Dear Chevron Corporation Stockholder:

As administrator of Chevron Corporation's investor program, Computershare Investment Plan (CIP), a direct stock purchase and dividend reinvestment Plan for Chevron stockholders, we periodically review the status of accounts for completed Plan activity and compliance.

A recent review indicated that your account had a fractional share balance and was below the minimum required for participation in the Plan. Accordingly, as provided under the Plan's terms and conditions, we have redeemed this fractional share and closed your account. The enclosed check represents the proceeds of the sale of your fractional share. *The normal service fee and brokerage commission were waived for this sale transaction.* This review is designed to ensure compliance and to assist Computershare and Chevron Corporation in managing the cost of offering the Plan.

If you have any questions, please call 1-800-368-8357 or 201-680-6578 if outside the U.S. and Canada.
