpublicly offered regulated investment company, generally a nonpublicly offered mutual fund. If you file Form 1040, you may deduct these expenses on the "Other expenses" line on Schedule A (Form 1040) subject to the 2% limit. This amount is included in box 1a.

Box 6: Shows the foreign tax you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 instructions.

Box 7: This box should be left blank if a regulated investment company reported the foreign tax shown in box 6.

Box 8: Shows cash liquidation distributions.

How to Request a Transaction (refer to the prospectus brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!
The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. 1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

| <p>Box 1a: Shows total ordinary dividends that are taxable. Include this amount on line 9a of Form 1040 or 1040A. Also, report it on Schedule B (Form 1040 or 1040A), if required.

The amount shown may be a distribution from an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040/1040A, but treat it as a plan distribution, not as investment income, for any other purpose.</p> | <p>Box 4: Shows backup withholding. For example, a payer must backup withhold on certain payments if you did not give your taxpayer identification number to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.</p> |
| <p>Box 1b: Shows the portion of the amount in box 1a that may be eligible for the 15% or 0% capital gains rates. See the Form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 9b, Form 1040 or 1040A.</p> | <p>Box 6: Shows the foreign tax you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 instructions.</p> |
| <p>Box 3: Shows the part of the distribution that is nontaxable because it is a return of your cost (or other basis). You must reduce your cost (or other basis) by this amount for figuring gain or loss when you sell your stock. But if you get back all your cost (or other basis), report future distributions as capital gains. See Pub. 550, Investment Income and Expenses.</p> | <p>Box 7: This box should be left blank if a regulated investment company reported the foreign tax shown in box 6.</p> <p>Box 8: Shows cash liquidation distributions.</p> |
| | <p>Nominees: If this form includes amounts belonging to another person, you are considered a nominee recipient. You must file Form 1099-DIV with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. A husband or wife is not required to file a nominee return to show amounts owned by the other. See the current tax year General Instructions for Certain Information Returns.</p> |

How to Request a Transaction (refer to the prospectus/ brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. 1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

- 1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.compuershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

- 1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.
 - 1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.
 - 1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.
2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

Dear Holder:

We have received and processed your request to add bank payment instructions to your account. We are in the process of verifying the bank payment instructions with your financial institution. The new payment instructions should become effective within 15 days. All disbursements made by the company will then be directly paid to your bank account. You will also be able to direct us to use this bank account to receive payments at your discretion if you choose to sell your shares.

Company Name: Exxon Mobil Corporation

Bank Name: BANK OF AMERICA N A

Please note, if the bank payment instructions are determined to be incorrect in the verification process, you will receive a notice that your request has been cancelled.

If you are a participant in a reinvestment plan, your reinvestment plan participation option will be honored in lieu of the above payment instructions. For example, if you have enrolled in full reinvestment, all dividends will be reinvested rather than paid to the above bank account. If you have enrolled in the cash payment option, all dividends will be paid in cash using the new bank payment instructions.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

- 1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this *Transaction Request Form* will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.compuershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.
 - 1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.
 - 1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

Upon request, the Company will furnish to any shareholder, without charge, a full statement of the designations, rights (including rights under any Company's Rights Agreement, if any), preferences and limitations of the shares of each class and series authorized to be issued, and the authority of the Board of Directors to divide the shares into series and to determine and change rights, preferences and limitations of any class or series.

Assets are not deposits of Computershare and are not insured by the Federal Deposit Insurance Corporation, the Securities Investor Protection Corporation, or any other federal or state agency.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.
