COST BASIS DISCLOSURE

IRS regulations require that Computershare and other brokers/agents provide additional information to you and to the IRS when you sell certain securities. If you sold or transferred shares/units and did not specify a cost basis calculation method we have defaulted to either the first in, first out (FIFO) for equity issuers or for certain closed-end funds, average cost basis method. All covered and noncovered information set forth in this document is for informational purposes. The information is based on data in our records as of the date of this mailing. Cost basis data may be subject to change based on events such as wash sales, splits and spinoffs. If cost basis data was not available, the information was left blank. Computershare cannot confirm the accuracy or completeness of noncovered transactions. You should review your records for accurate information regarding the subject transactions and consult your tax adviser with any questions concerning your tax reporting obligations.

DEFINITIONS

Acquisition Date: The date the shares/units are considered acquired for cost basis purposes. This may be the original date you acquired the shares/units or a date adjusted for events such as wash sales. There may be multiple dates related to a single transaction if shares/units were acquired at different times or prices.

Class Description: Describes the class of security held, e.g., Class A Common Stock.

Closing Balance: The number of shares/units held by you as of the date noted.

Cost Basis: The amount that you paid for the shares/units, adjusted for changes such as wash sales, splits and spinoffs.

Covered: A term the IRS uses to refer to securities that must have their cost basis information directly reported on IRS Form 1099-B.

CUSIP: A unique number assigned by the securities industry for a particular security (Committee on Uniform Security Identification Procedures).

Gross Dividend: The cash dividend payable to you, on shares/units reinvested, before the deduction of fees and taxes.

Holder Account Number: Your unique account number for the account where your share/unit holdings and transactions have been recorded.

How to Request a Transaction (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today!

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to either the first in, first out (FIFO) for equity issuers or for certain closed-end funds, average cost basis method. Please note that Closed-End Funds and/or Registered Investment Companies are not required to report cost basis until January 1, 2012. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Shares will be sold as promptly as practicable based on the terms of the plan. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST. PLEASE REFER TO THE PLAN PROSPECTUS/BROCHURE OR DRS BROCHURE REGARDING APPLICABLE FEES.

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. *Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a certified copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is (are) legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.
