And do not overlook an exploration of the family's motives in requesting a competency evaluation, she cautioned. Do family members have reason for wanting their oddly behaving relative to be declared incompetent?

This is from an article about not rushing to declare an elderly person incompetent.

Mother passes the smell test and I have to make sure Tino does not let her out of the house without her clothes being ironed and SEE!!! MOTHER MADE THE APPOINTMENT TO GET HER HAIR DONE!!! CANDY THAT IS IT!!! MOTHER DOES CARE ABOUT HER APPEARANCE!! She will not go out without her makeup on and I have to get her a nail file all the time. Mother also called Edward Jones on her own and sold \$10K so she would have enough money to live on.

She was temporarily incompetent when she was too low on oxygen and if they made her walk to Candace's office I know for a fact her levels were too low because Dr. White joked about it. Tino did not take her so she had to walk from the parking lot to the office. She did not understand what she was signing because she was too short of breath and I can prove that. Candane has to know she F***ed up.

There are any number of situations that may cause you to question the competency of a family member to make sound life decisions, such as when:

- An elderly person suddenly changes a will or trust in a manner that is significantly different from all previous wills or trusts, which could result in will litigation if not appropriately handled during the elder's life.
- A family member has suspicion that the elderly person is being unduly influenced by others

Anita is unduly influencing Mother and now Amy has piled on. Mother never would have made these changes on her own. This was all done by the hand of Anita who put herself in charge of everything.
