Change of Address. Please call us at the telephone number listed on the front of this statement to tell us about a change of address.

Deposit Agreement. When you opened your account, you received a deposit agreement and fee schedule and agreed that your account would be governed by the terms of these documents, as we may amend them from time to time. These documents are part of the contract for your deposit account and govern all transactions relating to your account, including all deposits and withdrawals. Copies of both the deposit agreement and fee schedule, which contain the current version of the terms and conditions of your account relationship, may be obtained at our banking centers.

Electronic Transfers: In case of errors or questions about your electronic transfers
If you think your statement or receipt is wrong or if you need more information about an electronic transfer (e.g., ATM transactions, direct deposits or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of this statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more
- Tell us the dollar amount of the suspected error.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (10 calender days if you are a Massachusetts customer) (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

Reporting Other Problems. You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or unauthorized transactions within the time periods specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you for, and you agree not to make a claim against us for the problems or unauthorized transactions.

We're improving the system that supports automatic transfers for deposit accounts to better meet your needs. The improvements will give you a new way to manage transfers, but will also change the timing of certain automatic transfers. Effective 4/23, when an automatic transfer between 2 of your Bank of America accounts falls on a weekend or federal holiday, it will now occur the prior business day. Any other scheduled automatic transfer that falls on a weekend or federal holiday will continue to occur the following business day. Additionally, you'll be able to manage your transfers through Online Banking by going to the Transfers tab, calling the number on this statement or visiting your nearby banking center.

Did you know there's an easier way to make deposits?

Now when you get a check, you can securely deposit it right into your account using the App and camera on your smartphone or tablet. There's no planning a trip to the banking center or ATM. It's easy to deposit checks on your schedule. Download the newest Mobile Banking App by texting APP1 to 226526. Deposits not available for immediate withdrawal. Restrictions apply.
